Ministerial Education.

The report of the Committee on Education for the Ministry was presented by the Chairman, Dr. E. W. Smith, It was received and adopted, and is as follows:

Orange Presbytery had under its care Seventeen Candidates for the Ministry; three at the Seminary, five at College, one pursuing his academic Course, one acting as Evangelist, and the other seven engaged in teaching or other work with the expectation of resuming their Studies as soon as practicable. Our Eight Candidates at Seminary and College have been appropriated $75.00 apiece, making $600.00 in all. We are sorry to say that our Contributions to the Central Committee do not equal that amount by more than $100.00 Their total is $499.75. Education

Thirty-Eight of our Churches have Contributed to this Cause, but only a fourth of this number have come up to the full measure of their appportionments.

These apportionments were very carefully made out at the last Spring meeting of Presbytery, and were unanimously adopted. The little Church at Sayapaha is not on the apportionement list. Its contribution was $2.00.

The following Nine Churches have paid or over-paid their apportionments, and belong to our first honor list—

	Apportionment	Contribution
Yanceyville	$3.00	$9.00
North Wilkesboro	5.00	7.47
Elkin 1st	3.00	4.88
Fairfield	4.00	5.87
Greensboro 1st	125.00	128.03
New Hope	6.00	6.15
Hillsboro	10.00	10.00
Graham	65.00	65.00
Spredwell	1.00	1.00

The following three Churches have paid 90 pr. Cent or more on their apportionments and have won second honor.

Madison	10.00	9.29
Burlington	25.00	24.00
Durham	55.00	49.96

Our third honor list includes those Churches that have paid between 80 and 90 pr Cent of their Apportionments. But one name appears on this list—

Lexington	20.00	16.45.

The following three Churches have won fourth honor by contributing

	Apportionment	Contribution
between 70 and 80 pr. cent of their Apportionment		
Reidsville	$27.00	$20.00
Griers	4.00	3.13
Chapel Hill	10.00	7.00

The following Six Churches have won fifth honor by raising as much as 60 pr. cent of their Apportionments, but less than 70 pr. cent

Mt. Airy	5.00	3.00
Bethesda	6.00	4.10
Red House	10.00	6.54
Leaksville	3.00	2.00
Wentworth	3.00	1.86
Bethany	3.00	1.86

If Mt Airy had contributed one cent more she would have been fourth honor instead of fifth. The following Churches have paid one half of their Apportionments, but less than three fifths, and therefore occupy the Sixth honor list—

Winston	100.00	53.46
Midway	3.00	1.61
Bethlehem	10.00	5.00

On the list paying over 40 but under 50. pr cent, there is but one Church—

Stony Creek	7.00	3.00

The Churches paying between 30 and 40 pr. Cent of their Apportionments, number two.—

Milton	22.00	7.51
Buffalo	16.00	5.80

	Apportionment	Contribution
The following Churches paid between 20 and 30 pr. Cent of their apportionments		
Education Westminster	$27.00	$7.85
Cross Roads	18.00	4.34
Alamance	22.00	4.90
Mebane	20.00	5.00
Little River	10.00	2.31
The following four Churches fell below 20 pr Cent of their Apportionments —		
High Point	20.00	2.89
Bethel	16.00	1.77
Springwood	6.00	1.00
Hawfields	18.00	1.70

Education We have no doubt that Special difficulties, such as bad weather, or absence of Pastor, have affected the contributions of many of our Churches to this Cause as to other Causes. But we would urge upon our Sessions that they would so arrange their system of Congregational beneficence, by the use of Envelopes, or private solicitation and subscription, or some other means as that it shall not be at the mercy of the weather, or dependent on the supply of the pulpit. Most of our Country Churches and many of those in town have one benevolent collection a month, and that a Basket Education collection. The suspension of, or thin attendance upon, that service, from bad weather or any other reason, will cripple or annihilate the collection

for the benevolent cause of that month. As long as our sources of income are so dependent upon Chance, our financial history will be one long, dismal Education experience of getting into debt, and then struggling frantically to get out again.

Respectfully Submitted

The present condition of the work, and the visible result in most of the fields is decidedly cheering.

Chapel Hill Field.

Rev. D. J. Currie in charge, reports 12 additions, full congregations, increasing liberality, efficient Home Departments in both Sunday Schools, good attendance and interest of Students in Preaching, Sunday School and Prayer Meeting, credit for which is due to a very active Westminster League. The work is in good condition.

Caswell Field.

Rev. S. H. Williamson in charge. The least satisfactory part of this work is at Roxboro, where there has been no ingathering, but a debt of $127.00 has been paid off. At Yanceyville the conditions are most

encouraging - 7 additions, and more expected, new Organ secured, Church going to be repaired, collections increasing, live little Sunday-School, and Ladies Missionary Society soon to be organized. At Bethesda - 7 members have been received, and others expected to join soon. Stony Creek reports good congregations and 4 additions.

Stokes County Field.

Rev. S. S. Oliver has had charge for past ten months of Asbury, Dan River, Snow Hill and Danbury. Four members have been added. Not the least of the many obstacles and disappointments has been the lack of liberality of the people.

Home Missions

Evangilest R. H. George has raised $1600.00 for building four Churches. At one point there are seven members, at another nineteen, at a third - twelve.

Wilkesboro Field.

Rev. C. W. Robinson in charge - embraces Wilkesboro, North Wilkesboro, Elkin, Oakwood, and four other preaching points.

At Elkin the membership is interested, and there is a good Sunday School.

At Wilkesboro the work is at a stand - still, large and attentive Congregations, but no Sunday School or Prayer Meeting.

At North Wilkesboro, the Church is in good working condition, regular attendance on Preaching, Prayer Meeting and Sunday School: family worship general, and financial Con-

dition good. A mission of this Church is — Oakwood, with a live Sunday School of more than fifty pupils, and a Day School. Eight members were received here, and the work is most encaceraging.

Ashe County Field.

Rev. E. E. Gillespie (and Candidate Allen Jones Jr) in Charge — has been supported by the Presbytery since the Fall Meeting. The work is in a flourishing condition. Nine $300. for Church Erection has been raised outside of the Presbytery. One meeting, with twelve professions, has been held. Besides Churches at Jefferson and Ebenezer, there are regular appointments at Six surrounding points, with gratifying attendance and interest. More recently Rev. E. E. Gillespie has resigned to become Superintendent of Synodical Missions.

Name Missions

2. Synodical Home Missions.

Synod supported in full the Ashe County work until it was assumed by Presbytery at the Fall Meeting, and still pays $200. toward the Chapel Hill work.
For this Cause our Apportionment is $950.00. Our Contributions have been $1699.38.

3. Assembly's Home Missions.

Amount raised for this Cause $364.98
Amount asked — — — — $745.00

The Assembly has no work within our bounds: but the need of the School work in Indian Territory, the rapidly growing population of Texas largely without the gospel, forty towns springing up in Arkansas without Presbyterian Minister or Church, and the crying destitution of the whole Western frontier, call upon us for earnest and liberal support of this work.

4. Invalid Fund.

Contributions $296.77. Apportionment — $399.50
We have no beneficiaries of this Fund, but throughout our Church there are near Forty infirm Ministers, and about 100 dependent families of deceased Ministers. These need and ask for aid. We must not allow this pathetic call to go unheeded or their necessities unrelieved.

R. W. George

Resolved: That in view of the great liberality of Rev. R. W. George in aiding so substantially in the building of Churches within our Home Mission territory, Presbytery, by a rising vote, show its gratitude to God for this good work.

Presbytery then took recess until 2 o'clock P. M.

Third Day – Afternoon Session.

Presbytery convened again at 2 o'clock P. M. and resumed and completed the examination of Candidate Jones on Theology.

Jones Examined

Mr. Jones was then examined, in order, on Church History, Church Government, and the Sacraments. All these examinations were sustained, passed upon separately, and as satisfactory parts of trial.

Introduced

Rev. R. D. Risinger of the Lutheran Church was introduced to the Presbytery and invited to sit as a visiting brother.

The order of the day having arrived, the Presbytery heard Rev. C. G. Vardell in the interest of Red Springs Seminary; and the following resolution was adopted:

Red Springs Seminary

Resolved: That we have heard Rev. C. G. Vardell in the interest of Red Springs Seminary of Fayetteville Presbytery with the greatest pleasure, and that we invoke upon him and the Seminary the continued and increasing blessing of God.

Publication and Colportage.

Publication Colportage

The report of the Agent of Publication and Colportage was presented by the Chairman. It was received and adopted, together

with its recommendations, and is as follows:—

Your Agent for Publication and Colportage begs to report:—

Publication Colportage

1. As regards this work as conducted by Dr Hazen, he says in his report to the last General Assembly, "No year in the history of this work is marked by greater activity in this department than the past". Also he records—"the number of issues from the press of Books and Tracts is in round numbers, 100 000. Two of these works—Peck's Miscellaneous, and the Memorial Volume of the Westminster Assembly, are works of great and permanent value". He says further—"The sale of the Sabbath School periodicals is greater than in any previous year". I shall only add, in connection with Publication, the income from the publishing House and sales here, for years, more than meet the claims of Publication.

As regards Colportage work, as conducted by Dr Hazen, he reports $4662. paid out in supplying Sabbath School literature, tracts, books &c to the more needy Sabbath Schools within our bounds and destitute regions. Of this $63.95 were granted to Schools and destitute regions within the bounds of our own Presbytery; as fol—H. M. Joyce $9.15, Joseph Evans 5.00, E. E. Gillespie 11.50 Colporteur Rogers 10.00, B. B. Palmer 9.30. C. Miller 1.75, S. S. Oliver 10.00, Allen Jones Jr 7.25. In connection with the work of his Colporteurs, he reports $2729.00 worth of books and tracts contributed by his six Colporteurs at the expense of $2255.00

2. In connection with our Presbyterial Colportage work, as inaugurated by us at the last Spring meeting, I want to report that one of our Candidates for the Ministry was engaged in this work for nearly 2½ months, and disposed of Copies of the Scriptures and approved religious literature supplied by Dr Hazen—$215.96, at an expense to us of $64.70 In the partial and imperfect report which I made at the fall Meeting of Presbytery, I stated the percentage due Mr Rogers on his sales, was $51.00, which I was prepared to pay. In this I was basing my calculation on the value of the literature supplied to him by Dr Hazen. (as I had then received a report from Mr Rogers) But from the report from our Colporteur, since then received, I learn that $15.50 of the above was given away by him, in accordance with a direction given him in this matter by Presbytery. Resulting from this, we are indebted to Dr Hazen—$14.70 for supplies furnished.

Publication Colportage.

From Mr C. L. Rogers' report, we cull the following—"I put a good many Bibles in Homes where there were none. I tried to supply the colored man, as well as the white, with the Word of God. We always had prayer with the sick, and other places where it seemed expedient. Often cases of sickness visited thus, seven were called away not long after. I conducted Prayer Meeting four times. Sometimes I taught in Sabbath Schools. I attended protracted Meetings at four Churches. Everywhere I

Candidate Rogers.

was received kindly, and I trust good has been done." — Contributed $135.00

I would only add that a comparison of the Bibles and other religious literature disposed of by our Colporteur, viewed in connection with the money paid him for doing so, — shows that we are doing Colportage work much more economically than it is being accomplished by the Association of Colporteurs.

Publication Colportage.

1 — Resolved: That the Presbytery hereby instruct its Treasurer to transmit hereafter only one half of the funds collected for Publication and Colportage to the Assembly's Treasury, retaining the other half for Presbyterial work.

2. That we urge all our Sessions to raise an annual collection for this Cause, and a collection to correspond to its great importance.

3. That when the Church cannot contribute, that the Sabbath School send up a collection. Signed —

Joseph Evans.

Colored Evangelization.

Colored. Work.

The report of the Executive Committee on Colored Evangelization was submitted by the Chairman. It was received and adopted, and is as follows: —

Your Committee had, April 1. 1898, a balance on hand of $30.40, and has received during the past year $146.13. Of this we have paid on our note at Commercial Bank of High Point, $160.98, to Rev. B. B. Ward for Evangelistic work at Elkin Church (Col'd) $15.00, and for postage $.05 — total, $176.53. The following Churches have contributed nothing to this cause — Bethany, Buffalo, Burlington, Bethesda, Chapel Hill, Colored Work
Eno, Friers, High Point, Madison, Midway, Roxboro and Stony Forks.

Our note at the Bank has been reduced from $195.72 to $43.50. It could have been paid in full but for the fact that some of our Churches send contributions to the Colored Institute at North Wilkesboro. It is our earnest desire that during this year we may not only cancel our debt, but render much needed assistance to the Colored brethren engaged in Evangelistic work in our bounds. We regret that we have not been able to pay Rev. B. B. Palmer the $25.00 conditionally promised him.

Our Synod has withdrawn from the management of the Colored Institute at North Wilkesboro, and that work has now passed into other hands. This leaves us free to concentrate our efforts upon Evangelistic work. The last General Assembly directed our Presbyterial Committee to give "especial attention to the matter of Evangelistic services for the Colored people engaging their own Ministers

Colored Institute

as far as possible in the service." We recommend, therefore, that Presbytery authorize its Committee to pay this year to Rev. C. B. Ward $25.00, and to Rev. B. B. Palmer $20.00, and to send all surplus funds to the Assembly's Committee of Colored Evangelization.

Our Assembly's Committee calls your attention to the following points:— (1) The Salary of the Assembly's Secretary of Colored Evangelization has been reduced from $1000.00 to nothing. Rev. D. Clay Lilly doing the work gratuitously, and the Salaries of two Teachers in the Stillman Institute from $1800.00 to $600.00. (2) Instead of having everything provided gratis, the students of the Institute are now required to work for their support, by cultivating and developing the Farm. (3) The Colored Ministers under the care of the Assembly's Committee have been paid up in full, and the spirit of dissatisfaction manifested last Fall has entirely passed away. Encouraging reports come from all of them. (4) There are now 23 Mission Sunday Schools conducted by white Teachers, a gain of 10 this year. (5) The work at Stillman Institute has been enlarged, and yet costs less than half of what it formerly did. (6) A Summer School is now being organized for the instruction of Colored Ministers in practical Methods of Church work, to be held at Stillman Institute

in June. We recommend that Presbytery at our Fall meeting, devote the third Evening of the Session to a Popular Meeting in the interest of this sadly neglected Cause.

Narrative

Narrative

The Committee on the Narrative presented the following, which was adopted and ordered to be sent up to the Assembly —

The Narratives from the Churches indicate throughout the bounds of the Presbytery an encouraging good attendance upon the services of the Sanctuary. While some few Churches report a general observance of Family Worship, a very large per cent report this very important duty sadly neglected. The reports from the Churches indicate that the Sabbath is fairly well observed by Church Members, the only complaints being against Sunday trains, Sunday mails, and Social visiting. The Church Sessions generally speak very encouragingly of the training of the Children in the Scriptures and Catechisms in the Sabbath School, but at the same time deplore the negligence along these lines by Parents in the home. The spirit of liberality upon the part of Churches is commended by many of the Sessions. But your Committee would call attention to the fact that the reports show about one half the Churches in arrears on Salary. While there have been but few especial seasons of revival reported, a very large per cent of Churches join in reporting healthy spiritual condition, and a gradual growth in grace. The spirit of worldly conformity seems to be on the decrease. But few of the Churches appear to be doing any Evangelistic work outside their bounds, save in the support of the Evangelistic Causes.

M. W. Doggett, Chm.

Narrative

The Committee on the Minutes of the Synod offered the following report which was adopted:—

Minutes of Synod.

Your Committee would call attention to the following items:— 1. Synod commends the Pres.

lyteries for the successful prosecution of their own evangelistic work, and for the zeal with which the support of Synodical fields is being assumed, thus affording the Synod the opportunity of entering new and needy and inviting fields. 2. For the support of our one hundred or more Orphans. Synod urges all our Churches to make contributions at Thanksgiving and Christmas, and also directs all our Churches to set apart one Sunday in June for a mid-summer contribution for this Cause. It also urges that on one Sabbath in each month all our Sunday Schools take up a collection for the Orphans.

S. School Report

Sabbath School reports, showing 51 Schools. – a slight falling off, one Church less reporting, 8 schools less than last year.
There has been a falling off also in teachers and scholars, but a happy increase in the number of scholars admitted to the Communion – 117 last year, 196 this year.

S. School Report

The contributions also are a little less than they were last year. Almost all the Schools are under the Sessional oversight and control. It is gratifying that the Scholars attend upon the public worship of the sanctuary. The Standards are taught in few Schools, except the Catechisms which are very generally studied.
Some Schools use all our publications: many use some only: While one School uses the Publications of the Northern Church, and One the Blakeslee Graded lessons.
Only a few Schools report any special religious interest: however a large proportion of the additions to the Church have been from the Schools. Teachers Meetings are held in very few Schools.

Convention

Recommendation – That a Sabbath School Convention be held next Fall on the morning of the Second day of Presbytery.

J. McL. Seabrook, Agent.

The Examining Committees reported as follows:-

Jones.

The Committee on Geography and History reported that they had examined Mr. Jones in these Studies and recommended that the examinations be sustained. Adopted.

The Committee on Mental and Moral Philosophy made a similar report which was also adopted.

Jones Examined.

The Committee on Mathematics and the Natural and Exact Sciences reported that they had examined Mr Jones on these subjects in part only, and recommended that the examinations be sustained in part only. Adopted.

Jones.

Mr Jones stated to the Presbytery that he had studied the Latin, Greek and Hebrew, and the other studies required, but that he was not prepared to stand an examination on these branches of study at present, and that owing to his age and environments it was not probable that he could regularly pursue these studies again in College or Seminary.
The Presbytery being satisfied with the examination of Mr Jones, as a whole, on motion resolved to proceed to his licensure to night – immediately after the popular Meeting in the interest of Foreign Missions – if the way be clear.

Sustained

The unfinished business touching the Baptismal Formula was again taken up, discussed and completed. The vote was taken on the Minority report, which was defeated by 9 to 7. The majority report was then adopted, and the Overture of the Assembly ordered to be answered in the negative, thereby retaining the present Formula – "into" the name &c.

Foreign Missions.

Your Committee on Foreign Missions would respectfully report that the general interest in this cause has been well sustained throughout the bounds of Orange Presbytery.

Three of our Churches still support individual Missionaries – Durham, Greensboro and Winston. It is particularly gratifying to report that special interest has lately been developed by reason of the organization of of our "Ladies Foreign Missionary Societies into a "Presbyterial Union" The proceedings of the first regular Meeting of the Union, held in Greensboro. Sept 22. 1898. were published in pamphlet form and distributed among our various Congregations – a Copy being filed with this Report and submitted as a part of it. It will be seen that a very creditable showing was made by twelve Societies embracing a Membership of three hundred and thirteen – Contributions, $68.00 The Officers of the Society for the Current year are: – F. President Miss S. A. K. Dickson, Vice Presidents Mrs. J. A. Gilmer and Mrs Lettie Walker: Secretary and Treasurer Mrs. Brodie L. Duke. The next Meeting is to be held in October 1899. Sabbath

The Sabbath.

The Rev. J. McL. Seabrook presented the report on the Sabbath in answer to certain questions propounded by the Assembly's Chairman, the Rev. Dr. Stacy. The following answers were reported and adopted, and ordered to be returned to him.
1. About all that has been done to arrest

the evil of Sabbath desecration, is the preaching by the Ministers on this subject, but with what results we cannot say.
2. The day is very well observed by Church members: by others it is regarded as a day of recreation and pleasure.
3. We fear Sunday traffic and travel are on the increase, but do not think there is less travel and traffic on Sabbaths than other days.
4. Freight trains are not allowed to run and handle freight on the Sabbath, except with perishable freights.
5. Sunday Newspapers and their circulation and patronage, we fear, are on the increase.
6. We see no improvement in this matter of Sabbath Observance. The manifest tendency seems to be toward loose views and practices.

Little River Church.
April 26th 1899.

The Commission appointed by Orange Presbytery to visit Little River Church, consisting of Rev. R. W. Culbertson, Rev Joseph Evans, Rev. Daniel J. Currie and

Report of Commission

ruling Elders C. W. Johnston and J. A. Holmes, met in the Church at 2:30 o'clock p. m, and was opened with devotional exercises by Rev. R. W. Culbertson, Chm.
Present: Culbertson, Currie and Elder C. W. Johnston.

Rev. Daniel J. Currie was requested to act as Clerk.

Also present were, the Pastor of the Church, Rev. H. S. Bradshaw, and all the ruling Elders of the Church, except one, prevented by sickness.

A full and carefully hearing was given to all the parties concerned, as to differences between ruling Elder N. V. Ray and the Session. After prayer the Commission took recess to meet at the residence of Dr. A. C. Jordan.

Commission

At 8:30 p. m. the Commission resumed its sitting, privately, at Dr. A. C. Jordan's, and considered fully the statements made during the afternoon, and adjourned with prayer by C. W. Johnston to meet at the Church tomorrow morning at 8:30 o'clock.

Little River Church, April 27, 1899.

Commission met at the Church at 8:30 o'clock a. m, and was opened with prayer. Present with them - ruling Elder N. V. Ray and four other Elders, and Rev

H. S. Bradshaw.

Bro. Ray was then asked if he, with the light of yesterday's investigation before him, he would give the Commission the assurance that henceforth he would discharge the duties of his office. - This he declined to do.

Report of Commission to Little River Church

The substance of findings (1 and 2 below) was then stated to him, and after earnest advice and admonition, he was again asked to give assurance that he would resume his official duties. He again declined to do this.

The Commission then unanimously adopted the following as its decision as to the case in hand:

The Commission appointed to investigate and adjudicate certain existing differences in the Session of Little River Church, having fully heard, in open meeting, all the parties concerned, find as follows:-

1. That the failure of the Session of Little River Church to institute process of trial against F. G. Wilson for offensive language, furnishes no ground of complaint on the part of ruling Elder N. V. Ray against said Session, inasmuch as the offensive language had been retracted by said Wilson in open meeting.

2. That the Session of Little River Church has been culpably lax in the exercise of discipline, and they are hereby admon-

ished to be more dilligent in the future: but that this laxity on the part of the Session does not afford ruling Elder N. V. Ray sufficient ground for the neglect of his own official duties.

3. That, inasmuch as ruling Elder N. V. Ray, as a protest against the shortcomings of the Session, has entirely neglected all the duties resting upon him as an Elder in this Church: And inasmuch as this neglect has continued for six years, notwithstanding frequent efforts of the Session to induce him to resume these duties: And inasmuch as he indicates no purpose to change his past course, even upon the advice and admonition of this Commission, therefore it is —

Report of Commission

Resolved, That however pure his motives may have been, ruling Elder N. V. Ray is adjudged guilty of an offence against the peace and unity of the Church and the honor of Christ, and is suspended from his office in this Church until he shall give satisfactory evidence of willingness to return to the discharge of his duty.

Ruling Elder N. V. Ray was then formally suspended from the exercise of his office, according to Rules of Discipline, Par. 224.

It was also ordered that the findings of this Commission be read publicly from the pulpit of the Church.

After reading of the Minutes the Meeting was closed with prayer by Rev. D. J. Currie.

Mr. Jones having been licensed recently as an "extraordinary case", and examinations on certain other branches of Study having been omitted, the same course was now adopted. But, on mo-

tion, the Presbytery, being fully satisfied of his qualifications for the sacred office of Evangelist, and he having spent two and a half terms at the Seminary, determined to proceed to his ordination to night at the appointed time, if the way be clear.

Mr Jones.

On motion the appointment of some brethren to preach the ordination Sermon to night was dispensed with, but the Rev E. E. Gillespie was appointed to deliver the charge to the Evangelist, if the way be clear.

Charge.

The final decision in the matter of the resignation of Rev. J. A Paisley of the Mount Airy Church was then taken up, and the following paper was adopted—

Mr Paisley and Mt Airy Church.

The Presbytery having under consideration the question of accepting the resignation of Rev. J. A. Paisley as pastor of the Mt Airy Church, adopts the following preamble and resolution, to wit:

Whereas the Presbytery does not see its way clear now to change the grouping of the Mt. Airy Church with the Madison Church: And Whereas Rev. J. A. Paisley has not tendered his resignation of as pastor of the Madison Church: — And Whereas the acceptance of his

resignation as pastor of the Mt. Airy Church would necessitate his resignation as pastor of the other, therefore be it Resolved:

That the Presbytery declines to accept the resignation and dissolve the relation

Resignation not accepted.

On motion of the Chairman of the Home Mission Committee, the requests from Mt. Airy and Madison Churches, presented at the Stated meeting, for a change in the terms of their Calls, reducing the amount of Salary at Mt Airy from $300.00 to $240.00 pr year, and at Madison from $300.00 to $216.00 pr year, were granted.

S.S. Convention

Pending the hearing of this report, the Rev. Eugene Daniel D.D. of Albemarle Presbytery was invited to sit as a corresponding Member and introduced to the Presbytery.

Dr. Daniel

The Conference Committee appointed last Spring to confer with a similar Committee of Albemarle Presbytery touching the interests of Peace Institute at Raleigh, N.C., then submitted a full report through Rev. E.L. Murray D.D., Chairman.

Conference Committee on Peace Inst. Report.

Remarks were made by Dr. Murray Dr Daniel, and Prof. Denwiddie who was accorded the privileges of the floor; and the following paper, adopted by the Joint Committee of the two Presbyteries, Albemarle and Orange, was then offered for adoption by Orange Presbytery. It was unanimously adopted and is as follows:-

To Orange Presbytery:-

The Joint Committee of Orange and Albemarle Presbyteries

Joint Report

having maturely considered the paper of Prof. James Dunwiddie, President of Peace Institute, inviting the Presbyteries to assume a relation of general supervision, co-operation, advice and patronage towards the Institution which he controls as lessee and manager, would reply to the same by adopting the following resolutions, to be forwarded to the Presbyteries which these Committees respectively represent as recommendations for adoption.

Report on Peace Inst.

1. That the Presbyteries cordially reciprocate the courtesy of President Dunwiddie and the interest in the Church manifested by him in this communication.
2. That the Presbyteries accept the invitation to assume the relation described in the paper presented by President Dunwiddie.
3. That in order to carry this action into practical effect, the Presbyteries respectively appoint a Board consisting of Five Members from each Presbytery, the Chairman to be elected by itself, which shall be known as the Board of Supervisors of Peace Institute — whose duties shall be —

(1) To make annual visits to the Institution.
(2) To consult with the President and advise him as to what measures may seem needed to further the interest of the School and of the Church.

(3) To keep the Presbyteries advised as to the progress and welfare of the School and to recommend to these bodies the wisest measures for enlarging its usefulness, and for securing for it the widest patronage.
(4) And, in general, to ~~secure~~ serve as a bond of connection between the President on the one hand and the Presbyteries on the other — the further duties of this Board to be defined by the Presbyteries as developements may make necessary.

Signed { E. C. Murray. Chm.
{ W. S. Primrose. Sec.

Peace Institute

Subsequently to this Joint meeting, information was received to the effect that the "Pullen Stock" (amounting to a controlling interest in Peace Institute) had been purchased by President James Dunwiddie.

In conclusion, Your Committee recommend.

1. That Orange Presbytery approve and place on file with the Stated Clerk the above report as a whole.
2. That Presbytery adopt and publish in its Minutes the recomendations of the Joint Committee, thereby assuming toward Peace Institute the relation suggested by President Dunwiddie to wit: — "Such relationship of supervision, suggestion, free consultation, and patronage as may be consistent with the financial responsibility borne by myself, and conduce to our becoming co-workers in

Paper adopted on Peace Inst

building up the Presbyterian Church, in whose name and for whose interest the School has been conducted, and shall be even more decidedly in the future than in the past" — Prof Dinwiddie's letters.

Peace Inst. 3. That Presbytery express its warm gratitude to the late Stanhope Pullen, and to the heirs of his estate, who so long held this property in such a way as to guard the interests of our Church; and, rejoicing to know that Peace Institute is again in the hands of Presbyterians, pledge itself to earnest effort to make the School an important factor in the development of our Educational work.

Foreign Missions.

The following report on Foreign Missions was received and adopted:-

F. Missions

The Committee on Foreign Missions desires to call the attention of Presbytery to the forward movement, approved by the General Assembly, looking to the raising of $200 000. during the current Ecclesiastical year, as a special thank offering to signalize the dawning of the Twentieth Century, and urging the people to make the minimum of their contributions one dollar each.

We recommend that the October action

be formally endorsed by the Presbytery of Orange, and that our Ministers and Sessions be asked to encourage the work among the Churches by making some special effort.

Further, We would recommend that a week of prayer and self-denial be observed during the month of October, whenever practicable, at which time the various claims of this Cause shall be presented to the people, and the needs of the work explained, especially the movement to raise $5000. among the Children for the completion of the Congo Boat, now being built at Richmond Va. which sum is to be considered as their part of the Twentieth Century Fund.

F. Missions

We desire, likewise, to announce the second regular Meeting of the Ladies Missionary Union, to be held at Durham N.C. Oct. 26-27., and bespeak for this noble work the hearty endorsement and encouragement of all our pastors and members.

As a matter of special interest we wish to state that Rev. R. L. Wharton who has been under appointment to go as a Missionary to Brazil, has been changed to the new work in Cuba, and expects to leave for his field of labor about the middle of November. He is affectionately commended to the prayers of our people.

R. L. Wharton

Bible Cause.

Bible

The report of the Executive Committee on Bible Cause was received and adopted, and is as follows:—

At no time during the existence of the American Bible Society have its prospects been brighter for sending the Word of God to those who have it not. The acquisition of new territory, dominated in large measure by Roman Catholicism, increases our responsibility to give to those benighted ones the Word of God which is able to make us wise unto salvation through faith in Christ. In view of the great opportunities for Bible distribution, now afforded in Cuba, Puerto Rico, and the Philippines,

your Committee would urge unusual liberality among our people on the third Sabbath in October, the day appointed by our Assembly, for this Collection.

Printed matter for use in this Collection can be had of Rev. John Fox D.D. New York City.

N. D. LeQueux. Chairman.

Assembly's Minutes

The following report on the Minutes of the General Assembly was adopted:—

Your Committee would call attention to the following items:—

The Assembly requests Churches, Sunday Schools and Societies to raise this year, $40000. for its Home Mission work — asks Sunday Schools to make contributions on the Fifth Sabbaths for the support of Christian Schools in Indian Territory — appoints the last Sabbath in September as "Children's Day" for Assembly's Home Missions — and urges Pastors and Sessions to present this cause fully before Churches and Sunday Schools at the appointed time, to use the leaflets and Envelopes, and to appoint some suitable person to distribute them, reporting his name and address to the

Assembly's Secretary — p.p 417-8.
3. On page 425. The Assembly calls attention of Presbyteries to their duty and privilege in the support of the great work of the General Assembly, and earnestly, but affectionately urges upon them the prompt settlement of their accounts with the Treasurer of that body.

Miller. A collection was taken for Home Missions amounting to $20.39., and pending further discussion of Home Missions, Presbytery took recess until 2 Oclock p. m.

Third Day—Afternoon Session.

Caneyfields Church, N. C.
Thursday, Sept. 21. 1899.

Presbytery convened at 2 Oclock p. m., and resumed the unfinished business of Home Missions. A popular meeting was held, and addresses were made by Chairman R. W. Culbertson, Evangelist Allen Jones Jr., and Elder John Burgess.

Further consideration of Home Missions was postponed for the present but afterwards the report was taken up, together with its recommendations, and adopted. It is as follows:—

Home Missions Report

Report on Home Missions.

Financial: The amounts so far reported for the cause this year are so meagre that we are sure they do not represent the full contributions of the Churches at the August collections, and that a portion is being held back by the neglect of the Church Treasurers. Certainly, if nothing more has been contributed, we are falling lamentably short of meeting expenses, and a large deficit awaits us at the end of the year.

The General Condition of the Work: Affords grounds at once for hopefulness and apprehension. Difficulties and encouragements mech—Sunshine and shadow lie side by side: With some drawbacks, we may yet thank God for the manifest tokens of his favor, and take courage for the future.

1. In the Chapel Hill Field, we note the good general condition of the work, with betterment of finances and Church repairs in progress at New Hope and Chapel Hill, there being $1700. in hand, and soon to be raised to $2000, for renovation of Church building at Chapel Hill.

2. In the Caswell Field - the work is hopeful. Yanceyville is in good shape: Roxboro has taken on new life, and taken in five or six members since the recent meeting by Evangelist Black: A new preaching point being opened, three or four miles distant, at Sunny Side - Bethesda has had three or four additions, and Stony Creek five or six professions.

3. In the Wilkesboro Field - there have been seventeen confessions with thirteen names given for membership. At Wilkesboro prayer meetings and Sunday School continue good, interest being added to the latter by a new $40. library.

Home Missions

At Oakwood congregations are good and Sunday School vigorous, and a new Sunday School has been organized by Colporteur Coit at Lithia Springs. But the good congregations of Wilkesboro Church lie because of weak prayer meeting or Sunday School.

4. In the Stokes Field - In connection with the labors of Evangelist George, Churches have been organized at Pine Hall with 23 members, and at Sandy Ridge with 29 members, while 19 members at Pine Ridge (Cook's School House) have not been organized only for lack of material for officers.

In connection with Bro. Oliver's work,

Danbury has received one addition, and Dan River Church two.

Oliver

The resignation of Rev. S. S. Oliver was accepted to take effect August 31. 1899, and Rev. Cornelius Miller has been elected in his place, with the expectation that he will enter upon his work October 1st 1899.

Miller

We recommend:-

1. That Sandy Ridge Church, along with the olden Churches of Asbury, Dan River, Danbury and Snow Hill be assigned to the charge of Rev. C. Miller.

Grouping

2. Rev. C. Miller be clothed with Evangelistic powers for this field.

Committee.

The Report of the Ad-interim Committee, On Securing a better attendance of Ruling Elders at the the Church Courts, was submitted by Dr. George W. Long. The report brought forth stirring remarks from Rev. J. Currie, Dr. Doggett, G. W. Long, W. J. Lazier, D. I. Craig, R. D. Culbertson, W. P. McCorkle, and C. Miller. The report was adopted & is as follows -

Ruling Elders.

Discussion

Ruling Elders.

Your Committee appointed to consider means to be adopted in order to induce a larger attendance of Ruling Elders upon the Sessions of Presbytery, would say, that while we have not been able to carefully and fully consider this important question, we venture to

make the following suggestions:-
1. Ruling Elders will most likely take more interest when Ministers do - When Ministers are dilatory in attendance, and discharge their duties as Presbyters in a perfunctory manner, ruling elders may be expected to do likewise.

Ruling Elders.

2. Let the meetings be Spiritual - lay stress on preaching.
3. Let stress be laid upon the work, rather than upon questions of regularity.
4 Let ruling elders have more given them to do - e.g. put them upon committees, appoint them to make addresses &c.
5 Let the chairmen of all Permanent Committees secure beforehand two or three Speakers in the interest of the different aims of Church work, and let these Speakers represent Elders as well as Ministers. (Signed) Geo. W. Long.
J. D. Bason.
R. A. Hodge.

In view of the above report, the following resolution, offered by Rev. C. Miller, was adopted:-

Resolution of Thanks

Resolved: That the thanks of Presbytery be returned to the Committee, appointed to bring in a report making suggestions as to what may be done to secure a fuller attendance of Elders on the meetings of Presbytery, for these excellent Suggestions; And Resolved that the

Presbytery adopt these suggestions, and will endeavor to be governed by them in the future so far as practicable.

Elder A. J. Whitsett from Midway Church was excused for tardiness and enrolled.

Excused

The Commission, to which was referred for settlement the Case from Mebane Church, reported as follows:-

Mebane Church - Commission Report

Be it Resolved, That it is the unanimous judgment of this Commission that the Case from the Mebane Church should be referred back to the Session of that Church for adjudication; and at the same time calling attention of all parties interested to the fact that the Book of Church Order makes full provision for appeal in case there is dissatisfaction

Colored Work

Colored Evangelization.

The special order of the day being the hearing of the Report of the Executive Committee on Colored Evangelization, and the holding of a popular Meeting in the interest

of that Cause, the report was submitted by the Chairman, Dr Murray, and was received.

Interesting addresses were made by Rev. W. P. McCorkle, Rev. R. L. Wharton, Elder W. F. Carter and Rev. B. B. Palmer.

A collection amounting to $7.32 was taken, and ordered to be devoted to the Salary of Rev. B. B. Palmer. Collection

The report was then adopted, and is as follows:—

Report of Committee.

Your Committee would call your attention to:

Colored Work

1. The Nature of this work. "It includes the entering of a Mission field, the erection of Churches and Manses, establishing and maintaining Schools, the support of Evangelists and Pastors, the selection and training of a ministry—in short, every detail connected with the elevation of a race". The work embraces three important divisions—

1) Educational—industrial, academical, and theological. (2) Evangelistic—opening new fields and organizing Churches and Sunday Schools, (3) Sustentation—assisting in building Churches, and in supporting the pastors of weak Churches.

2 Our Incentives. The eight millions of Negroes in the Southern States present the most inviting mission field before our Church to day. It can be entered by men of their own color and race with no racial or religious prejudice to overcome,

no difficult language to learn, and without danger of persecution or climatic disease. The workers can be maintained at a minimum of cost. Our appropriation to them do not average more than about $40.— each (to our shame be it said). "The Presbyterian Church is peculiarly fitted to give the Negro what he needs — a soundly educated ministry, solid instruction, simple and quiet rather than ritualistic or emotional modes of worship, a simple and orderly system of Church Government and discipline, and a household in which the children will be carefully trained and instructed in the Word of God and in the faith of the Church. God has opened to us a wide door in Africa. The story of our Mission on the Congo may be classed among the wonders of modern missionary annals. How are we to enlarge the work in Africa, so signally blessed with God's favor, except by enlarging the work for the Negroes at home? And how absurdly inconsistent to send Missionaries to Africa, while we neglect the Africans at our door?"

3. Our Encouragements. There have been added last year to the Negro Churches under our Care 255 Members, an increase of over 15 per ct. There has been a marked increase in the number of Sunday Schools for Negroes taught by white people, and these Schools have rapidly grown in attendance. Some of them

are being organized into Churches.

4. Our Duties. We should fearlessly preach to our people on this subject, and take up the appointed collection. For this enormous work our whole Church has been giving the pitiful sum of about $6000. The Assembly asks this year for $15000. We should also engage in personal teaching, preaching and pastoral work among our Colored neighbors. We have let this poor man fall among thieves, who have stripped him and wounded him sorely.

Publication and Colportage.

The following report of the Agent of Publication and Colportage was received and adopted—

Your Agent for Publication and Colportage begs leave to report:—

1. In connection with the department of Church work as superintended by the General Assembly:— (1) From Dr. Hazen's report to the last General Assembly, we infer that Publication is making, if not rapid, yet sure and steady progress. (2)

And as regards the Assembly's Colportage work, we know that two of their Colporteurs, Bros Croit and Young, have been and are doing valuable work within our bounds.

2. As regards work here immediately under our supervision: Orders were given by your Agent and responded to, for Sabbath School and other Supplies, as follows:—

H. M. Joyce $9.15. E. E. Gillespie $11.50. C. L. Rogers $10., B. B. Palmer $7.45, S. S. Olive — $18.50, and I. I. Allen $7.25 — total $63.85.

Colportage

One of our Candidates, Mr. C. L. Rogers, has been, during his vacation, laboring as our Presbyterial Colporteur. Not having completed his work as he desires to, he has not furnished me with his report. But I have every reason to believe that he has been doing honest and faithful work.

Joseph Evans, Agent.

The following report on Leave of Absence was received and approved—

Resolved: That Orange Presbytery does hereby express its hearty appreciation of the cordial reception, the genial and liberal hospitality, and the unbounded Christian courtesies, of the good people of Hawfields Church and Community, including Hebane Church. We pray God's rich blessing and benediction upon them.

Present

The Stated Clerk made the following statement in reference to Oak Forest Church —

The Oak Forest Church Building, now in a dilapidated condition, and the lot on which it stands, are owned jointly by four denominations with equal rights and privileges, but the title is vested in the Presbyterians. One of these denominations, the Primitive Baptists, will build a new Church on this lot or near by it, and the Methodist and Missionary Baptists denominations desire to sell their interest to the Primitive Baptists, and it is probable that the Presbyterians will do likewise, and thereby relinquish the joint title to this Church and grounds. The Presbyterian organization has no Session, and only seven members, five of whom are women and two men.

Oak Forest Church

In view of the above statement and provided the above contemplated transaction is carried out, it was ordered that Rev. D.I. Craig be empowered to transfer the membership of the communicants of Oak Forest Church to some other organization, and that the name of said Church be dropped from the roll.

Dissolved

Peace Inst.

Peace Institute.

The Directors of Peace Institute, appointed at the last meeting of Orange Presbytery, would respectfully submit the following report:

1. In the judgment of the Directors the time has come when the two Presbyteries — Albemarle and Orange, must adopt some financial measures by which this Institution shall be enabled to extend its high advantages, not only to the wealthy, but also to young ladies of moderate means, in the section included within our Presbyterial lines.

2. The Directors have given earnest consideration of the question as to what would be the wisest measures for the Presbytery to adopt to this end, and have decided to ask authority to endow some of our stronger Churches, or groups of Churches, to take Scholarships — say of $60. each,

for the benefit of worthy young women, to be chosen by the Session, with the understanding that, in consideration of the same, the President of Peace Institute will grant to these pupils the lowest possible rates.

3. The Directors have authority to say that to every pupil entering under a Scholarship of $60. for Session, President Dinwiddie will grant the following terms: If three girls will room four in a room, as other Schools place them, he will give board, fuel, light, and furnished room, with tuition in English studies and languages, for $90. (Ninety dollars) a year, with Medical fee ($5.) which will entitle the pupil to all medical attention of the Institute Physician, and the attendance of a trained Nurse: And that one Music lesson from an Assistant will be given for $35. additional, and the use of Piano for practice ($5) for the year.

Peace Inst.

4. The Directors would suggest that Presbytery urge all our Pastors and Elders to regard themselves as in some general sense the agents of this School, and to all within their power to influence the young women of the Presbytery to avail themselves of its benefits. (Signed) E. C. Murray.

Excused

Elder Hiram Foard from the Leaksville Church was excused for tardiness and enrolled.

Col^d Evang^n

The report of the Committee on Colored Evangelization was taken from the docket and after further discussion, was amended and adopted. It is as

as follows: — Colored Evangelization.

We note with gratitude that the collections for this cause throughout the General Assembly show a slight increase over those of last year: that Stillman Institute has had a prosperous year — has 35 Students in attendance, and is working its industrial plan most satisfactorily: and that the total expense of the Institute for some months have been less than the former pay of one teacher: that the number of Colored Ministers in the field at work is greater than ever before, and that they are all paid up in full.

Colored Evangelization

We would urge however that the work is too small still, and the progress too slow, for the needs of the field: that our Ministers and people should be aroused to a sense of their responsibility for the souls of these millions of destitute ones within our gates: that we organize Sunday Schools for negroes to be taught by White People wherever practicable; and that our Ministers preach to the negroes as often as possible.

There has been contributed to this cause by our Presbytery, $233.92 of which the following amounts have been paid out: to Rev. B. B. Palmer $34.20, to cancel note at the Bank $44.84, to Rev. C. B. Ward $25.00, to Rev. S. G. Walker $25.00, and for Postage $1.27 — total $130.31, leaving balance in hand of $103.61. It is with great pleasure that we announce that the debt which has for several years rested like an incubus upon this work has been entirely liquidated, that we have had three Colored Ministers employed, all of whom are paid

in full, and that there remains a balance in the treasury which enables us to inaugurate a better work for the future — We present herewith the reports from our workers in the field.

We Recommend:

That the following appropriations be made for the ensuing year: To Rev. B. B. Palmer $40.00, as Stated Supply of Elkin Church: to Rev. C. B. Ward $25.00, as Stated Supply of Elkin Church: to Rev. S. G. Walker $75.00, for services in N. Overture

The attention of Ocmulgee Presbytery having been called to the fact that the Salary of the Secretary of Foreign Missions has been increased from $2500. to $3000. — and inasmuch as this Salary is much larger than the Salary of any General Assembly Secretaries, the Presbytery respectfully Overtures the General Assembly to investigate this action thoroughly, and unless in the Judgment of the Assembly this action is fully justified, to reverse it.

Calah Ch.

1. That the organization be given up, and its four members be transferred to the Asheboro Presbyterian Church.

The Committee on Installations reported that Rev. W. S. Bradshaw was installed Pastor of Eno Church, at Cedar Grove N.C., on the 31st day of December 1899, in accordance with the order and program of Presbytery. Approved.

Publication and Colportage.

Pub. & Col. partage.

The Agent of Publication and Colportage submitted his report which was received and adopted: As follows.

1. As regards our Presbyterial Colportage work done -

As shown in our last annual report there was due by us $14.70. This indebtedness was promptly settled by our Presbyterial Treasurer out of funds collected for the general cause.

As regards funds collected for this cause, in my last annual statement, I reported $135., but in Sept. 19. 1899 I learned from our Presbyterial Treasurer that there was available as our share of the fund $78.62. Out of this I have paid to Mr C. L. Rogers for sales of books supplied by our Publication Committee $74.24, being 20 per cent on the Catalogue Price of the books sold by him. The balance remaining $4.38 I paid him for religious services discharged by him in conducting prayer meetings, addressing Sabbath Schools, and visiting and praying with the sick. He was at work nearly two months. We therefore closed the last Ecclesiastical year owing nothing, and with nothing in the Treasury.

Publication and Colportage.

But further - Orders for Sabbaths and other supplies were given to the following Presbyterial laborers - Namely: To Rev. S. S. Oliver in his work, $8.50. To Mr D. M. Ivey for a Mission School in Milton, $9.80. To Mr Alfred McGee for a School taught in the Church of Rev. B. B. Palmer, $3.50. Total $21.80.

As regards our work for the year on which we have entered, our Presbyterial Treasurer reports as received up to March 31st, about $175. We cannot but hope that only delay in taking up the collection, as in transmitting funds collected, this sum will be greatly increased, coming up to the Assessment, a very moderate one

for so important an object – would more than double this.
I have not secured any one as yet to act as Colporteur for the coming summer, and should be pleased to correspond with any one desiring the work.

Pub. + Col'p

As regards Publication and Colportage as conducted by the General Assembly's Agent, Dr. Hazen reports that Publication is making, if not rapid, yet sure and steady progress. And he has six to eight Colporteurs at work within the bounds of the General Assembly. Two of these, Messrs Cain and Young, have been doing valuable work within our bounds during several months of the past year.

Resig'n of Doggett.

Rev. M. T. Doggett D.D. tendered his resignation as pastor of the Burlington Church, and asked that the pastoral relation between him and said Church be dissolved.

Burlington Ch.

A communication from the Burlington Church was then read and found in order, and reluctantly concurring in the request

thereupon on motion, the pastoral relation between Rev. M. T. Doggett and the Burlington Church was dissolved; and Bro. Doggett, at his own request, was granted a Certificate of dismission to unite with the Roanoke Presbytery in Va. Doggett dismissed

And the following resolution was adopted:

Resolved

Resolved: That in parting with Bro. Doggett we desire to express and place on record our sincere affection for him as a brother, and our confidence in him as a faithful and efficient Minister of the Gospel. We invoke upon him and upon his family God's rich and abundant blessing, and pray that his labors in his new field to which he goes, may be crowned with abundant success.

On motion, Rev. W. P. McCorkle was appointed to preach at Burlington, at his earliest convenience, and declare the pulpit vacant.

Your Committee would call attention to the following items:-

1. That our contributions to the cause of Foreign Missions be increased, it is urged that the minimum standard of liberality to which we strive to obtain for the present Ecclesiastical year be one dollar per member, and that we labor to bring each congregation ultimately to contribute to the cause of Foreign Missions an amount equal to that given for the support of the pastor. — F. Miss.

2. That our Presbyterial Agents to whom is intrusted the interest of the Bible Cause, resort to some better methods of bringing this worthy object to the attention of pastors and Churches at the time the collection is to be taken, and that the Churches be urged to the hearty and liberal support of it. — Bible

3. That Rev. J. W. Goodman be appointed, in stead of Rev. S. S. Oliver, on the Examining Committee of Geography and History.

Cornelius Miller, Chm.

The Committee on the Narrative presented the following, which was adopted and ordered to be sent up to the General Assembly.

The Narrative.

The reports from our Churches as to the attendance upon the Services of the Sanctuary, of members and others, are, almost without exception, encouraging: the congregations are generally good, and in some instances increasing.
Narrative
We note no improvement in respect to the observance of Family Worship. The great majority of Christian parents still neglect to assemble their families to pay their daily homage of prayer and praise to the God of Abraham, Isaac and Jacob to whom our Master taught us to pray — "Our Father give us this day our daily bread."
The Sabbath is fairly well observed by most of our members as a day of rest and worship and religious activity, but the day is sadly desecrated by many of our Members by social visiting — reading the secular Newspapers — traveling on the trains — and neglecting the worship of God in the home, the Sunday School, and the Church.

Nearly all of our Churches have regularly conducted Sunday Schools, in which most of our Children are fairly well taught in the

Scriptures, and in the Catechisms of the Church.

There is a deplorably general neglect of parental instruction, but some improvement in this respect is reported in a few of our Congregations.

Our people are, as a rule, comparatively faithful in worshiping the Lord with their substance, and many deserve special commendation. A few congregations are improving in this respect. Some of our Churches, however, are sadly deficient in this grace of Christian liberality.

Narrative

About thirty of our Churches report the pastor's salary as paid in full, - about ten report a partial failure to meet their obligation - a few in Evangelistic fields promise nothing and pay nothing.

While but few of our Churches report any special evidence of Spiritual life and growth and activity, most of our Congregations are in a normally healthy condition, and some of them manifest very encouraging symptoms of a steady growth in all the graces of the Spirit. A number of them have been greatly revived by special Services and have received large accessions to their membership.

There is but little participation in worldly amusements and sinful indulgences that are the most conspicuous forms of worldly conformity, such as dancing, Card playing and drinking - but we fear that but too many of our Members in their business methods, social life, and private

conduct, are governed too much by the Spirit of this world.

Only about ten of our Churches are engaged in Evangelistic Services outside of their own Congregations.

E. C. Murray, Chm.

The same above Committee reported on the questions in Dr. Stacy's Communication in reference to the Sabbath. The questions are the same as in former years, and the answers adopted were comparatively the same as heretofore. Sabbath

The Chapel Hill Field.

New Hope

New Hope has 101 members, two having been received by letter this year. It is in good working order. The grace of Self-reliance is being developed in the members. The Church building has been repaired, and will be further repaired. Arrangements are being made to give this

N. Hope Ch

Church services twice a month.

C. Hill Ch

Chapel Hill has 63 members, two having been received by Profession and five by letter this year. The work is going on smoothly. The attendance of Students is good, in securing which the Westminster League has done good work. The sum of $2000. for Church improvement is nearly all subscribed, and work will commence immediately upon the close of the Session of the University.

The Caswell Field.

Yanceyville

Yanceyville Ch

Yanceyville - Though there has been no special Revival, yet there is ground for encouragement in this Church. Two very valuable members have come to us from other denominations. The Sunday School is doing well. A Men's, and also a Ladies, Missionary society will be organized. In connection with work here there is occasional preaching at the Home for the aged and infirm, and during the Summer, a preaching point six miles in the Country.

Bethesda

Bethesda. The work here is encouraging to a degree. Two young men have been received, but there is not altogether that interest among the members there should be.

Stony Cr.

Stony Creek. Five or Six members have been received on Profession. Sunday School and Missionary Societies are in successful operation. An increase of $25. has been made on the pastor's Salary; and

in this connection services are to be held at Glencoe Factory six miles distant.

Roxboro

Roxboro - Though while greater liberality is to be desired, the work here is in fairly good shape. The Sunday School is doing well. A missionary Society was recently organized, and as a result of a meeting held by Bro. Wm Black there have been seven or eight accessions, and others may follow.

The Wilkes Co. Field.

Elkin

Elkin - There have been two additions on profession: the Sunday School is taking on new life: and the attendance has been as good as usual - but the work has not been as Satisfactory as in former years; the pastor has not been able to do his customary pastoral work, and the Church has been comparatively inactive.

Wilkesboro

Wilkesboro - Here there has been wonderful progress. A recently organized Sunday School with an average attendance of thirty, is increasing in interest. A live Prayer Meeting with good attendance is conducted - in which several lead who never prayed in public before. The Congregations are growing - Five have joined on profession and there is a prospect of financial improvement.

N. Wilkesboro

N. Wilkesboro - This Church is in good condition. The Prayer Meeting is well patronized, and nearly every member belongs

to the Sunday School and attends, and a $40. library has been purchased. Besides contributing to other Causes, the Sunday School has given, this year, $100. to Foreign Missions.

Oakwoods. This is a Mission Sunday School. It has again resumed, after having been suspended since January, and is in a Satisfactory condition. The Bible and Catechisms are memorized, and good congregations attend the preaching service, and one member has been added to the W. Wilkesboro Church.

Oakwoods.

The total number of professions in the Wilkesboro Field Lane been twenty-two, and the number of accessions, Eight.

Stokes Co. Field

Evangelist, R. W. George - Has not done his usual amount of preaching on account of trouble with his voice. However, he has held several meetings with about twenty five professions, most joining the Presbyterians. He has another Church ready to be organized, and Church building to be dedicated, at Cook's School House. This would have already been done, but for the Small-pox in the Community.

George

Evangelist, Cornelius Miller - Has been laboring in this field for about six months past, succeeding Bro. Oliver who left in July, and having charge of the organized Churches of the field. The outlook here is not as bright as could be desired. There is much encouragement at Pine Hall and Sandy Ridge, and least at Asbury and Snow Hill. Ten have been added to the Churches - five by profession and five by letter from Cook's School House.

Miller

A schedule of Bro. Miller's appointments for a month will be interesting and instructive:

Miller's Schedule

First Sunday: the morning, and the Saturday afternoon previous, at Pine Hall; and the evening at Wall's or Mitchell's School House.

Second Sunday: the morning and previous Saturday afternoon at Dan River, and Evening at Peter's Creek Academy.

Third Sunday: the morning and Saturday afternoon previous, at Sandy Ridge, and the evening at Snow Hill.

Fourth Sunday: the morning and Saturday afternoon previous, at Asbury, and the evening at Mitchell's School house or Albion.

Every Wednesday night (and all idle Sundays?) at Danbury.

II. Synodical Home Missions.

Synodical Home Mission

This work is in a most flourishing condition. Seventeen Evangelists and Twelve Summer workers are engaged. About $9000. has been raised in the Synod, and of this $1752. by this Presbytery. There have been many professions of faith, and most gratifying development of Christians. Several new Churches are in course of erection, and no part of this work is more encourag-

ing and stimulating than that within the bounds of our own Presbytery.

III. Assembly's Home Missions.

Assembly Home Miss's.

To this cause we have contributed $366. This sum is pitifully small in comparison with what we are doing nearer home, and especially with the great needs of crying destitutions of the South West. This great region is filling up, and the struggle is being decided whether religion or irreligion shall prevail. Presbyterial and Synodical Home missions we ought to do, and not to leave Assembly Home Missions undone.

The Invalid Fund.

Invalid Fund.

For this Cause we have done better, having given $407. Dr Craig writes— "If other Presbyteries had all done as well as Orange (and thirteen did) the beneficiaries would have been paid in full." If we attain ourselves to the first three, let us keep our place in the fourteen. This is a Cause so holy, and an appeal so pathetic, that it ought to be irresistable. If we shut up our bowels of compassion towards these widows, Orphans, and infirm Servants of the Master, how dwelleth the love of God in us!

Recommendations.

Introduced

The Rev. Lewiston Johnson of the Baptist Church was introduced to Presbytery and invited to sit as a visiting brother.

L. M. Kerschner Received.

The Rev. Lewis M. Kerschner of the "Reformed Church in the United States," presented a certificate of dismission, in regular form, from the said Church, to unite with the Presbyterian Church.
The suggestion was made by the Stated Clerk that the matter of receiving this brother be deferred until a subsequent meeting; but it was moved and carried that we proceed at once to receive him.
Whereupon, he was examined on experimental religion, and the questions propounded to Candidates for ordination, thereby revealing his soundness and his views touching theology &c. These examinations were sustained as satisfactory, and the Moderator formally propounded the questions prescribed by our Book, which were answered in the affirmative, and he was given the right hand of fellowship, and received into the Presbyterian Church, and his name enrolled as a Member of Orange Presbytery.

Doctrinal Sermon

On motion, it was ordered that a doctrinal Sermon on Sanctification be preached at our next meeting of Presbytery, and

Evans

that the Rev. Joseph Evans be chosen to

Forty-three Churches report 52 Schools, the rest of the Churches make no report at all. But these 43 Churches report more Scholars and Teachers and money for current expenses and other objects than were reported last year.

S. School

Though a gratifying number have been admitted to the Communion from the Schools, yet the number is not as great as last year — 166 this year to 196 last year.

1. Almost all of the Schools are under Sessional control, the few exceptions being Union Schools.
2. The Children generally attend upon the public worship of the Church.
3. Of the Standards of the Church, only the Shorter Catechism is taught in the Schools.
4. In very few Schools are the Scriptures memorized, in very many the Shorter Catechism is.
5. With very few exceptions the Schools use our own publications.

S. School

6. Some Schools have enjoyed a precious revival of religion, but the most report no special religious interest — a sad feature.
7. In only a few Schools are Teacher's Meetings held.

Recommendation.

That a Sabbath School Convention be held at the next Stated Meeting of Presbytery, on the morning of the second day, and to be continued as long as may be desirable.

Call accepted

The following report of the Executive Committee on Colored Evangelization was received and adopted:—

Colored Evangelization.

We note with pleasure the many encouraging features of our General Assembly's work—

1. Evangelistic. Thirty-Seven Sunday Schools for Colored people are now taught by white teachers. These include 1987 scholars and 179 teachers. In at least 28 of these Schools, the Bible and Catechisms are memorized; and cheering reports come from some of them as to conversions. One pastor writes — "I never saw a more hopeful work, and am amazed that I have not sooner realized its possibility."

Colored Evangelization

2. Sustentation: The number of Colored Ministers receiving aid is larger than ever — 53 being now on the rolls.

3. Education: The work of Stillman Institute is now maintained throughout the entire Calendar year. Last year there were 50 Students. The industrial feature still promises to be a gratifying

success, reducing cost, and cultivating a spirit of self-help. The North Wilkesboro Industrial Institute is being operated by the Assembly's Committee under the management of Rev. S. G. Walker.

4. Financial: The Assembly's Committee received last year an increase in contributions of $1000. over the previous year, and reported a balance of $333 6. in the Treasury with which to carry on the work till December.

Colored Evangelization

The Independent Colored Presbyterian Church has assumed as their official title- "The Afro-American Presbyterian Church" The Presbyteries of Ethel and Central Alabama still refuse to join this body, and remain connected with our General Assembly.

As to our Presbyterial work, we gratefully report a genuine revival of spiritual life in the Clark Memorial Church at Danbury, as the result of a two week's meeting conducted by our Evangelist- Rev. S. G. Walker. There were fourteen conversions, and among this number were two of the heads of families. The remainder were from the Sunday School. There were also a number of backsliders reclaimed. Several of the most inveterate sinners, whose ages range from 40 to 60 years, were brought to tears and asked for prayers, and promised to amend their course of living. The prospects

of the Colored Presbyterian Church were never brighter than at present."

In conclusion we urge our pastors and all our Members to utilize every opportunity for work among their Colored neighbors: to remember the Collection in December,- Colored Evangelization and to put Rev. D. Clay Lilly, the Assembly's Secretary of Colored Evangelization, in correspondence with young Colored men who could be properly admitted to the Stillman Institute in either department- Academic or Theological.

Chairman.

The following report from the Chairman of the Executive Committee on Church and Christian Education was presented through the Stated Clerk, received and adopted.

Church and Christian Education.

Church and Christian Education

As Chairman of the Committee of Church and Christian Education, I present the following report-

In the Spring of 1895 Presbytery authorized a note of $500. to pay in part the indebtedness of the Presbyterial High School at Mebane N.C. This note was taken by Mr Geo. W. Watts, Durham N.C., the interest on the same and partial payments have been paid out of the funds collected through the annual offering for this Cause. A balance of about $150., more or less, re-

the debt

mains unpaid.
Subsequently another note of $250. was authorized by Presbytery to cancel all indebtedness of the School this note is held by Prof. Alphonso Smith of Baton Rouge. The interest on this note for one year only, and a small payment has been paid. A balance of $230. more or less, has yet to be paid. The Holder of this note has been much inconvenienced by the failure of Presbytery to take it up, and he has placed it in the hands of the Southern Loan & Trust Company for Collection. It appears then that Presbytery owes and has owed for about five years, in round numbers $400.- and this in Spite of repeated efforts and appeals on the part of your Chairman for funds to meet these notes. These notes, brethren, ought to be paid, and that promptly — the honor of Him who came not to destroy but to fulfil the Law — whose representatives we are, demands it — the good name of our beloved Church demands it — Our example to the world demands it — Common and Christian Courtesy demands it — to these brethren who in their Kindness took and hold these notes, when no Bank would do either, demands it — the prosperity and progress of

Church and Christian Educa.

The debt.

the great and important Cause of Church and Christian Education demands it. And until we make a determined and successful effort to meet these obligations, the brand of dishonest men is upon us. I appeal to you, therefore, to make such an effort at this Meeting of Presbytery, and thus remove a stigma from our beloved Presbytery.

L. B. Turnbull.
Chairman.

In reference to the above report, the following action was taken —
The Executive Committee on Church and Christian Education is hereby authorized to borrow again, and sufficient money to pay off in full these notes against the Presbytery on account of the Webb School; and it is hereby ordered that all the funds collected in the future for Church and Christian Education be applied to the payment of these notes until the debt is cancelled.

Action taken to pay off the debt.

The following report on Publication and Colportage was received and adopted —

Publication and Colportage.

Pub. & Col'p.

Since my last communication in April, your Agent has not much of special interest to report —
Up to date the Treasurer reports nearly $160. as received for this Board. Of

Pub. & Colp.

this amt. one half was forwarded to the Assembly's Treasurer, and the other half retained for Presbyterial work.

Sikes

Soon after the closing of Davidson College we secured the services of Candidate W. M. Sikes as Colporteur. But chills and fever so interrupted his work that four weeks was all that he could give to it before returning to Davidson. But during this time he was able to sell, according to Catalogue prices, $89.50 worth of books. He has been paid $20., of which $17.69 was his Commission, and the remainder for religious services rendered outside of his special work.

Joseph Evans, Agent.

Attendance reported

Rev. E. L. Murray D.D. as Commissioner, reported his attendance on the meeting of the last General Assembly. The report was approved.

Temporary Supplies

The list of temporary Supplies, appointed at the last Meeting (See Minutes, page 124) was called, and it appeared that most of the brethren had performed their duty, or would do so before the Spring meeting of Presbytery.

Saxapahaw

Rev. E. L. Murray D.D. reported that the Commission appointed at the last meeting to install officers in the Saxapahaw Church had performed that duty. The report was approved and the Commission discharged.

On motion the election of a Trustee of Davidson

College, and the election of the Executive Committee on Church and Christian Education, Bible Cause, and Publication and Colportage, were referred to the Committee on Nominations for Nominations

Returned

It was made the first order of the day for tomorrow afternoon to hear the report on Foreign Missions

order

Hist. Sketches

It was ordered that historical sketches of the Churches of Buffalo, Bethlehem and Little River be prepared and read at the next Fall meeting of Presbytery, and that the Pastors of these Churches be requested to perform that duty.

Devot. Report.

Request

Egbert W. Smith.
Chairman.

The Stated Clerk reported that he had recently had a conference with Candidate Charles H. Johnston and that Mr Johnston had requested him to ask the Presbytery that he might be permitted to withdraw his name from the roll of Candidates for the Ministry. Mr Johnston stated that he had not yet given up the hope that he might yet preach the gospel, but his conviction of that duty was not as strong as he desired, and in his present unsettled state of mind as to his life work, though at present he was wedded to the great work of teaching, he felt that it would be best to withdraw his name as a Candidate for the Ministry.

Candidate Johnston dropped.

In view of these statements it was moved and carried that the name of Mr. Johnston be dropped from the roll of Candidates, and without censure.

"

At the request of Dr E. W. Smith, it was moved and adopted that he be allowed to resign the Chairmanship of the Executive Committee on Education for the Ministry; And in accepting his resignation the Presbytery most heartily extended to him its sincere appreciation and thanks for his long and faithful and efficient service in that position.

Foreign Missions

Presbytery met at 2 Oclock P. M. and observed the order of the day, viz, a popular meeting in the interest of Foreign Missions. Rev. E. C. Murray D.D. presided and preached a sermon on the text Ezk. 47:3-4, and in the absence of the Chairman, Rev. R. E. Caldwell D.D., the report on Foreign Missions

was prepared and presented by Rev. Daniel J. Currie. It was received with marked interest, and its recommendations adopted. It is as follows: —

Foreign Missions.

In the absence of Rev. R. E. Caldwell D.D. Chairman of the Committee on Foreign Missions, and being requested to present a report for him, I beg to submit the following facts and suggestions concerning this great Cause.

Report Foreign Missions

I Looking for a month beyond Presbyterical bounds we note with gratitude and thanksgiving to God a few of the evidences of the enlargement and increasing prosperity of Foreign Missions in our Church.

(1) The hand of God has been on our devoted Missionaries in their various fields of labor, especially in China, where they have been protected from the malice and violence of men. For this we should be very grateful.

(2) Our newly opened mission in Cuba, where labors a Son and Member of this Presbytery, Rev. R. L. Wharton, has been signally blessed.

(3) Our Church now has the largest number of Missionaries in her history — 163., twelve of whom were sent out during the last Ecclesiastical year.

(4) The net receipts of our Assembly for this Cause during the last ecclesiastical year foot up the splendid sum of $161.170.74. — an increase of $16.180.64 above the receipts of the

year preceding.
(5) The children's gifts have at last found fruitage in the completion of the Congo Boat which has now gone upon its mission of mercy to the heathen in Africa.
II Looking next at Foreign Missions within our own bounds – we find:
(1) That Orange Presbytery while fifth as to the number of Communicants among the Presbyteries of the Assembly, ranks third among these as to Contributions to Foreign Missions; and claims first rank as to this Cause in the Synod North Carolina, though two other Presbyteries have a larger number of Communicants.
(2) That the 5850 Communicants of Orange Presbytery, last year, Contributed to this Cause the sum of $4828. as against $2676. contributed the preceding year by 5570 Communicants. The average contribution to Foreign Missions within our bounds was therefore, 82½ cents pr Member, against 66 cents pr member the year previous.
(3) That of the 57 Churches which our Presbytery reported last May to the Assembly, all contributed to this Cause save 9, and of these 9. one was newly organized, two were small Colored Churches, four were vacant, and the other was a dormant Church lately revived. This is very gratifying indeed and shows how near lies this unspeakably important Cause to the hearts of our people.

Foreign Missions Report

(4) Twenty-Six Churches show an increase over their contributions to this Cause the year previous – some a very marked increase – and are as follows: Asbury, Asheboro, Bethel, Bethlehem, Burlington, Chapel Hill, Danbury, Durham, Elkin Col.ᵒ, Fairfield, Gilead, Graham, Friers, Hawfields, High Point, Hillsboro, Jamestown, Mebane, Milton, N. Wilkesboro, Roxboro, Snow Hill, Unionworth, Westminster, Winston and Yanceyville. Especially noticeable here is the increase at Burlington, Durham, Fairfield, Graham, High Point, Roxboro, Westminster, Winston and Yanceyville.
On the other hand the following fifteen Churches show a falling off in their contributions to Foreign Missions – Alamance, Bithany, Buffalo, Cross Roads, Elkin 1st, Greensboro, Leaksville, Madison, Little River, New Hope, Red House, Reidsville, Speedwell, Springwood and Stony Creek.
(5) As compared with Presbytery's apportionments seven Churches – Bethesda, Cross Roads, Elkin Colᵒ, New Hope, Reidsville and Wilkesboro – met their apportionments. The following twenty Eight Churches fell below their apportionments – Alamance, Asbury, Bethel, Buffalo, Ebenezer, Clark Memorial, Dan River, Elkin 1st, Elon, Ezo, Gilead, Graham, Friers, Hollaways, Little River, Madison, Midway, Mt Airy, Red House, Pine Hall, Rougemont, Snow Hill, Speedwell, Springwood, Stony Creek, Unionworth, Northville and Sandy Ridge. The following twenty one Churches went beyond their apportion-

ment – Asheboro, Bethlehem, Burlington, Chapel Hill, Danbury, Durham, Fairfield, High Point Hillsboro, Greensboro, Hawfields, Jamestown, Leaksville, Lexington, Mebane, Milton, North Wilkesboro, Roxboro, Westminster, Milton, and Yanceyville.

(b) Classify the Churches according to gifts pr member, we find –

Foreign Missions Report

(a) That the following Churches averaged less than 10 cents pr member – Alamance, Asbury, Dan River, Gilead, Little River, Pine Hall, Spenduell, and Springwood.

(b) The following more than 10 cents but less than 25 cents – Bethany, Bethel, Bethesda, Buffalo, Elkin Cal^{a}, Griers, Madison, Midway, New Hope, Red House, Snow Hill, Stony Creek, Satchaham, Wentworth and Hillsboro.

(c) The following more than 25 cents but less than 50 cents – Bethlehem, Cross Roads, Danbury, Elkin ish, Fairfield, Hawfields, High Point, Jamestown, Lexington, Leaksville, Mebane, Reidsville and Roxboro.

(d) The following more than 50 cents but less than $1.00 – Hillsboro, Milton, Westminster and Yanceyville.

(e) The following more than $1.00 but less than $1.50 – Asheboro, Burlington, Chapel Hill, Graham and Greensboro.

(f) The following more than $2.00 but less than $3.00 – North Wilkesboro and Winston.

and Durham Church the banner Church of the Presbytery – it gives $3.81 pr Member.

These facts show that we have great cause for rejoicing at the improvement along Foreign Mission lines, and yet there is room for improvement. The large liberality of some of our Churches and the pr capita increase in others show what may be done by other Churches when once they are aroused by an earnest spirit of Missions. That these may be inculcated, we would recommend –

Foreign Missions Report

1. That all our pastors urge our people to subscribe to the Missionary and Childrens Missionary
2. That our ladies (where they have them not) be encouraged to organize Ladies Missionary Societies, and then connect themselves with the Ladies Missionary Union of the Presbytery.

Also we recommend that an earnest and determined effort be made all along the lines to make the gifts to this Cause next year average $1.00 for every Communicant in the bounds of Orange Presbytery.

Daniel J. Currie –

The second order of the day for the installation of Rev. J. H. Hammet Ph.D. as pastor of Little River Church was taken up, and it was moved and carried that the regular installation Sermon be dispensed with, the Presbytery having just heard a Sermon from Dr. Murray in connection with the report on Foreign Missions, Whereupon the Rev. W. T. Gillon presided and propounded the constitutional questions, which were answered in the affirmative; and the Rev.

Hammet installed pastor

J. McC. Seabrook delivered a charge to the pastor, and the Rev. W. A. Gillon charged the people. The Rev. J. N. Hammet was then declared as having been regularly installed pastor of Little River Church, and a great number of the people came forward and gave him the right hand of fellowship and of welcome.

Home Missions

The report of the Home Mission Committee was again taken up and remarks were made by Rev. E. E. Gillespie in connection with Synodical Missions and finances. The report was then adopted and is as follows:-

Presbyterial Home Missions.

Taking the condition of the work as a whole, there is much ground for encouragement and hope.

In the Chapel Hill Field - The outlook is bright. Extensive improvements are being made on the building at Chapel Hill. Some improvements also are in progress at New Hope. This Church now has services twice a month, and has received two members recently.

In the Caswell Field - The work is in good shape. In a meeting conducted by Evangelist Black at Yanceyville, there were 20 or 30 professions, and three members were added to our Church with more to follow. At Roxboro, there is encouragement, two heads of families expecting to join our Church

In the Wilkesboro Field - The conditions are hopeful. There is continued good attendance upon the preached word, and the Sabbath Schools are

doing good work. A summer School is being conducted at "Hotel Lithia", six miles east of N. Wilkesboro. The day School at Oakwoods however is not in operation at present.

In the Stokes County Field - Rev. C. Miller has had charge of the entire group of Churches, and Pine Hall until June 1st, Bro George supplying Asbury up to that time. The work shows signs of encouragement, except that the people are not growing rapidly in liberality. At Sandy Ridge there has been one addition; at Snow Hill two professions but no additions; at Dan River Several professions and three additions; at Asbury twelve additions and a refreshing of the Church, and two Elders elected; and at Pine Hall (served part of the time by Bro Miller and part by Bro George) four additions. Evangelist R. W. George has assisted Bro Miller by supplying Asbury to June 1st, and also in meetings at Asbury and Dan River; he has held meetings at Pine Ridge, in which there were seven accessions. There is a Church at this point of twenty members, and a Church building dedicated.

Home Missions

In the Rockingham Field - Candidate J. B. Story began work June 1st. The Churches are in fairly good Spiritual condition. There is good attendance upon preaching and prayer meetings, and good Sabbath Schools are in operation in them all. An effort is being made, with some promise of success, to start a mission work near Stark

work. At Avalon a mission has been opened with preaching two Sunday afternoons in the month, and a Sabbath School of 50 or 60 Scholars organized. The Mills at this place will open November 1st, and by that time some ten Presbyterians will be on the ground. Money is being solicited to build a Church at this place, and $200. has been raised, with promise of more. The building should be erected at once.

Home Missions

In the Alleghaney Field — Evangelist D. A. Murray began work in July. His is pioneer work, and necessarily slow at first. He has preached twice a Sunday and spent much time in visiting the people. One hundred and Seventy-two families have been reached, and wherever practicable family worship has been conducted. The preaching Services have been well attended, and the people seem favorably inclined toward Presbyterianism. The prospect in this hitherto unworked field is inviting.

The Report on the Minutes of the General Assembly was taken from the docket and considered and adopted — as follows:

Minutes of Assembly

Your Committee finds in the Assembly's Minutes the following matters which

seem to require present action on the part of the Presbytery —

1. On page 630 we find the following in the report of the Special Committee on the "Hymn Book."

"That the list of Hymns selected by the Committee be referred to the Presbyteries, with a view of having the whole matter get before the Sessions for criticism and advice. — That the Presbyteries be directed to appoint Committees to receive the suggestions of the Sessions, to tabulate them, and forward the same to the ad-interim Committee of the Assembly on the Hymn Book, not later than January 1. 1901."

Minutes of Assembly

2. On page 633, in the report of the Committee on Sunday Schools and Young People's Societies, we find the following.

"We recommend that the matter of employing a man who shall devote his whole time to the development of our Sunday School, Young People's Society, and Colportage work, the Salary and expenses of this office to be paid from the Sunday School Day Collections, be submitted to the Presbyteries for approval at the fall meeting."

3. Your Committee would simply direct attention to the following matters not requiring present action of Presbytery.

(1) On page 633 the Churches are urged to set apart the First Sunday in October as "Sunday School Day," to enlist, so far as possible, the interest and Co-operation

of the whole Congregation in the Sunday School work.

Minutes of Assembly.

(2) An ad interim Committee was appointed to prepare a Graded System of Lessons for our Sunday School work, to take the place of our International Series now in use — p. 637. This is a matter of importance to the Church, and Pastors and Sunday School Workers should communicate freely with the Chairman of this Committee, namely, Rev. E. C. Murray D.D.

(3) We would call the special attention to the action of the Assembly calling on Synods, Presbyteries and Sessions to Co-operate with the Assembly's Committee in Raising $1.000.000.— 20th Century Fund, for Church and Christian Education — page 639.

W. A. Gillon, Chm.

Foreign Missions.

There are two matters which your Committee

would lay before this Presbytery. The first, is the encouraging work of the "Woman's Foreign Missionary Union of Orange Presbytery," to which the attention of our Ministers and Church Sessions is most earnestly and urgently called. A neat pamphlet has been published containing the proceedings of the Third Annual Meeting of the Union, held in Burlington, Nov. 19-21, 1900, and is submitted herewith by Mrs. R. D. Blacknall, Secretary of the W. F. M. U. shows an enrollment of Sixteen Ladies' Societies and Five Junior Bands, with a total membership of 586 and an increasing membership in the various local Societies. One Thousand - Three Hundred and Fifty-Seven ($1.357.78) dollars and 78 cents was contributed to the cause of Foreign Missions, a gain of $314.35 over the previous year, and an additional fund of $135.72 is mentioned as given to the Twentieth Century Fund. One Hundred and 93 Copies of the "Missionary", and 103 of the "Children's Missionary" are taken in the Churches of Winston, Greensboro, Westminster, Graham, Reidsville, Alamance, Burlington, Chapel Hill, Leaksville and Durham, the only Churches yet represented in the Union. The Officers elected at the November meeting were: Pres. Mrs D. P. McBarkle, Graham; 1st Vice Pres. Mrs L. H. Walker, Leaksville; 2d Vice Pres Miss S. O'H. Dickson, Winston; Sec. and Treas. Mrs. R. D. Blacknall, Durham; Supt of Young People's Work, Mrs. J. H. Riley, Winston; Executive Committee, Mrs J. M. Trinsdale, Burlington; Mrs B. A. Cunningham, Greensboro; and Mrs. M. E. Cobb.

Report on Foreign Missions — Woman's Union

Your Committee would recommend that our Ministers and Church Sessions present the work of the Union to their Congregations and endeavor to enlist a wider and deeper Sympathy among the ladies and young people of our Churches.

The second matter which we wish to present is the proposition to place a Worker among our Churches for the Summer months, under the auspices of the "Student Missionary Campaign", to be directed by a Committee of Presbytery as suggested in a printed Manual on this subject. Your Committee recommends that this Presbytery make the arrangement.

R. E. Caldwell, Chairman.

Home Missions

The Churches which have paid their appropriations in full, or more, are as follows:

Elkin, Graham, Greensboro, Hawfields, Hillsboro,

Leaksville, Milton, N Wilkesboro, Pine Hall, Reidsville, Roxboro, Westminster, Winston and Yanceyville.

Churches paying less than apportionment, but more than two thirds: Bethany, Bethesda, Buffalo, Cross Roads, Durham, Ens. Stony Creek,

Churches paying less than two thirds, but more than one half their apportionment: Bethlehem, Chapel Hill Danbury, Mebane, Red House and Speedwell.

Churches paying less than one half, but more than one third: Asbury, Dan River, Fairfield, Jamestown Midway and Sandy Ridge.

Churches paying less than one third: Alamance Bethel, Gilead, New Hope and Springwood.

Churches paying nothing at all: Asheboro, Burlington, Ebenezer, High Point, Hollaways, Lexington, Little River, Madison, Mt Airy, Rangemount, Snow Hill, Wentworth and Northville.

In the condition of the work in the entire field, there is much for gratitude to God for his goodness and clear tokens of his favor that Crowned our efforts during the past year. While there are some things that will test our patience and faith, there are many others that will call forth our thankfulness and praise.

Chapel Hill Field.

Chapel Hill has there have been 15 additions to this Church, 4 by profession and 11 by letter. The attendance, especially of the Students, has been good, and the members are interested in the work. About $2000. spent on improvement of the Church Building aciaents for some decrease in general liberality. A Westminster League of earnest

Students is an efficient aid in securing attendance of Students on preaching and Sunday School, and in conducting Service in the absence of the pastor.

New Hope on Has had 9 additions, 4 by profession and 4 by letter. Services are held twice a month and are well attended. The Membership is interested and active. Improvements on the Church are in progress and a new Organ has been added.

Caswell Field.

Though there has been a larger number of accessions than usual, the work is in good shape, and the outlook encouraging. In three Churches, Sunday Schools are in operation, two Churches have two Missionary Societies each, and the third has one. It is to be regretted that, with the exception of Yanceyville, the Churches have not shown the desired liberality.

Home Missions

Wilkesboro Field.

Both Wilkesboro and Elkin Churches have suffered much recently in numbers and financial strength by deaths and removals. Still, a good work is being done in both Churches among the Children. The conditions in Wilkesboro Church are decidedly encouraging. The people show marked zeal and liberality. At Oakwood mission the work is making cheering progress. There have been quite a number of accessions to the N. Wilkesboro Church from this point. Besides the Sunday School, a successful day School has been taught by a zealous and efficient lady. The Rev. J. W. Robinson has charge of the work in this field.

Stokes County Field

In the five Churches supplied by Rev. B. Miller there are 239 members, and there were 15 additions during the year. The work has been diligently carried on, and the good seed faithfully sown, but the people have not shown that enthusiastic interest that could be desired. Especially have they failed of the hoped for growth in liberality. One thing greatly to be desired in this field is a Manse for the Minister in charge. Another thing of the greatest importance to the work would be a Christian School, and we have for this School the building, Peter's Creek Academy, idly waiting.

Home Missions

Rev. R. St. George, Evangelist, has preached as his health permitted, at various points, and has had a number of professions in his meetings. Pine Ridge Church, with 20 members, has been organized.

Rockingham Field.

Candidate J. C. Story labored in this field during the summer season, and Dr. B. W. McBane during the past six months. Besides the organized Churches of Madison, Wentworth and Pine Hall, mission work has been organized at several points. At Avalon Mills a Sunday School of more than 100 has been conducted by an Elder of the Madison Church. Monthly appointments for preaching there have been well attended. But they have no building. Also at Mayodan services have been begun. At Barker's Cross Roads, four miles from Wentworth, there is a successful

Sunday School in operation, conducted by two Elders of the Huntsville Church. Monthly preaching appointments there are well attended. A site has been offered for a Church, and funds are being raised to build.

Home Missions

Alleghany Field.

Rev. R. A. Murray, Evangelist. In this our newest field, it is still pioneer work, and strong opposition is manifested in some quarters. But more interest in Religion is manifest, and Presbyterian sentiment is slowly gaining ground. As a result of a meeting at Rocky Ridge in March there were four accessions. An acre lot was donated and a subscription started to build at this point, the first Church of Alleghany County. In the eight months past, Evangelist Murray has preached 85 times, made 600 pastoral visits and traveled 7660 miles.

Recommendations.

We recommend:-

1. That the present appropriations to the different fields be continued until the fall Meeting of Presbytery.

2. That the following Missionary Supplies be appointed to hold Meetings in Mission Churches at such time before the fall Meeting of Presbytery as shall be agreed upon between them and the pastors of the Churches.

Presbyterial Fund. — It was moved and adopted that a Committee of three, consisting of the Moderator, the Treasurer and the Stated Clerk, be appointed to devise means for the payment of the Assessment of the Churches to the Presbyterial Fund, and that said Committee be empowered to draft

such papers, and to make such recommendations to the Churches, as may seem best to them for accomplishing the end proposed.

Subsequently, this Committee brought in the following Paper which was adopted.

Presbyterial Fund. Paper on

The Presbyterial Fund.

Your Special Committee appointed to consider the deficit in the Presbyterial Fund begs leave to submit the following paper -

1. We find that there has been an increasing deficit in the Presbyterial Fund for years, and that the Treasurer has been unable to meet the expenses of Presbytery.

2. We find that the estimated expenses of Presbytery for the year just closing have been about $350.00, while the assessment of the Churches amounts to $300. and of which not quite $200. has been paid, leaving a deficit for the year of between $150. and $175.

3. Your Committee recommends -

First, That the Assessments for the Presbyterial Fund be increased 25 pr cent, as the present assessment, if paid, is not sufficient.

Second. That at every Spring Meeting of Presbytery the Stated Clerk shall call the Roll of Churches and that the representative of each Church answer as to whether or not its assessment for this Fund has been paid; and if a representative be not present, then the Treasurer shall answer for each Church, and this Roll-call shall be made

a special order for the Second day.

Third, In case any Church shall be derelict in this duty of paying its part of the expenses of the organization of Presbytery, a letter signed by the Moderator and Stated Clerk shall at once be addressed to the Pastor, to the Clerk or some member of the Session, and to Chairman or some member of the Deaconate, calling their attention to this failure.

Roll Call ordered

Fourth. That the Stated Clerk send a copy of this report to every Church which has been delinquent in this regard during the past year. Signed - A. M. Scales. Mod.

Report on Education for Ministry

Ministerial Education.

The Executive Committee on Education for the Ministry presented this report, which was received, discussed and adopted, with its recommendations. As fol:

Our Presbytery now has under its care Eleven Candidates, as against Sixteen reported a year ago. Of these, four are at Union Theological Seminary, viz — C. L. Rogers, J. C. Story, S. C. Smith and J. B. Massey. Two are at Davidson College — W. M. Sikes and J. A. Ratcliffe. Two are in business — J. H. Allison at Durham, and F. C. Smith at Gray in Allegheny County. Two have been engaged in teaching School — J. A. Forbes, near his home in Guilford Co., and J. T. Smith, at Jonesville in Yadkin Co. And One, E. L. Harris, is Registrar in the State University.

Those at Union Seminary and Davidson College, asked for the maximum appropriation to Candidates — $75.00 each — and your Committee endorsed their application.

As to contributions to this very important cause, we find that three Churches make no report — Clark Memorial, Jamestown, and Galloways.

We find that Twenty Churches report nothing Contributed — Huntsville, Cross Roads, Gilead, Elim, Little River, Springwood, Burlington, Wheeling, Madison, Asbury, Rougemont, Lexington, Snow Hill, Elkin Col. Asbury,

Ebenezer, Jeffersons, Pine Ridge, Northville and Statesboro.

We find that Fifteen Churches report less than last year — Bethel, Midway, Elkin 1st, Wilkesboro, Fairfield, Mamance, Milton, Friers, Danbury, Dan River, High Point, Roxboro, Bethlehem, Yanceyville, Bethesda.

We find that Four Churches gave the same as last year — Graham, Spurdwell, Stony Creek, Winston.

Education

We find that Eighteen Churches report more than last year — Reidsville, Greensboro, Hawfields, Bethany, Buffalo, Durham, Chapel Hill, New Hope, N. Wilkesboro, Hillsboro, Efro, Red House, Wilbar, Saxapahaw, Leaksville, Pine Hall. Westminster.

We find that the total amount Contributed by these 37 Churches is $499.64, as against $555.00 Contributed last year by 44 Churches. i.e. a decrease of four in the number of Contributing Churches and a decrease of $57.36 in the amount Contributed. And yet because of the small number of our Candidates asking for aid, our Presbytery sent to the Assembly's Committee $49.64 more than it asked for its Candidates.

Your Committee would call especial attention to the continued decrease in the number of our Candidates, both in our Presbytery and the Church at large. In view of this fact Your Committee recommends that the Presbytery most earnestly lay it upon our pastors and people, both in our pulpits and in our homes, to pray the Great Head of the Church to raise up and send forth consecrated young men, to preach the glorious gospel of our blessed Lord.

Also, believing that the maximum amount now given as aid to Candidates is too small, and thus delaying young men from entering the ministry work which they are so much needed, Your Committee recommends that it be allowed to grant an additional $25.00 to such Candidates as the Committee may think in need of such increase, and that our pastors urge their people to give accordingly.

Education

Further, Your Committee recommends that henceforth, Candidates on receiving aid from the Presbytery, shall give conditional notes, without interest, for such aid — that these notes be given to the Presbytery through its Treasurer, and shall be in force, until the Candidate's ordination, but thereafter null and void. Your Committee recommend this action, so that in case the Candidate for any reason fails to enter the ministry, the money relation between him and the Presbytery may be in orderly shape.

Finally, Your Committee would recommend that the request of Candidate J. A. Forbes, that his name be dropped from the roll of Candidates, because of unsettled views as to his life work, be not granted — the Committee not having had conference or full communication with him.

Narrative.

The Committee on the Narrative presented the following report which was adopted, and ordered to be sent up to the General Assembly.

Narrative

Your Committee to whom was referred the Narratives of the Sessions, respectfully report that we have read the Narrative of each Session, and have found them to contain the following information, viz—

Fifty-three of our Fifty nine Churches have reported to this Presbytery.

Forty Churches report faithful attendance upon the services of the Sanctuary, by members and others, for which we thank God and take courage.

Thirteen Churches report poor attendance upon the Sanctuary by Members and others, due to preaching once a month and absence of the Sabbath School influences.

Seventeen Churches report faithful observance of Family worship, by officers and members, and a consequent increasing spiritual life; while twenty four Churches report a partial observance of Family worship by their Members, and twelve Churches report no observance of Family worship by their Members.

Thirty eight Churches report commendable observance of the Lord's Day by their Members, while Fifteen Churches report a violation of our Lord's Command to keep his Day holy.

Thirty-Six Churches report the careful training of the Children and youth in the Home and Sabbath School, in the Scriptures and Catechisms, and a consequent steady ingathering of them into the Church; while Eight Churches report spasmodic training, and Six Churches report no training of the Children in Scripture and Catechism, hence no ingathering to their Communion.

Narrative

Thirty-three Churches report commendable fidelity of God's people in worshiping the Lord with their substance, and in giving to the support and extention of the Gospel; while Eighteen Churches report a want of consecration along the line of giving.

Thirty-one Churches report "Pastor paid in full", and Twenty-two report "Pastor not paid in full, but will be so paid."

Seventeen Churches report special evidences of Spiritual life and growth and activity among their people, resulting in most Churches from protracted Services held by their Pastor; while Thirty nine Churches report no special evidence of Spiritual growth, though most of them report progress among their people.

Twenty eight Churches report that worldly conformity does not prevail among their Members; while Twenty three Churches report that their Members are not careful to see to it that the line of separation between the Church and the

world is kept clear and distinct.

Eighteen Churches report that they are engaged in Evangelistic work outside their own Congregation; while Thirty five Churches report no Evangelistic work outside their own bounds.

Pub.ⁿ & Colportage

Your Agent would hereby report as regards Publication: That according to the report of Dr Hazen to the last General Assembly, this work is in a healthy and prosperous condition, as evidenced by larger sales of our Publications than has been made for several years, and a more extensive demand for our Sabbath School publications.

As regards Colportage: In collecting funds, our Treasurer reports that there was on hand April 1. 1900. $132.77. and received additional to April 1. 1901 —

$144.40, making $277.17. As half of this has been sent to Dr Hazen, there remains available in our work $138.50. Of this $20. was paid to Bro Sikes for some faithful work done within our bounds during last summer, leaving $118.50 available for the approaching season.

Pub.ⁿ and Colportage

We have engaged a Student of Davidson College who expects to enter earnestly on his work as Colporter as soon as the College closes. And for him we bespeak the kindly cooperation of our Ministers and Sessions.

Very few of our Schools have regular Teacher's Meetings.

S. Schools Paper The following paper presented by the Agent of Sabbath Schools, was received and adopted:—

Your Agent of Sabbath Schools would lay before you the following facts, viz.

At the recent meeting of the General Assembly held by the vote of the majority of the Presbyteries, it was decided to employ a General Superintendent of Sabbath Schools under the direction of the Committee of Publication at Richmond, Va. The choice of that Committee, we think wisely and divinely guided, fell upon the Rev. A. D. Phillips, whose Father and Grandfather of blessed memory, were for many years members of this Presbytery, and none of the Patriarchs of the past were more loved and honored than they. This forward movement, we hope, means much for the enlargement and improvement of this most precious part of our Church work. Though the Sabbath School has done much, yet, that it has not accomplished what it ought to have done is a fact manifest to us all. The Gen'l Assembly said—"Our Children are not under the influence of the Church, and are not being imbued with the Spirit of our faith as we could wish" The number in our Sunday Schools ought to be much larger than our Church membership,

Yet it is not more than 75 per ct of it, and even less than that in the Synod of N.C. We want greatly to enlarge this important branch of our work. We believe Dr Phillips is the man to lead this forward movement, and to impart the enthusiasm so much needed. We must give him all the aid in our prayers and cooperation he desires.

S. School Forward Movement.

Looking at our Presbytery for the last three years, we find that we have rather retrograded than advanced. Our Sunday School work is a little smaller to day than it was three years ago. Statistics show that more than half (56%) of all the additions to our Church comes from the Sunday School, and in the Church at large, three fourths of additions come from the same source. This ought to open our eyes to see how vital to the interests of the Church is this work. If it languish, the Church must decline; if it is enlarged and made effective the Church will proportionally advance.

In view of these facts and of the interests at stake, so precious and vital, Your Committee recommends:—

1— That the Pastors be urged to pray often and tenderly for our Children and Youth.

2— That each Church be directed to send out and occupy new neighborhoods for Evangelistic S. Schools.

3— That the Presbytery press upon all Schools the duty and importance of observing Sunday School Day, on October the 6th, and of making a liberal Collection for the forward Movement on that day & forwarding the same to Dr. Hagen at Richmond Va.

B. W. Mebane, Supt of S. Schools.

Treas. pro-tem

On motion the Rev. R. G. Matheson was appointed Treasurer pro-tem.

The report of the Treasurer was received and approved, and it is as follows:—

J. B. Fuller, Treasurer

Treasurer's Report.

Reports from the Commissioners to the last General Assembly were received and approved, and the diligence of the brethren in their attendance commended.

Reports received.

Missionary Supplies.

The report of Temporary Supplies, appointed last Spring, was called for, and the list was read; and as the appointments had not generally been fulfilled, it was ordered that the time be extended to the Spring meeting, and the same list be called again.

Installations.

In answer to the call for reports from Special Committees, the Rev. R.E. Caldwell D.D. reported that he had installed the Rev. A.S. Caldwell as Pastor at High Point Church, on the 30th day of June 1901 — And on the same day, the Rev D.S. Craig reported that he had installed the Rev. John H. Grey as Pastor of the Lexington Churches. These reports were approved.

President Smith's D. College

On motion, Presbytery then heard President Henry Louis Smith of Davidson College, in the interest of that Institution.
At the close of Dr Smith's address it was moved and carried that Presbytery hear him again on tomorrow, on the probable cause for the decline in the number of Candidates for the Gospel Ministry.

Recess

Presbytery then took recess until 7:30 o'clock p. m.

Second Day — Evening Session

Hillsboro, N.C.
Thursday, Sept 26. 1901.

Presbytery met at 7:30 o'clock P.M. —

The Moderator announced that the special order for this hour, was to hear the report of the Executive Committee on Foreign Missions, and to hold a popular Meeting in the interest of that Cause.

Foreign Missions.

Foreign Missions

The Meeting was then turned over to the Rev. R.E. Caldwell D.D., Chairman, who conducted the devotional exercises, and read the report of the Committee which was received: Addresses were made by the Rev. Messrs. John H. Grey, Hugh Craig and R.G. Matherson. The report was then adopted, and is as follows:—

Your Committee on Foreign Missions is pleased to report that Forty-Eight Churches contributed last year $5200.00 to this Cause, which is an increase over the previous year of $372.00 given by the same number of Churches.
Eleven small Churches make no report. It is interesting to note that there are now three Churches which Contribute over $100.00. each, whereas formerly there were but two.

The Missionary Campaign, which was ordered at the Spring Meeting, was arranged by the Committee as directed, and the Rev S.R. Hope of the Japan Mission was detailed by the Executive Committee to visit our Churches. An itinerary was made, after conferring with Mr Hope, but was not fully carried out, for the reason that after spending one month in the work, and

having visited about twenty Churches, he was notified by the Committee at Nashville that he was to return to Japan at an earlier date than he had expected.

Robt E. Caldwell, Chairman

Minutes of Assembly

The report on the Minutes of the General Assembly was presented and received, and pending discussion and final adoption of the report—

It was moved and adopted that a Committee of three be appointed to carefully examine and receive criticisms on the proposed Catechism on the Church, and report at the adjourned Meeting at Synod in Charlotte N.C. The Moderator subsequently appointed on this Committee the Rev. Messrs. Seabrook, Craig and Culbertson.

On the report on the Minutes of the Assembly were then adopted, and is as follows—

Minutes of Assembly.

Your Committee would call attention to the following items of special interest:—

1— On Pp 24, 25, in the matter of a change in Chap 5. Sec 7. of the Form of Government concerning Ecclesiastical Commissions—Certain recommendations are made to the Presbyteries for their advice and consent.

2— On p. 36. Presbyteries are instructed to call the attention of Pastors and Clerks of Sessions to the defective nature of the statistics in the reports of the number of baptized non-Communicants, & the use made of them against our Church by others, and to urge more accuracy and fulness in making up these reports.

3— On p. 50. attention is called by the Assembly itself to the reports of the Ad-interim Committee on the subject of the Graded Sunday School Lessons, published in the Appendix for the information of the Church, pending further action.

4— On p. 50. A further change in connection with the matter of ecclesiastical Commissions, substituting the word Committee for the word Commission in Sections 179 & 215— Rules of Discipline

5— On p. 50. request is made that Presbyteries report their criticisms of the Catechism on the Church to the ad-interim Committee by Feb. 1902.

6— On p. 55–56, there are many things of interest to Ministers in connection with the Creation of the next Executive Committee of Ministerial Relief, and the work committed to it to care.

7— On p. 57. the Assembly exhorts the Presbyteries to exercise great care in receiving Candidates for the Ministry.

8— On p. 64. A reference to the New Hymn Book indicates that it ought to be available for the use of our Churches within a very short time.

9— On p. 69. the Assembly calls attention to the teaching of Gods word upon the subject of marriage and divorce, and the duty of Ministers in relation to the re-marriage of divorced persons. The significance of this action lies in the fact that it is the second notice taken by the Assembly within two years, of this important matter.—See 1900 p. 614

Minutes of Assembly

10— We would also call attention to the fact that the question concerning quorums of Synods, is still before the Presbyteries for their action.

Robt. E. Caldwell, Chairman.

The following Overture to the General Assembly was submitted by the Rev. E. C. Murray D.D., and on motion it was placed upon the Docket until the Spring Meeting of Presbytery. viz.

Overture

Overture to Assembly Docketed.

The Presbytery of Orange would respectfully overture the General Assembly in reference to the three reports on Graded Sunday School Lessons submitted to the Assembly of 1901, and sent down to the Presbyteries for their consideration—

1— That our Sunday Schools be urged to use, as far as practicable, the Supplemental Course outlined in the majority report, and that the Normal Course suggested, and the list of books on the art of teaching &c, be commended to the attention of our schools.

2— That the Graded System of Bible Study outlined in the two minority reports be approved; and that a Committee of three be appointed by the Assembly whose duty it shall be to endeavor by whatever means may be necessary to have the International Lesson System so modified as to embody the principles set forth in these two reports.

The question was raised as to the present status of Dr. J. H. Hammet in relation to the Church: whether he was excluded— by the sentence of deposition from the Ministry— from the sacrament of the Lords Supper, and consequently from the light of membership in some Church. Question raised— Dr Hammet

"McKelway Institute" vs Jefferson School.

It was moved and adopted that when this Presbytery adjourns it adjourn to meet in the City of Charlotte N.C. during the Sessions of Synod in October, at the call of the Moderator.

adjourned meeting ordered.

Bible Cause.

The report of the Committee on Bible Cause was received and adopted, viz —

Your Committee on Bible Cause would report that, while the American Bible Society is doing a great and glorious work in distributing the Bible both at home and abroad, our Presbytery is having but a small share in this work. Last year the collection for this cause was sadly neglected by our Churches. Only nineteen of our Churches contributed anything to this cause, and they contributed only $91.00, while forty of our Churches report no Collection at all. The 3rd Sabbath in October is the time for our annual collection for this cause, & Your Committee would urge upon our Pastors and Sessions to give the people an opportunity to contribute to this important work. It is essential to the success

Bible Cause

and efficiency of both our Home and Foreign Missionary work that the American Bible Society be liberally supported, so that the demand for Bibles may be met in the new fields which are constantly being opened.

C. E. Hodgen, Chairman.

Colored Evangelization.

Your Committee submit the following Report:— The report was received with recommendations, all of which were adopted except the 1st recommendation in reference to a request from Rev. S. G. Walker. It was ordered that this request lie over until the adjourned meeting at Synod, and, in the meantime, the Chairman of the Committee was instructed to find out all the conditions and prospects of a certain legacy said to have been left to the Clarke Memorial Church.

Colored Evangelization.

The Report is as follows:—

As to the work at large, it seems to be growing in popular favor.

Some good results have been accomplished, viz. Two Churches organized, two others to be organized, two houses of worship built, and four others are being built. There are 40 Mission Schools with 194 teachers and 2321 scholars, against 37 Schools last year with 179 teachers and 1987 Scholars. There are 54 Ministers, 2 licentiates, 10 Candidates, 80 Churches, 1919 Communicants, 245 additions and 2735 Sunday School Scholars — a good increase over the year before. All the Churches have been supplied except one or two. The Committee has adopted a most commendable plan of appropriations, viz. that the appropriations decrease every year, that the fields may learn self-support. The work at Stillman Institute is admirably conducted. There were 54 students in the Institute last Session, and 16 being in the Theological department. The Course of Study has been enlarged, covering four years in Theology, with a post-graduate course. A residence has been built for the Superintendent and Teachers, called the "O. B. Wilson, Hall". The students do all the work in and out of the Institute. A three story building is being put up by them under the direction of a skillful Mechanic. It is for class rooms and dormitories, for 64 students. This, with the present house, will accommodate 100 students — This teaches the students self-help, and also reduces the cost of maintaining the Institute — And this also shows that the little given is judiciously expended, and should elicit confidence and enlarged liberality.

Colored Evangelization.

Your Workers in the Home field, have been faithful in their labors, during the past six months.

Colored Evangelization

The Rev. B. B. Palmer reports that his work is interesting and encouraging. Protracted services have been held and two members of the Sunday School were added to the Church. He expects to open the day School early next Month.
The Rev. C. B. Ward at Elkin reports, that the continual rains prevented him from holding his meeting in August, but hopes to hold it soon. Rains and floods also interfered with his regular appointments.
The Rev. S. G. Walker reports that he has removed from North Wilkesboro to Danbury, as the Assembly's Committee has seen fit to put another man in charge of the School at N. Wilkesboro.
The legacy to the Clark Memorial Church and Sabbath School is to be paid soon, and progress in the work is looked for. He has labored faithfully. From a visit to Jefferson in the summer, he thinks there is an opening there for the establishment of a Church.
He reports that two Elders have been ordained and installed in a Church at North Wilkesboro, and services have been kept up regularly.
Also the same is said of the Services at Danbury (Clark Memorial), no protracted services have been held as yet, but it is hoped they will be held in October.
In answer to the request from the

Rev. S. G. Walker in the communication referred to your Committee, we recommend
1- That if we have any say-so in the matter, that you consent to the purchase of the property mentioned, in the Communication. Referred.
2- We recommend that $1000 pr. month be appropriated to the School at Elkin Church, for the coming Session. appropriations

same as may seem best in their Judgement.

Resignation of Miller not accepted

The Rev. Cornelius Miller tendered to Presbytery his resignation as Evangelist in the Stokes County field, and stated some of the reasons which had led him to this step.
After discussion of the matter and many kind expressions and assurances from the brethren, Presbytery declined to accept the resignation.

A historical Sketch of the Buffalo Church, prepared and presented by the Rev. J. McL. Seabrook, was received without being read, and ordered to be filed in the Archives of Presbytery.

It was ordered that Historical Sketches of the following Churches be prepared for the next Fall meeting of Presbytery, viz- Westminster Church, by the Rev. C. E. Hodgin: Wentworth Church, by Mr J. V. Price: and the Madison Church, by the Rev. B. W. Mebane D.D.

Home Missions.

Home Missions Report.

The unfinished business, viz. the Report on Home Missions, was then taken up.
After some discussion it was moved and carried, that the appropriation to the Wilkesboro field be increased by $50.00. The report and recommendations as thus amended, were then adopted as a whole, and are as follows:-

Reports from the Fields:

1- Caswell Field: The condition of this field is satisfactory. Rev. S. W. Williamson supplies four organized Churches, and preaches occasionally at several other points. No protracted Meetings have been held as yet, there have been three or four additions.

2- Chapel Hill: Rev. D. J. Currie has been assisted by Evangelist William Black in a protracted Meeting with glorious results. There were over twenty professions of faith, mostly among the University students.

4- Rockingham Field: Rev B. W. Mebane has nine regular appointments, besides occasional preaching points, supplying four organized Churches. Our Evangelist does a great deal of visiting, and preaches often five times a week. He conducts two regular Prayer Meetings. An effort is being made

to erect a Church Building at Baker's Cross Roads, near Dentworth. There is already a very interesting Sunday School, and a number of accessions are hoped for as soon as a Church is organized. A beautiful lot has been donated, and with $200.00 in addition to funds subscribed, a suitable building can be erected. Several protracted Meetings will soon be held. Our Congregations, as a rule, are growing and the interest increasing. At Madison, about $600.00 has been raised for remodelling the Church building.

Home Missions Report.

5— Stokes Field: Rev C. Miller reports that the past year has not been a successful one. Our Evangelist has been as faithful as usual in the discharge of all his duties. In twelve months, he has missed no appointment— has ridden, mostly on horseback, about 1900 miles in all kinds of weather, and he has been absent from home three or four days every week, and during protracted Meetings nearly all of the time for several weeks. He held four Meetings during the Summer with very little assistance, and expects to hold others soon. The depressing feature of the work is the low degree of Spiritual life in the Churches, and especially the lack of the Spirit of self support. The

two strongest Churches, Asbury and Dan River, have no regular Sunday Schools, and the attendance of their Members on preaching service is not regular. The Contributions of all the five Churches to pastoral support amounts to only about $75.00 pr year.

6— Rev. R. St. George: Supplies Pine Ridge Church and preaches at various Mission points. Much interest is manifested at all his services. A protracted meeting at Pine Ridge resulted in Nine professions, and six accessions to our Church, with more to follow, probably.

Home Missions Report.

7— Wilkesboro Field: The work is encouraging. There have been no protracted meetings yet, but Seventeen persons have professed faith, and five have joined at North Wilkesboro. The four Sunday Schools are doing good work. A new house of worship— "Union Mission Chapel"— was dedicated in July in the Brushy Mountains. It is to be used for preaching, and Sunday and week day School purposes— Fifty seven pupils are enrolled. It is hoped to make it the centre of a public School District.

8— Alleghany Field: Rev. R. A. Murray has nine preaching points. He has traveled in six months 1357 miles, mostly on horseback. The Rev William Black conducted a Meeting at Sparta, in

which much interest was manifested, & (unprecedented occurrence) every Store and office closed during the Services. A deep impression was made on the entire community. There were 25 or 30 Conversions, and about ten persons will Join our Church when organized. A beautiful site is secured for the Church, and funds are being collected for building.

Home Mission Report.

At Rocky Ridge there are Seven Members — four heads of families. There have been three accessions since April. There are almost sufficient funds in sight for building; the ground has been donated, and the Church will probably be completed by Jan. 1902.

Mr J. E. Flow of Union Seminary has labored here most efficiently this summer.

The Rev. J. H. Grey conducted a meeting here in August with blessed results.

One of the mission points is in a section densely populated and woefully destitute. The others are remote from any Church and the congregations are always large.

Seven miles north of Sparta is a good opening for a Church.

Financial Statement.

The Debt on this Cause last April was $545.00. We have received on debt — $302.72, and from the August Collection $152.57. The present indebtedness, to Oct 1st, is $620.00, which will soon be reduced to about $400.

Our appropriations at present are in excess of our receipts, leaving an annual deficit of about $350.00. We are therefore absolutely compelled to reduce the Salaries of our Workers. We recommend:—

Home Mission

1— That the following appropriations be made for the year ending Oct. 1. 1902.

Appropriations.

To the Chapel Hill Field, $50.00.
To the Caswell Field, $200.00.
To the Rockingham Field, $225.00.
To the Wilkesboro Field, $200.00.

2— That the Chairman of Home Missions be directed to write to the Mission Churches urging them to increased efforts toward self Support.

3— That in view of the debt resting on this Cause, and of the partial failure of the August Collection, because of rains, bad roads &c, we urge our Churches to make strenuous efforts to increase their contributions by extra Collections and Subscriptions.

E. L. Murray. Chairman

Calls and Supplies.

Calls & Supplies Report.

The following Members were present: Rev. Messrs J. McL. Seabrook, C. W. Robinson, E. E. Gillespie, E. C. Murray D.D., Daniel J. Currie, Allen Jones, J. E. Brawley, W. A. Murray, J. H. Grey and B. B. Palmer, with ruling Elders J. M. Rogers R. P. Richardson Jr and Robert Finley. Present.

The Rev. D. J. Currie, Chairman of the Executive Committee on Ministerial Education, submitted the following Semi-Annual report, which was read and adopted: Education Report.

Education for the Ministry.

In accordance with the requirement of our Manual, that the report of the Executive Committee on Education for the Ministry at the Fall Meeting of Presbytery be "full and explicit in relation to each Candidate under its care"; Your Committee would

report as follows: —

Mr. S. C. Smith is now a Senior at Union Theological Seminary, where he not only attends to class duties, but also, so far as he can do so, engages in religious work. For nearly four months during the Summer, he engaged in Mission work in a lumbering Section in W. Virginia, Greenbrier Presbytery, "preaching from two to three times each Sunday". His last year's report at the Seminary gives him "Excellent" on deportment — 16 absences from recitations "excused", and 1 "unexcused" and the average grades in his Studies, for the two terms, are as follows: Church History 89. English Bible 89.5. New Testament Exegesis 91. Old Testament Exegesis 94 Pastoral Theology 93. Systematic Theology 90.5. and O. T. Criticisms 97. — Mr Smith asks for financial aid to the extent of $75.00, and we recommend that his application be granted.

Education

"

Mr. J. C. Story — is also in the Senior Class at Union Theological Seminary. He spent his Summer vacation supplying the Immanuel Church in Wilmington N.C. His labors there were greatly blessed, and most acceptable to the Commission of Wilmington Presbytery that had the affairs of that Church in charge. His Seminary report for last year gives him "Excellent" on deportment — 9 excused absences, and 8 unexcused, and averages grades on his Studies as follows — Church History 94. English Bible 91.5. N.T. Exegesis 92.5. O.T. Exegesis 96. Pastoral Theology 93. Systematic Theology 89.5. and O.T. Criticisms 97. — Mr Story asks for $75.00 from Presbytery, and we recommend that his application be granted.

"

Mr C. L Rogers — also is a Senior in U.T. Seminary. He spent the summer supplying very acceptably the charge of Rev. Peter McIntyre in Sampson County. N.C. Last year's Seminary report gives him "Excellent" on deportment — 5 excused absences from recitations and 4 unexcused, and grades, as follows — Church History 67.5. English Bible 93.5. N.T. Exegesis 72.5. O.T. Exegesis 83. Pastoral Theology 85. Systematic Theology 75.5. and O.T. Criticisms 85. — We hope he can improve on these this year. — Mr Rogers also asks for $75.00 from Presbytery, and we recommend that his application be granted.

Education

"

Mr. J. B. Massey — is now in the Middle Class at Union Seminary. He spent the summer months in very successful Mission work with Rev. Dr. M. L. Lacy of Sinks Grove. W. Va. His admirable report of class work at the Seminary last year shows that he stands very high there, and is as follows — deportment "Excellent" — Absences, none — Grades, Church History 99. English Bible 96. Hebrew 99.5. Homiletics 94.5. N.T. Exegesis 97. and Systematic Theology 97.5. Mr Massey asks the aid of Presbytery to the extent of $75.00, and we recommend that his application be granted. Mr Massey also asks for his trial parts for licensure, and we recommend that they be as follows — For the Sermon Rom. 5:1. Popular Lecture, 23rd Psalm, Latin Thesis "An Sit Sanctus Spiritus Deus". Greek Exegesis. Heb. 6:1-6.

"

Mr. Wm Marion Sykes — was graduated with the

degree of A.B., last June at Davidson College, and has recently entered upon his course as a Junior in the Union Seminary. Along with his class work he engages in mission work in the suburbs of Richmond. A protracted case of typhoid fever prevented his teaching last Summer as he had hopes to do. While at Davidson College last year he taught a class in a Colored Sunday School. His report of class work there gives him grades as follows - Astronomy 81.5. Bible 96.5. English 79. Greek 80. Logic 84. and Political Science 85. and department 100. Mr. Sykes asks aid of the Presbytery to the amount of $75.00, and we recommend that his application be granted. Education

Mr. J. A. Ratcliffe has lately returned to Davidson College for his second year's work there. During his summer vacation he was actively engaged in Colportage work within the bounds of our Presbytery and canvassed almost the entire territory. While at Davidson College last year he was actively engaged in Sunday School work in the Country and other christian work. His report for the Fall term at Davidson College is:- Bible 89. English 82. Latin 73. Mathematics 84. Nat. Philosophy 61. and department 100. Doubtless, he will improve on these in this his second year. Mr Ratcliffe asks for $75.00 from Presbytery, and we recommend that it be granted. "

Mr. Geo. C. Smith is living in Ashe County. He writes that his eyes grow that are worse than usual, but he is anxious to do christian work, and desires Presbytery to give him work in

Ashe County. He still hopes to give his entire time to the Lord's work, but the present condition of his eyes give little hope of early continuance of his studies preparatory to the Ministry. Education

Mr. J. H. Allison Jr. is still engaged in work at Durham N.C. He had earnestly hoped to enter School this Fall but was disappointed. Along with his other work, he is studying privately and also engaged in mission work.

Mr J. A. Forbis - has not reported to your Committee since the Spring Meeting of Presbytery.

Mr. J. T. Smith - has not reported to your Committee, but from his brother (Mr. Geo C. Smith) we learn that he is at Jonesville N.C. and expects to continue teaching for a time. "

*Mr. E. L. Harris - continues his work as Registrar in the State University. The state of his own health, besides continued sickness in his family, has prevented his doing as much active religious work as hitherto, but his daily life is one long sermon from the text "For me to live, is Christ". Because of his continued poor health Bro. Harris asks that his name be dropped from our roll of Candidates, and most hegretfully, we recommend that his request be granted. "

Thus, of our Eleven Candidates, five are at Union Theological Seminary, one is at Davidson College, and the rest are not, at present, in course of preparation for the work of the Ministry.

Daniel J. Currie.
Chairman.

* Mr. Harris died Nov. 14. 1901.

The Rev. E. E. Gillespie submitted the report of the Special Committee, recently appointed with instructions to report at this Meeting, on a Communication from the Trustees of the "McKelvay Academic Institute". The report was received and adopted, and is as follows:-

The McKelvay Inst

Report.

Your Committee appointed to consider the Communication from the "Board of Trustees of the "McKelvay Academic Institute", would respectfully recommend the following action, viz. Orange Presbytery has heard with interest and pleasure of the progress made by the Board of Trustees in the re-establishment of the "McKelvay Academic Institute", and in reference to the request for an appropriation of $500.00. from the "Twentieth Century Fund", for the erection of additional buildings, would say that we regretfully decline the said request, as there are no funds in hand from that source. This action is in accord with the recommendation adopted by the Presbytery at its Spring Meeting in reference to this School, viz- "With the further understanding, that the Board of Trustees is not to spend in advance any of the funds herein pledged to be appropriated, or to make debts upon its expectancy."

The Rev J. McC Seabrook, to whom was referred, at the Stated Session, a request from the Rev. S. G. Walker to purchase land at Danbury with money bequeathed to the Clerk Memorial Church and Sunday School, made the following report which was adopted, viz-

Your Committee having been instructed to find out the conditions of the Will of George T. Clark respecting certain property, report that they have done so, and that only the interest of the legacy to the Clark Memorial Church

of the Covenant from Abraham to Christ?" And the answer is given: "Circumcision." Was not, we submit, the Passover equally a sign of the Covenant? And in the answer to the next question — "What is the sign and seal of the Covenant under the New Testament?" the answer is given — "Baptism." Here also, we submit, is not the Lord's Supper equally a sign and seal of the Covenant under this dispensation? Again, in answer to Question 21, we are told — "A Session is composed of the pastor, or pastors if there be more than one, and the Ruling Elders" — according to this, if a Church has no pastor, there is no Session in that Church.

In spite of the incessant rains during the months of August and February, our regular receipts this year amounted to $927.45, as compared with $801.60 last year, and our total receipts amount to $2,325.25. as compared with $1800.00 last year- a gain of $524.45. The contributions of last year were greater than those of any previous year. Our present indebtedness is $534.00 as compared with $545.00 at the beginning of last year. Had the present appropriations gone into effect April 1. 1901, our debt would be reduced to $386.50.

We gratefully acknowledge the liberality of the following Churches, which have paid or overpaid their apportionments to this Cause, and note with pleasure that the list includes most of our Mission Churches — Bethany. Bethesda. Bethlehem, Chapel Hill. Elkin, St. Graham Greensboro. Ch

Hawfields, Hillsboro, Leaksville, Madison, Medway, Mt Airy, New Hope, N. Wilkesboro, Pine Hall, Pine Ridge, Red Halve Reidsville, Roxboro, Saxapahaw, Speedwell, Stony Creek, Westworth, Westminster, Wilkesboro, Winston. Yanceyville.

These Churches have contributed a very large proportion of their Apportionments — Alamance, Asheboro, Burlington, Enon. Griers. Bethel. Danbury. Dan River. Durham, Fairfield, Jamestown, Lexington, Little River. Milton.

The following have contributed little, or nothing — Asbury, Buffalo. Cross Roads. Ebenezer. Gilead. High Point. Holloways. Jefferson. Mebane. Rangemont. Saddy Ridge. Springwood. Sycamore Hill. Worthville.

Reports from the Fields.

Orange — Bro. Currie's labors have been interrupted by two seasons of Scarlet fever in his family, covering a period of over three months. Nevertheless, the work is in a better condition than ever before. Two members have been added on examination and three by letter. Contributions have increased — in Chapel Hill, more than doubled. The field has paid

on Pastor's Salary $550.00. Attendance on services is gratifying, especially of the University Students. There are four active Societies in Chapel Hill, one of them a Westminster League of 18 College Students.

Home Missions — One protracted meeting was held by Rev. Wm Black at Chapel Hill, resulting in a revival of the various Churches of the Village.

Caswell — While there are no special advances of spiritual interest and activity in any of the Churches, there is a steady growth in some of them. Only two protracted meetings have been held. There have been eight accessions on profession and two by letter. There are two Sunday Schools and five Societies. Cosville is contributing liberally to the benevolent Causes: Bethesda and Stoney Creek fairly well, and Roxboro very poorly. The first Churches have paid on Pastor's Salary $375.00.

" Rockingham — Dr. Mebane supplies four Churches and five Mission points, besides preaching occasionally elsewhere. There are five Sunday Schools. Three protracted meetings were held. Five new members were received on examination, and nine by Certificate. The new Church building at Baker's Cross Roads is going up, and will be finished without debt. The congregations are growing and the work is promising.

Stokes — Bro. Miller's work is still very discouraging. Protracted services were held in all the churches, but they were only tolerably well attended, and there has been only one member added on profession. Our faithful Evangelist has missed only two appointments during the hard winter. The five Churches have contributed a total of $56.84 on Pastor's Salary. This is still largely a Mission work, and there is much ignorance and prejudice against our Church to overcome. The Peter's Creek Academy has been sold to the County Board of Education for $100. the amount contributed to the Building by outsiders. This money is in Bank, and, if Presbytery consents, will be held as a contribution to the Manse so necessary for the permanancy of this work.

The Rev. R. W. George is a Self-supporting Evangelist-at-large. He supplies Pine Ridge Church in Surry County, and travels over a large portion of Stokes County. He has conducted a number of protracted services, and has received several new members.

Wilkes — There is a steady, quiet work going on. Our Evangelist frequently visits and preaches in different neighborhoods and acquaints the people with our doctrines, government and Methods. Presbyterianism is growing in favor throughout that section. We are reaching the best people, and building slowly on a sure foundation.

Home Missions (Bro Miller)

(Peter's Creek)

(Bro George)

Home Missions

(Bro Robinson)

Bro Robinson, in spite of a severe winter, rains and high water, has held 228 Services. He has had only one protracted meeting. Three new members have been received. The three Churches all have Sunday Schools, and at Oakwood Mission there is both Sunday and day School. In Wilkesboro the Congregations and Sunday School are growing. North Wilkesboro has a Live Prayer Meeting, two Societies, and a Sunday School that includes nearly all the Members, and that gave $14.50 to Foreign Missions this year. All the Churches are singularly free from worldliness. There is a good temperance movement going out in the County. The field Contributed $87.00 to Pastor's Salary.

Home Missions

(Bro Murray)

(Rocky Ridge)

(Sparta)

Allegheny — Bro Murray has preached regularly at Seven Mission Points. Through and the severe winter no appointment has been missed, and the Congregations have been growing. Our Evangelist has paid 689 pastoral visits, and traveled 2000 miles. The Church Building at Rocky Ridge is now going up — $150.00 is lacking in order to complete it. In Bro Black's meeting at Sparta, there were about 25 professions of faith. A very successful meeting was also conducted by the Rev. John H. Gregg at Rocky Ridge. Three new Members, all heads of families, have been enrolled in the field. The work as a whole, is encouraging.

Asheville — This field is under the care of Synod's Committee, and is supported by the 1st Church, Greensboro. The work is encouraging in the highest degree. We have two organized Churches, four Church Buildings, and four Sunday Schools. Two protracted Meetings have been held and several new members received. The "McKelway Academic Institute" has been erected and equipped by the citizens of Nathan's Creek at a Cost of about $1000.00 and presented as a free gift to Orange Presbytery. They have two teachers and an enrollment of 108 pupils.

Local Missions.

The following Churches are engaged in Evangelistic work in their own Communities:—

(Durham)

Durham supports a Co-Pastor who devotes himself to the Factory work. They have three Chapels into which have been gathered a membership of about 100. At each Chapel are conducted regular preaching Services, a Sunday-School and a Prayer Meeting. This Church also engages a lady at a Salary of $300. to perform the various duties of a Deaconess at the Pearl Chapel.

Home Missions

(Graham)

In Graham there is a Union Mission School of 125 Members at the Oneida Mill which is financially supported by the Presbyterian Church, about $60. being Contributed this year. Some of the teachers are Presbyterians, and the Pastor of the Graham-

Church preaches there once a month.
Burlington has a Chapel at Elmira Mill, where there is a regular Sunday School, and where the Pastor preaches every Sunday.
North Wilkesboro Church sustains financially and by the services of its members, an interesting Mission at Oakwoods, already referred to. (Home Missions)
Winston Church has a handsome Chapel in the northern part of the City, and supports Rev. J. E. Brown in his services there for one half of his time. There is a large and flourishing Sunday School and Prayer Meeting every week. (Ministers)
At Mt Airy there is a Union Mission School superintended by an Elder of the Presbyterian Church, where Bro J. E. Brown preaches once a month. The Mt Airy Church hopes soon to take this School under its control.
High Point has a Mission Chapel at which are conducted regular Sabbath School and Prayer Meeting Services, and where the Pastor preaches occasionally. "
Cross Roads Church conducts services at two Mission points, at one of which there is a regular Sunday School.

Rev. William Black, Synodical Evangelist.

Bro. Black has conducted meetings at Chapel Hill, Sparta and Griers: all of them resulted in gracious revivals. He is engaged for meetings at Bethesda, Madison, Stokes County, Durham, Asheboro, and Alleghany County, and is earnestly wanted at other places. Pastors will please inform the Chairman of this Committee (Br. Black)

as these meetings are held, that other engagements may be made.

Presbyterian Evangelistic & Biblical Institutes.

We earnestly call attention to this Institute to be held at Davidson College, June 24 to July 2, and herewith submit the official call and program. The following are especially invited and urged to attend – All Pastors, One Elder and One Deacon from each Church, One lady representative from the Missionary Society of each Church, One delegate from each Sunday School, and all teachers in Mission Schools. The Institute Committee desires that each Church Session provide for the expenses of the Pastor and other appointed to attend. Home Missions. Bible Inst.

Synodical and Assembly's Missions.

Our Presbytery is apportioned $2000.00 for Synodical Missions, and has contributed $2063.78. and there were probably other contributions from private sources.
For Assembly's Missions we are apportioned $444. and have raised only $239.30. We earnestly hope that our Presbytery may rally to the support of the General Assembly in the aggressive Campaign which it and its new Secretary of Home Missions have inaugurated. The Assembly asks of us almost three times the amount of our present apportionment to this Cause. Home Missions

Jones. The Rev. Allen Jones Jr., through the Rev Dr E. H. Sasnett, asked permission to resign, within a few weeks, as Evangelist of the Ashe County field; and also that he be permitted to labor out of the bounds of Presbytery until the Fall Meeting.

Bro. Jones. Resolved: That the Members of this Presbytery in accepting the resignation of Bro. Allen Jones of the Ashe County field, desire to put on record their appreciation of his valuable services as Evangelist in Ashe County, and invoke God's blessing upon him wherever he shall labor in the Master's vineyard.

Societies.

The Committee on "Young People's", and "Other Societies" in the Church, made the following report, which was adopted—

Y. P. Societies. Your Committee finds much to encourage the Church in this department of her activities. We have nothing in the reports that come up from the Societies

but the financial disbursements and the numbers enlisted, and yet it is gratifying to think that back of this financial showing there must be a growing interest in the minds and hearts of our people in the Home and Foreign work of disseminating the Gospel. We find that there are nearly a thousand of our children and Young people banded together in this great work, under training, as we trust, of Competent and consecrated Christian leaders, who, in aiding the Children to gather a Knowledge of the great needs and destitutions of the outlying world, are at the same time emphasizing the duty of those who hear the Gospel to give it to those who hear it not. The importance of this department of work cannot be overestimated. We trust that the Spirit of self-reliance is duly emphasized, and the Children urged to Contribute of their own earnings, and made to feel that there is a place for them in the Church, and the offering of their substance to the Lord as a means of grace. We condense and tabulate the fol. Table—

Societies in the Church.

	No. Societies	No of members	amts. Contributed.	Expenses Current	Home Miss.	Home Miss.	Publication	Other Causes
Ladies Aid Societies	16	360	$784	$27.	$110.	$63.		$189.

Mens F. Miss. Soc'ys	3	87	613.		613.

Totals—	68	1582	$3179.	$185.	$1148.	$144.	$1.	$359.

Your Committee would recommend —
1. That where it is not practicable to work the entire membership of the Church as a Society, that the Pastor and office bearers encourage the separate organization of the men, ladies, and Young People into Societies, and give them all help needed.
Societies 2. That these Societies be under the supervision and control of the Sessions.
3. That all funds be disbursed through the Church Treasurer, and forwarded by him to the Presbyterial Treasurer promptly.
4 That these Societies act as Agents for our Missionary periodicals.

C. D. Robinson, Chm.

The Committee to whom was referred the Blanks in the form of questions, asking answers, relative to the Sabbath, from the Rev. Dr. Stacy, the Assembly's Chairman of the Sabbath Committee, made a report formulating answers to each question.
Sabbath The Report was adopted and ordered to be returned to Dr. Stacy.

Ministerial Education.

Education The Executive Committee on Education for the Ministery made the following report — which was received and adopted —

Orange Presbytery has had under its care during the last year Eleven Candidates — Five of these are at Union Seminary — Messrs. J. C. Story, S. C. Smith, C. L. Rogers, J. B. Massey, and

W. M. Sykes. Messrs. Story, Smith, and Rogers are in the Senior Class, and hope to take regular work at the end of the Seminary year. Messrs. Story and Smith are looking forward to work in the bounds of Wilmington and Winchester Presbyteries, respectively, and ask to be dismissed to the care of these bodies. Your Committee recommends that their request be granted. Education

Mr. Massey is in the Middle Class, and Mr. Sykes is in the Junior Class.

Mr. J. A. Ratcliffe is a Sophomore at Davidson College, and engages in Sunday School work at a Chapel near by. "

With one or two exceptions, all of these are doing well in their studies, and some of them very well indeed.

Messrs. J. A. Forbis, J. T. Smith, and G. C. Smith have been engaged in teaching since the last meeting of Presbytery, Mr. Forbis in Guilford County, Mr J. T. Smith in the McKinney Institute, Anson Co., and Mr. G. C. Smith in Anson County. The last named has also been engaged in Mission work, assisting the Rev. Allen Jervis Jr. "

Mr. J. H. Allison is engaged in business at Durham N. C.. He had hoped ere this to resume his studies, but though willing to make sacrifices to that end, he has not been able to do so as yet. He hopes the way may open up to him soon.

The remaining Candidate, Mr E. M.

Gilliard, Colored, who was taken under our care at this meeting of Presbytery, has been doing a good work at Elkin and N. Wilkesboro.

Education — The Six candidates in course of preparation have received from the Assembly's Committee on this Cause the amount of aid asked from Presbytery, and have given their notes for the same. We are glad to note that ~~one of~~ our Candidates endorse Presbytery's plan of taking these conditional notes for aid received, one giving his note for all aid previously received.

Mr. Story asks for $75. additional aid according to the action of Presbytery a year ago, and, after careful consideration of the case, we recommend that the application be granted, and that Presbytery's Treasurer be authorized to make, through the Assembly's Committee, a special donation of $75., the Contributions of Presbytery to this Cause for the year being sufficient to do this after meeting the regular appropriations to our Candidates.

" The Assembly's Secretary, Rev. J. H. Crumpkin, informs us that the Contributions to this Cause are such that the Assembly's Committee can give Candidates $85. this year, instead of $75., as at first appropriated. We recommend that Orange Presbytery approve of this action, and rejoice that it is possible.

As to the contributions of our Churches to the Cause of Education for the Ministry, for the year past, we note as

1. That they are $6.77 less than they were the year preceding — $492.87. against $499.64.

2 — That *nine Churches report nothing given to this cause this year — Asbury, Bethlehem, Gilead, Jonesboro, Little River, Mebane, Pine Hall, Snow Hill, and Stony Creek. Five Churches gave more than their apportionment — Chapel Hill, Efland, Hillsboro, Mt Airy and Yanceyville. Five Churches met their apportionments — Graham, Greensboro, Reidsville, Westminster and Winston; And the remainder fell below their Apportionments.

The Committee on the Narrative of the state of Religion made a report with recommendations. The report was adopted and ordered to be sent up to the General Assembly; and the Recommendations were also adopted for the use of Presbytery; And the report as a whole is as follows: — (Narrative)

Narrative.

Your Committee appointed to prepare the

Narrative on the State of Religion in the Presbytery, to be forwarded to the General Assembly.

Narrative — Would report, that we have had in our hands reports from Forty-Eight of our Fifty-nine Churches. We have examined them as carefully as our time allowed, and upon this examination we have the following Report:

1. That the attendance upon the services of the Sanctuary in most of the Churches has been good, and in some cases increasing. In some, the statement is made that bad weather has caused diminished attendance, and one or two Churches in the towns speak of the attendance being good on Sunday Mornings, but not so good Sunday nights, and that the Wednesday night Prayer Meeting is not well attended.

Narrative — 2. As to Family Worship. While a few of our Churches report that this important duty is observed in most of the families, most of them lament that the duty is either sadly neglected, or observed in only a few families.

Narrative — 3. As to the Observance of the Lord's Day by Members. While the majority of the Churches report that the Sabbath is observed fairly well; still from the tone of these reports, and from the avowed admission of Sabbath desecration by others, we feel constrained to believe that the encroachments of business and pleasure on our precious Sabbath of rest and spiritual enjoyment,

is becoming serious, and it becomes all our people to arise and make strenuous efforts for its integrity and better observance.

Narrative — 4. In the matter of the religious training of Children in the Home and Sabbath School, we gather from the reports that this is much neglected, especially in the home, the matter in many cases being turned over to the Sabbath School; about half of our Churches admitting this, so that we feel that this duty of vital importance is losing its former hold on our people, and we need greatly a revival, especially in the home, of a more faithful performance of this fundamental duty, both as to instruction in the Scriptures and the Catechisms.

Narrative — 5 - Fortunately, in the matter of worshiping God with our substance, and giving for the support and extention of the Gospel, the reports are more encouraging. Most of them report a good degree of fidelity in the performance of this duty, in some there being a commendable liberality - some, however, are derelict.

Narrative — 6. The same remarks apply to the special matter of the support of the Ministers. Most of our Churches report that their Ministers are paid fully and promptly - some ten or twelve, however, report balances due.

Narrative — 7 - As to the matter of special evidences of Spiritual life and growth and activity, most

Churches report that while there is spiritual life, and in some cases growth, and in a few activity, still there are not generally marked evidences, and we note that there are few cases reported of any Considerable numbers being added to the Church by profession of faith Narrative — the Grier Church reports twenty additions.

8. The reports as to Worldly Conformity vary considerably, evidently because the Churches report from different points of View. Some who evidently look at the question as referring especially to worldly amusements, say that worldly Conformity does not prevail: Others taking the matter in a broader light, admit that there is Considerable worldly Conformity; And your Committee believes that this latter view is probably most correct, and that there is much need that our Churches have impressed upon them the duty of coming out from the world and being separate from it. Narrative

9. Most of our Churches are not engaged in Evangelistic work outside their own bounds, but several are doing Considerable in this direction, both in their own immediate neighborhoods and extending into the regions beyond, especially may be mentioned the Winston Church, Greensboro 1st, Burlington, Westminster, Graham, High Point, Milton, N. Wilkesboro, and others.

In view of the facts brought out in the above report, Your Committee would Recommend:—

First: That our Ministers be urged to preach earnestly and faithfully on the matter of Sabbath Observance, the home training of the Children in the Scriptures and Catechisms of the Church, Family worship, and a more faithful separation from the world. Recommds.

Second: We also feel that the facts call for it, and we would recommend, That the Presbytery urge our Ministers and Elders to appoint in their respective Congregations, between this and the Fall Meeting of Presbytery, A day of Special humiliation, Fasting, and Prayer, that God would by his Word and Spirit, awaken us to a deeper sense of our sin and danger and responsibility, and that He would enable us to return to a more faithful honoring of Him in the observance of His day, worshiping Him in our families, instructing our Children in his word, and separating ourselves more heartily and fully from the world: And also, that at the Fall Meeting of Presbytery there shall be an informal Conference in Presbytery on the State of Religion, especially in regard to the observance of this day of Fasting and Prayer, and its results. Day of Fasting & Prayer. Conference

Gilliard

Licentiate E.H. Gilliard, Colored, since the last meeting of Presbytery, has been preaching with good success in Surry and Wilkes Counties under the direction of the Committee on Colored Evangelization. He reports his work there in a flourishing condition. He desires to be ordained at this meeting of Presbytery.

Rogers.

Mr. C.S. Rogers was one of last years Seniors at Union Theological Seminary but did not graduate, sickness forcing him to leave before the close of the year. He is now preaching at Pickens, W. Va, and his work is being blessed. He contemplates going this year to Columbia Theological Seminary for further work. He asks that Presbytery grant him a Certificate to put himself under the care of some other Presbytery, but he does not name the Presbytery to whose care he wishes to be dismissed. Your Committee would therefore recommend that

his request be not granted.

Smith

Mr. Samuel Calvin Smith who finished the Course at Union Theological Seminary last year, has spent the summer in the Ashe County field which he has accepted, and is present to be licensed at this meeting of Presbytery.

Mr. J.B. Massey, now a Senior at Union Seminary spent the summer laboring successfully with Rev. Dr Sydenstricker in W. Va. working at Blowing Rock, N.C. but writes that
Education continued poor health will prevent him from
resuming his College course at present.

N.C., and sees no prospect, we regret to say, of en-
tering School at an early day.

Forbis Smith and J. T. Smith, have not reported to your
Smith Committee since the last meeting of Presbytery,
Smith though all of them have lately been written to
by the Chairman asking for reports.

We gather these most encouraging facts from the
Executive Committee's Report to the last Assembly.
1. Most gratifying Progress in the work.
There are 53 Ministers, 3. Licentiates, 10 Can-

idates, 86. Churches, 2204 Members — 333 additions in
the past year, and $3010.00 given for Self support, show-
ing that the Colored Churches are steadily moving
toward that desirable end.
2. The Executive Committee has arranged for the
purchase of Ferguson-Williams College, at Aber- Colored
ville, N.C. with the aid of the Synod of S.C., and Work.
has also assisted in building several Churches &
repairing others.
3. The Committee proposes, with the opening of the
next Session at Stillman, to put the Students
altogether on their own support. The Committee
will furnish land, buildings, implements,
Stock, teachers, and Superintendents; and the
Students are to furnish labor, seed, fertelizers,
rations, fuel, lights, bedding, books and
Clothes, and have all the proceeds from the place.
4 The following number of Students attended the Va-
rious Institutions last sessions, as fol. At Ferguson-
Williams College 187, at the North Wilkesboro Insti-
tute 30, and at the Alexander Academy, Vicksburg,
Miss. 145, making a total of 362.

II Presbyterial Work.

Colored Work Your Laborers have faithfully prosecuted
the work during the past six months —
1. Rev. S. G. Walker, though sorely afflicted with
Walker sickness and death in his home, has met
all his appointments at Clark Memorial Church
The Church is in good condition, and the Services
here have been well attended. Protracted Ser-
vices were held in August, and though there
were no Professions, yet the Church was

greatly refreshed. Having moved to his own house in Burlington, Bro Walker has begun
Colored Work — Mission work at that place, proposing to preach there once a month, and in the Course of time, to build a Chapel. He now has a Sunday School of 40 Scholars.

Palmer — 2. Rev. B. B. Palmer has been constantly at the post of duty, though having having to farm from necessity, he has not been able to do all he desired. He expects to put up a School house this fall and winter, and to operate his day School during the Coming Session. His Sunday School is quite interesting, having 90 pupils on the Roll.

Gilliard — 3. Licentiate E. M. Gilliard has stuck closely to his work at North Wilkesboro and at Elkin since Spring. He is endeavoring to build a Basement under the Elkin Church, and has already $75.00 toward it, and he solicits help in the matter.

Recommendations.

Elkin Ch. — 1. That $10. a month be appropriated to the Elkin Day-School for the Coming Session.

2. That all our Churches be urged to give more liberally to this Cause, now as needy as ever and more encouraging than it has ever been.

Clark Memorial Ch. — 3. That your Committee be authorized to collect the interest from the Clark legacy, for the benefit of the Clark Memorial Church and Sunday School.

J. McL. Seabrook, Chairman.

It was moved and carried that Presbytery appoint a committee of two to visit and inspect the Church and work of Rev. B. B. Palmer, near Milton, this evening; and the Rev. J. McL. Seabrook and Elder J. M. Scott were appointed. — Elkin Ch.

Candidate S. C. Smith being present and asking for licensure, it was moved and carried that Presbytery proceed at once to his examination.

Whereupon, Mr. Smith was examined, in open Presbytery, on experimental religion and his motives for seeking the gospel ministry. He was also carefully examined on Theology, Church History, Church Government and the Sacraments. All these examinations were "close and particular", and the examination upon each topic was passed upon separately, and sustained as Satisfactory. — Examination of S. C. Smith

It was then ordered that Presbytery hear the popular lecture of Candidate Smith this afternoon at 4:45 Oclock, and his trial Sermon tomorrow morning immediately after the report on Home Missions at 10. Oclock. — Lecture

The Committee appointed to write a paper for the Rev. S. G. Walker offered the following which was adopted—

This is to Say—

Through the undersigned Committee, that Orange Presbytery regards the Rev. S. G. Walker as a Sincere and devoted Minister of his race, in the Presbyterian — Paper in behalf of Walker.

Be it Resolved:

That Presbytery has heard with much pleasure the address of Prof. Dinwiddie, President of Peace Institute, and that we rejoice in the prosperity of this admirable School for young ladies. We deem it sufficient at this time to say that we are warranted in reiterating our former endorsements and recommending to the sustained and strengthened ideals of Christian character and culture in the actual work of the Institute.

A most interesting and impressive address was then delivered by Rev. M. C. Arrowood. A special prayer was offered by the Rev. Dr E. C. Murray, and the report was adopted. It is as follows: —

Address

Foreign Missions.

Your Committee on Foreign Missions would respectfully report: That the last annual report shows that Orange Presbytery contributed the sum of $ 4634.00 to this cause, being not only the largest amount of any of the Seven Presbyteries in North Carolina, but, with one single exception (that of Nashville Presbytery

Orange Presbytery Contributed

with $4651.) the largest amount reported by any of the Seventy-Seven Presbyteries in the Southern General Assembly—The Attala Presbytery comes next to ours with $455.80.; F. Missions and yet out of our Sixty Churches there are ten which made no collection for this Cause—Viz: Pine Ridge, Ebenezer, Solomy, Snow Hill, Wardsville, Rangemount, Hollaways, and the Colored Churches of Elim, Clark Memorial and Beulah.
If these, and other Churches which may in their gifts, will but exercise a little forethought and self-denial, they can put Orange Presbytery in the very forefront, as the banner Presbytery of the South in the matter of liberality to this great Cause which is the life and joy of the Church.

The hour having arrived to hear the report of the Executive Committee on Home Missions, the Rev Dr. E.C. Murray, Chairman, conducted the devotional exercises and presented the report of the Committee. Interesting addresses were made by Rev. B.W. Mebane D.D. and Rev. W.A. Murray, giving an account of their labors and prospects in their respective fields. The report was then adopted, and is as follows:—

Home Missions.

Home Missions

Home Missions.

Tidings from the Fields.

1. Chapel Hill. The attendance of the University Students has been very gratifying. Twelve new members have been received, four on profession, and there are good prospects of other valuable accessions.

Home Missions

There are good congregations at New Hope, and they show a disposition toward increased self support. Some improvements have been made on the Church Building. There were deeply interested Congregations during the protracted meeting, but no accessions. Bro. Currie preaches one Sabbath afternoon a month at two points in the Country, Duke's Chapel and White Cross, where he has appreciative Congregations.

"

Cassvell. The Manse at Yanceyville was destroyed by fire this Summer and Bro. Williamson lost much of his personal property. There is nothing else of special interest to report. Only one protracted meeting has been held at Stony Creek. There was one accession and will be others soon. Other meetings will be held this fall.

Rockingham. Bro Mebane is doing a great work in this County, supplying most acceptably four Churches and five regular Mission points. Sixteen members have been received, and thirteen adults baptized: A substantial, commodious Church building has been erected at the intersection of two main public roads near the centre of the County, five(½) miles west of Wentworth. It was built chiefly by the self-denying efforts of the neighborhood people and some of the Wentworth members. It is now complete except as to seats and painting, and is all paid for except about $90. The Congregations here are large and eager. A fine Sunday School is conducted by two of the Wentworth Elders and other members. A meeting was held at this point, which they have named Smyrna, in which there were over twenty professions of faith, and twelve members added to Wentworth. Others will probably join.

Home Missions

Stokes. Bro. Miller has filled all his appointments at five Churches and five mission points. Four protracted meetings were held, all very stimulating to the Churches. There were a number of professions

of faith but only two accessions - at Dan River. Two will probably join at Asbury.

Wilkesboro. At Wilkesboro there are encouraging congregations, and the Sunday School is in good working condition. Three members have been received on profession. At North Wilkesboro the Sunday School is in a healthy condition and the prayer meeting well attended. The membership of this Church has nearly trebled in the past five years, and its liberality is most commendable. At Elkin there is increased attendance, and the membership is a devout little band. They are making some improvements on their Church Building. Three members have been added on profession and one by letter from another denomination. Others will join soon. At the Oakwoods mission there are large congregations of young people, and a fine Sunday School. The day School will be taught this winter by one of the ladies of North Wilkesboro.

Home Missions

Alleghany. At Rocky Ridge the Church Building will soon be completed. No debt has been incurred but more funds will be needed for Seats and Ceiling. There is rapidly increasing interest at this point. At Sparta Seven members have been received, five of them being heads of families. A subscription has been started for the erection of a Church Building. At Bellview the congregations are large

Home Missions

and interested, and there is good prospect for the organization of a Church. Bro. Murray has nine regular preaching points.

The Assembly's Home Missions.

The Assembly calls for $50 000.00. for this Cause, and Our Presbytery's proportion is about $1000. Our present apportionment amounts to only $444, and our annual collections to about $350, each Church, therefore, should hereafter contribute at least double the amount apportioned in our present schedule. Last year, of our 59 Churches, 22 contributed nothing to this cause, and 24 others averaged only $2. each; so that only 13 Churches gave any appreciable amount. Only 5 Churches gave more than $7. each. We urge our pastors to inform the Churches of the critical spiritual condition of vast sections of our rapidly growing South and South-West, and of the splendid opportunities for mission work in those regions.

Home Missions

As to the Financial needs of our Presbyterial Mission work, we would again emphasize the fact that our regular revenues barely suffice to pay the current Salaries of our Missionaries, even on the scale to which we have now reduced them, and that the deficit of past years, which still constitutes a debt of about $550., must be met by Special Contributions from Churches and individuals.

In answer to the letter from the Elders of the Little River Church, Your Committee would recommend that that congregation be advised to endeavor to secure the services of Rev. J. W. Goodman for one Sabbath a month, with the consent of Fairfield and Enon Churches.

Smith, on the text — "If any man will come after me, let him deny himself, and take up his cross daily, and follow me". Luke 9:23. was sustained as satisfactory; and it was ordered that Presbytery proceed to license him this evening immediately after the preaching Service.

The Permanent Committee on the Bible Cause presented the following report which was adopted:—

Bible Cause.

Bible Cause

Your Committee would report that only twenty-one of our fifty nine Churches contributed anything to this important cause, during the year. These 21 Churches contributed $101.00 which is an increase of $10. over the contributions of last year. We are glad to note this small increase, but

we are sorry to report that nearly two thirds of our Churches have neglected this Cause altogether. The importance of the work being done by the American Bible Society is so patent to everyone who gives the Subject any consideration at all, that it would seem unnecessary for Your Committee to urge its importance upon the Presbytery; Yet the fact that so many of our Churches neglect this cause is an evidence that it is necessary it emphasize the incalculable value of the work of the American Bible Society to the progress of the Church both at home and abroad. We, therefore desire to call special attention to the following facts, suggested to us largely by Dr. Thos. H. Law, our Bible Agent.

Bible Cause

1. The distribution of the Scriptures among the people in their own languages is indispensable to the successful work of the Church, and is sacredly obligatory upon us to whom the divine oracles have been committed.
2. The American Bible Society is our recognized Agent for this department of our work.
3. This Society has been doing through many years, and is now doing for us a grand & efficient service in both our Home and Foreign fields.
4. Our Church is giving this Society a very meagre support in all this important and valuable service. Not only have 38 Churches in our Presbytery contributed nothing to this Cause,

but nine of the churches that did contribute gave only one dollar each. However, if the Churches that did not contribute at all, had given even one dollar each, our report would have been more creditable to the Presbytery.

5. The opportunities for this work of disseminating God's word were never so great as at present: the doors are wide open to admit it; the people everywhere waiting to receive it, and the agency is at hand to carry it.

Bible cause. Your Committee would remind our Pastors and Sessions that the 3rd Sabbath in October is the regular time for our annual collection for the Bible Cause, and would urge that the people be given an opportunity of contributing. Will not our Pastors see to it that at least every Church that is open for worship on the 3d Sabbath of next month shall have this opportunity?

It was then moved that Presbytery proceed

at once to ordain licentiate S. C. Smith as an Evangelist. After some discussion of the matter, the following paper embodying the reasons moving Presbytery to this action, was adopted —

The Ordination of S. C. Smith

Whereas, in view of the fact that licentiate S. C. Smith has been formally called, Six months ago, by the Synodical Home Mission Committee, and that since that time he has been preaching the Gospel under the Supervision of said Committee and thereby answering the ends of the Book of Church Order in reference to licentiates looking to ordination; And in as much as this Presbytery has carefully examined him on all the subjects required for licensure and ordination, and as he has successfully and satisfactorily answered to all of them, Therefore:

Pub'n and Colportage Your Agent would report that in accordance with the report of the last Gen'l Assembly, Publication is in a healthy and vigorous condition. But it has suffered a sad loss in the death of our efficient and faithful Secretary, Dr. Hazen.

As regards Colportage within our bounds and under our own supervision, our Treasurer reports $100. to the Credit

of this work. But this, and more, was needed and would have been expended in this work, but for the failure to secure for the past Summer a Colporteur. Up to the end of June your Agent had every reason to expect to have in our employ, as a Colporteur, one of our Candidates for the Ministry, but he was providentially hindered from entering into this work.

Apportionments and Assessments

The Permanent Committee on Apportionments and Assessments made a report through the Chairman, Rev. E. C. Murray D.D., which, after a thorough explanation by the Chairman, was adopted: And that part of the report showing the basis upon which the Table is made, is as follows. — See Table in the Appendix.

Apportionments & Assessments.

Your Committee on Apportionments re herewith submits a revised Schedule together with the following facts —

1. Need for Revision.

An important paper.

The present Schedule is not apportionly constructed on any definite principle. In determining the Apportionments to each Church for the various Causes, no law of proportion seems to be observed, and hence the Schedule abounds in inconsistencies. Our Churches have changed considerably in membership and wealth without corresponding changes in the apportionments. Our Presbyterial apportionments for some Causes have recently been largely increased. We are now called upon to raise $1088. for Assembly's Missions, instead of $444. as heretofore: for Synodical Missions our Apportionment is raised from $2000. to $2500.; And our present Apportionment for Foreign Missions do not represent either the needs of the

Apportionments and Assessments

Cause, or the liberality of the Churches being less than $2000.

2. The Method of the new Schedule —

The basis of calculation throughout is the Apportionment for Foreign Missions. This is taken as being the largest amount and therefore being a convenient dividend. This Apportionment for Foreign Missions is determined for each Church as follows — The town Churches are apportioned at the rate of about 40 cents pr member; the Village Churches at about 50 Cents pr. member; the Country Churches at 30 Cents pr Member, and the Mission Churches at 20 Cents pr member. The exact rate for each Church is determined by the financial ability of its membership. The Amounts for all other Causes are determined by taking a certain fractional part of that for Foreign Missions, go follows — Assembly's Missions, One third; — Synodical and Presbyterial Missions, and Orphans Home, One half — Education for the Ministry, One fourth; Presbyterial Fund, One Sixth — Ministerial Relief and Colored Evangelization, One Seventh; Publication and Colportage, One Eighth; Church and Christian Education and Bible Cause,

one thirteenth. We have included these last two Causes, because they are parts of the regular Schedule, and should not be overlooked.

Apportionments and Assessments

The total amounts according to the above plan are just about what are needed for the various Causes, and the grand total differs very little from that of the old Schedule. The Chief difference between the two Schedules is in the distribution of this amount among the Causes and among the Churches. The total apportionments for all Causes pr. Member amounts, for the town Churches, to about $2.70 — for Village Churches, to about $1.90 pr Member — for Country Churches, to about $1.15 pr Member — And for Mission Churches, to about 80 Cents pr. Member.

" 3. The Merits of this Schedule —

It is constructed according to a definite Principle, and is consistent throughout. And while the Principle is a permanent one, its application to each Church is elastic; and the whole Schedule may be easily revised from time to time to meet changing conditions. The distribution of the burden among the Churches is effected on an equitable basis, and if there is any unfairness it can readily be detected and corrected. The Apportionments being partly on the basis of Membership, Sessions will be incited to

transfer non-resident Members.

" We recommend the adoption of the accompanying Schedule or Table of Apportionments and Assessments, formulated in accordance with the foregoing plan. Signed: E. C. Murray, Chm
D. I. Craig.
J. B. Fuller.

Presb'tl Fund According to Standing Rule, the Roll was called to find out what Churches had, or had not, paid their Assessment to the Presbyterial Fund.

The reports in the hands of the Stated Clerk show that 29 Churches paid in full, 10. paid in part, 12 paid nothing, and 11 make no report — S. Clk.

"Latin Thesis" overture The hour having arrived for the consideration of the Overture sent down by the Assembly, in reference to the proposed change in the Form of Government touching the "Latin Thesis" required of Candidates for licensure, the Presbytery proceeded to discuss the matter with considerable zeal and earnestness, and at the conclusion of the discussion, the vote was taken, and resulted in favor of the proposed Change — there being 12 for, and 9 against it.

Second Day — Evening Session.

Mount Airy, N. C.
Wednesday, April 8. 1903.

Foreign Missions

Presbytery met at 8 o'clock P. M. and a large congregation was present.
The order of the day being a popular meeting in the interest of Foreign Missions, the Chairman of the Executive Committee of Foreign Missions, Rev. R. E. Caldwell, D.D., presided, conducted the devotional exercises, and presented the report of the Committee.

Sermon

A missionary Sermon was preached by Rev. E. C. Murray D.D. on the text — "And they

went forth and preached everywhere, the Lord working with them, and confirming the word with signs following." Mark. 16.20.

The report, which also includes the report of the Woman's Missionary Union, was then adopted, and is as follows: —

Foreign Missions

Foreign Missions

Your Committee on Foreign Missions takes great pleasure in announcing that the Rev. E. C. Murray D.D. has consented to preach the Presbytirial Sermon on Missions at the present Meeting.
It is hoped and expected that our Churches will enlarge their contributions to this Cause so dear to the Master's heart. It may not be generally known that a few dollars more will make us the Banner Presbytery in the South: Indeed, we had the right to claim the first place in the amount Contributed last year, but the fact was not known in to season the proper vouchers. We feel that the enlarged interest in this Cause throughout our bounds during the past few years, is in great measure, due to the devoted Women who have organized their Societies into a Presbytirial Union, and established a work which has more fully proved its merits and right to the confidence of this Presbytery.

Report

Woman's Union

We submit herewith the official report of the Secretary of the Woman's Missionary Union, for the year ending, March 31. 1903.

Woman's Union

The Annual Meeting has just been held in Lexington, N.C., and is reported to have been the most helpful and inspiring held in the six years of its history.

The Report is as follows:—

Woman's Foreign Missionary Union of O.P.

For the year ending March 31. 1903.

We report 523 Adult Members, 480 Junior Members, and 58 on the Cradle Roll, making a total membership of 1061.

" Contributed to Foreign Missions $976.35, by adults, and $202.54 by Juniors, making a total of Contributions — $1178.89.

" There have been distributed and taken 216 Copies of the Missionary, 100 Copies of the Children's Missionary, and 75 Prayer Calendars.

" The Missions Union, through its annual Meeting, Provides for —

1. A visitation of weak Societies and the women and children of Country Churches by a returned Woman Missionary.

Miss Lizzie Moore of the Japan Mission made a partial tour last September, and will be done the work in the Coming Summer.

2. The presence of a Missionary at each annual Meeting — who meets and talks informally with the representatives of Societies, and makes a public address on Missions. Thus, in the six annual Meetings held, the following Missionaries have been present: Rev. Isaac Yonan, Rev. R. L. Wharton, Rev. B. C. Patterson, Dr. Geo. Worth,

Rev. J. W. Davis D.D. and Rev. John W. Moore.

3. A public address on Missions by a well known Minister or Speaker.

4. Interchange of thought, plans and Methods, by papers and talks on timely subjects.

The Meetings are devotional in Character: the training of Children in Missionary knowledge and work is given special place and emphasis.

Mrs. E. C. Murray. Secretary.

We would again Commend this work to the Ministers and Elders of our Churches, Each and every one, with the language of the Apostle — "I entreat thee also, true yokefellow, help those Women which labored with me in the Gospel."

Colored Evangelization

Colored Evangelization.

Your Committee respectfully submit the following report—

I. The Work.

The work in our bounds seems to be in a very good state, and is, therefore, encouraging.—

1. At Elkin, the Rev. B. B. Palmer has the work well in hand, he preaches regularly three times a month, with an attendance of 50.—has held Cottage Prayer Meetings and has a good S. School all the year, with 50 pupils—he also has a good day School with 55 pupils—5 months. Two families take a Religious Paper—Collections were taken up for Home and Foreign Missions, and Colored Evangelization.

2. At Beulah, Rev. E. W. Gilliard is pastor—he preaches regularly twice every month, with attendance of about 75—Prayer Meetings are held statedly and the Sunday School the year round with 15 pupils. There is a day School of 25 pupils—No Collections were taken.

3. At Elkin, Rev. E. W. Gilliard is pastor—here he has one service each month with an attendance of 50. Prayer Meeting and Sunday School are held regularly the year round. —15 Pupils in Sunday School and 2 of them received into the Church. There is a very good day School of about 30 pupils, and one family takes a religious paper. Collections were taken for Home and Foreign Missions and Colored Evangelization.

Colored Evangelization

4. At Clark Memorial, Rev. S. G. Walker has been the Stated Supply. He formally tenders his resignation, having taken work with a Congregational Church at Burlington N.C. He met all his appointments last year—no special interest, & the work about as a year ago, though growing slowly, yet a great blessing to people at that Point.

In this connection, we report that the Trustees of the Clark Legacy decline to pay the interest on the same to your Committee, as we are not the Treasurers of the Clark Memorial Church and Sunday School.

II The Finances.

The contributions by the Churches to this cause exceed a little, those of last year. About half of the Churches contributed, and the other half did not. The Churches that Contributed are—Bethel, Bethlehem, Buffalo, Cross Roads, Danbury, Dan River, Durham, Elkin 1st, Elkin Col'd, Fairfield, Graham, Greensboro, Griers, Hawfields, High Point, Hillsboro, Leaksville, Madison, Mebane, Milton, Mt Wilkesboro, Red House, Reidsville, Roxboro, Speedwell, Wentworth, Westminster, and Winston.

Those Churches that did not Contribute are—Alamance, Asbury, Ashboro, Bethany, Bethesda, Beulah, Burlington, Chapel Hill, Clark Memorial Elon, Ebenezer, Eno, Gilead, Hallaways, Jamestown Lexington, Little River, Midway, Mt Zion, New Hope, Pine Hall, Sandy Ridge, Saxapahaw, Springwood Snow Hill, Stony Creek, Wilkesboro, Yorkville & Yanceyville.

Some of these Churches being weak numerically and financially are excusable, perhaps, for not giving to this Cause; but others being strong numerically and financially ought not to be found on the delinquent list.

Receipts—

Balance on hand last Spring—	$148.43
Received during the year from Treas. Fuller—	$227.39
Total —	$375.82

1. The Synod recommends that the Presbyteries at their Spring meetings, do instruct each of their Ministers to preach upon the divine authority and observance of the Sabbath Day.
2. That each Presbytery in the Synod appoint a Committee to Consult and report Some Plan for the establishment of a Presbyterial Circulating Missionary Library, for Ministers and Elders.
3. Orange Presbytery is expected to raise $250. for the Cause of Church and Christian Education as its Specific Apportionment.
4. Each Presbytery is urged to provide the way for raising its Apportionment for the Orphans' Home, in order to

carry out the action of the Board apportioning $10000. among the Presbyteries.

The Executive Committee on Ministerial Relief Rev. M. C. Arrowood, Chairman, submitted the following report which was adopted —

Ministerial Relief.

Your Committee on Ministerial Relief have very little to report. The new plan inaugurated by the last two Assemblies is not yet in full operation in all its details, but we are glad to report that progress is being made, and we believe the full operation of the plan will result in bringing this so long sadly neglected Cause to the place in the heart and gifts of the Church that it deserves. Ministerial Relief

Your Committee has recommended that Rev. H. D. LeDuc be relieved to the sum of $100. a year. The Assembly's Committee has approved our recommendation, and will believe Bro. LeDuc to this amount in quarterly payments, beginning April 1. 1903.

The Contributions to this Cause have apparently had a slight falling off from last years, but the large Contributions of other years were the result of large individual Contributions, so that as a Church our Contributions have slightly increased in favor of this year. Some Churches have paid more than their Apportionments, Viz — Gilead, Bethany, Hebron, N. Wilkesboro, Burlington

Danbury, Wilkesboro, Yanceyville, Mt Airy, Bethesda, Wentworth, Elkin, 1st Durham, Leaksville, Asheboro, and Winston. Some have paid their apportionments in full, Viz: Graham, Grimy, Westminster, Reidsville, and Hillsboro. Some have paid a part of their apportionments, Viz — Pine Hall, Buffalo, Stony Creek, Bethel — Greensboro, Hawfields, Fairfield, Mitton, Eno, Madison, Chapel Hill, Cross Roads, High Point, Alamance, Jamestown, New Hope and Red House. The following Churches have paid nothing — Asbury, Bethlehem, Clark Memorial, Dan River, Ebenezer, Elkin Col; Elon, Holloways, Jefferson, Lexington, Little River, Mebane, Midway, Pine Ridge, Rangemont, Sandy Ridge, Sozapahaw, Speedwell, Springwood, Snow Hill and Worthville.

Ministerial Relief

The Apportionments to the Churches for this Cause were $375. and the amount Contributed by the Churches was $323.

We recommend — That each Minister be instructed to explain thoroughly the Plan of Ministerial Relief, adopted by the General Assembly, to his Congregation, and as Moderator of his Session, bring the Assembly's plan before the Session, for adoption, and the appointment of a Sessional Committee on Ministerial Relief.

Peace Inst. Board

On motion, Ruling Elder H. L. Linthicum of Durham N.C. was appointed on the Board of Visitors to visit Peace Institute, in place

of Mr. Geo. D. Heartt, removed from our bounds.

Young People's Societies

The Standing Committee on Young People's Societies, Rev. John H. Grey, Chairman, submitted their report which was adopted and ordered to be forwarded to the Assembly. The report, except the Answers to the questions asked by the Assembly, is as follows —

Your Committee have received reports from 34 Societies in 19 Churches, with Membership and Contributions as follows —

Membership — Males 243, Females 581, making a total Membership of 824.

Contributions — Current Expenses $9.54, Foreign Missions $296.77, Home Missions $43.78, Other causes $164.27, making a total of Contributions, $514.36.

Missionary Library Com. Appointed

In view of the report of the Committee on the Minutes of Synod, and in pursuance of the recommendation of Synod, page 83, on motion, the Moderator appointed the following Committee to devise plans for establishing the Circulating Missionary Library for Ministers and Elders — Rev. E. W. Smith D.D. Rev. E. E. Gillespie and Mr L. Richardson.

Report

The Rev. Joseph Evans, Agent of Publication and Colportage, Submitted his report which was received and adopted, and it is as follows —

Publication and Colportage.

Publication and Colportage

Your Agent begs leave to report, that according to the report made to the last General Assembly the Publication interest is in a satisfactory and prosperous condition, having had Sales 20 pr. Cent greater than on the previous Year. This increase was, as is there shown, by the ready sale of the recently adopted Psalms and Hymn Book. And as this Book had not been long on Sale when said report was made - and as this Book has an exceedingly choice collection of Hymns and is very judiciously arranged, this increase of Sales has probably continued.

Since the death of the Assembly's very faithful and efficient Secretary, Dr. Hazen, this department of Church work has been under the care of Dr. A. E. Phillips who has been discharging very satisfactorily its duties. With the month of April he has begun to issue a "Home Department Quarterly", which is taken by our people, and if used as it ought to be, will be a great blessing in many a home.

Report

Next, as it regards the prospects of Colportage within our own bounds, as stated in the report to the fall meeting of Presbytery, there were $100.00 in the hands of our Treasurer to the credit of this work. To this has been added by our recent Collections $75.00, this being our share of these contributions. We have every prospect of securing for this work the services of a Candidate for the Ministry now in attendance at Davidson College, for the approaching Summer, for whom we ask the kindly and earnest Co-operation of all our Pastors and Churches.

Joseph Evans, Agent

Our receipts fall below those of last year, but are much greater than those of any other previous year. We have reduced the debt by $81.00, as the policy of the Committee is to make no appropriations beyond our regular income, and if the debt were once liquidated, we would in the future maintain a clear balance sheet. The following Churches deserve special Commendation for having largely overpaid their apportionments – Elkin, Col's, Greensboro 1st, Grier's, Lexington, Madison, Red Hawse, Roxboro, Stuart's worth, Westminster, Wilkesboro, Winston, and Yanceyville. Those have paid in full: Asheboro, Bethesda, Bethlehem, Burlington, Danbury, Durham 1st, Elkin, Enos, Graham, Hawfields, Hillsboro, Leaksville, Little River, Mt Airy, Pine Hall, Reidsville and Stony Creek. Those have Contributed about two thirds of their apportionment: Bethany, Bethel, Cross Roads, High Point, Jefferson, Saraphaw and Spurgwell – Those have given about one half: Alamance Buffalo, Fairfield, Midway, and N. Wilkesboro – Those about one third: Asbury, Jamestown,

Chapel Hill, Milton and New Hope. And the following have given little or nothing: Clark Memorial, Dan River, Ebenezer, Elim, Gilead, Hollowways, Mebane, Pine Ridge, Rougemont, Sandy Ridge, Springwood, Snow Hill and Northville.

Home Missions

II. Our Fields and Evangelists.

Caswell: Rev. S. H. Williamson reports 28 new members: Most of these are the fruits of Bro. Black's meeting at Bethesda. Two Sunday Schools have been organized. The Churches are in fairly good Spiritual condition. The Yanceyville Manse was burned last year, but will be rebuilt this Summer. A member of the Stony Creek Church has decided to Study for the Ministry — a Mr Walker.

Rockingham: Dr. D. H. Mebane supplies 4 Churches and 4 Mission points, preaching generally three times on Sunday and holding weekly Prayer Meetings. He has flourishing Sunday Schools at Rock School House and Smyrna. The latter is a most promising mission near Wentworth, and will probably soon be organized into a Church. The Elders and Members of the Wentworth Church are to highly Commended for their labors and liberality in supporting it — A neat and substantial building has been erected and furnished. In a Meeting there last fall, there were 14 accessions to the Church. In the whole field, Dr Mebane has ordained two Deacons, received 18 Members on Profession, and baptized 14 adults and 10 Infants. The Rev. William

Black is to hold a Meeting at Madison in May.

Stokes: The Rev. Cornelius Miller gave up this Field in February, and no report has been received. There are five Churches with a total membership of about 200. Mr. H. M. Sikes, one of our Candidates, will supply this field this Summer. The Rev. R. H. George preaches at Pine Ridge and a number of Mission points, and is doing a good work.

Home Missions

Wilkes. The Rev. D. H. Robinson has received three members on Profession and one by letter at Elkin. The Wilkesboro Church has suffered by the removal of three families, but Six members have been added on Profession. This little Church is very zealous and liberal. The ladies are now refitting the Church Building. The Sunday School is in good Condition. The Oakwoods mission is making good progress: Since its organization there has been decided improvement in Sabbath observance in the Community.

Alleghany: The Rev. W. A. Murray has Seven preaching points, and has travelled since the last Meeting of Presbytery 2479 miles, and has made 237 pastoral visits. He has received in Contributions to Church Erection $46.65. Mr. James H. Carson of Charlotte, N.C. proposes to give $800. to build a Church at Sparta, on Condition that Orange Presbytery assure him that within one year after the Church is completed, a Manse of about the same cost will be built. Bro. Murray has about

$200. already toward the Manse, and thinks that about $350. more are in sight.

At Rocky Ridge a Church building has been completed, at a cost of $465. There is now therefore no County in Orange Presbytery without a Presbyterian Church. A good meeting was conducted here by The Rev. S. C. Smith in March, resulting in three accessions. There are now five members at Sparta, and nine at Rocky Ridge.

Bellview is one of the most promising Mission points in the field, and a Church should be erected there as soon as possible. It is a fine community and the congregations are large. Bro. Murray expects to leave the field this month, to our deep regret, but we have secured Mr J. B. Massey, a graduate of Union Seminary and a man of great promise, to succeed him.

Home Missions

Ashe: Our Evangelist S. C. Smith is supported by Greensboro 1st Church through the Synod's Committee. There are two organized Churches, two principal Mission points, four good Church buildings, and a flourishing Presbyterian High School at Nathan's Creek. The total Membership is 88 — four accessions on profession.

There were received in all the fields this year 74 new members on profession of faith — more than one third

of the number (272) received in the whole Presbytery.

Local Missions. Two of our town Missions — that of the Pearl Mill, Durham, and that at High Point, have been organized into Churches. A Chapel will probably be built at the Oneida Mill, Graham.

Home Missions

III Synod's & Assembly's Missions.

The appropriation of this Presbytery for Synodical Missions has been raised to $250.00, and we have contributed this year, $203.1.

The Assembly now asks us for $108.8. for its Mission work, and Synod has set apart the two months of January and September for that Cause. The Assembly's Secretary reports only $57.71 received.

IV. Recommendations.

1. That the following appropriations be made for the ensuing year — To the Carmell Field $100. To the Rockingham Field $250. To the Wilkes Field $250. And to the Randolph Field, till the fall meeting of Presbytery, such an amount as will be proportionate to $200. for a whole year's Service.

2. That the following Missionary Supplies be appointed — At Roxboro, R. G. Matheson — Jamesville, E. R. Leyburn — Bethesda, J. H. Goodman — Stony Creek, R. H. Kines — Madison, Wm Black — Dentworth, R. H. Culbertson — Mt Airy, S. M. Rankin — Asheboro, R. E. Caldwell — Asbury, S. M. Rankin — Danbury, D. I. Craig — Dan River, E. C. Home Missions

3. That Presbytery gratefully acknowledge the liberal offer of Mr J. H. Carson, Charlotte N.C, to build a Church at Sparta, and that the Rev. W. A. Murray be appointed a Committee to raise the funds necessary to erect a House and so fulfil the conditions of Mr Carson's offer – Mr Murray's expenses to be paid by Presbytery – And that the Home Mission Committee shall, for the Presbytery, endorse at their discretion for the Satisfaction of Mr Carson the Subscriptions collected for this fund.

E. C. Murray.
Chairman.

The following Ministers and Ruling Elders were elected Commissioners to the General Assembly – Principals, Rev. C. E. Hodgin, Rev. J. H. Grey, Mr. W. C. Rankin and ~~Mr E. C. Murray~~ Rev. E. E. Apportionments &c Reported. Adopted Docketed

The report of the Committee on Apportionments and Assessments was taken up as unfinished business. The motion having been made & carried to reconsider the action adopting the report. After considerable discussion and pending further consideration, the report went to the docket.

The Executive Committee on Ministerial Education, Rev. C. E. Hodgin, Chairman, presented their report which was received and adopted – as follows –

Ministerial Education

Ministerial Education

Orange Presbytery now has under its care Eight Candidates for the Ministry. Only two of these, however, are in course of preparation for their life work. J. B. Massey and W. M. Sikes are at Union Seminary, in the Senior and Middle Classes respectively, and both of them are doing excellent work. Mr Massey has been awarded the Hoge Scholarship and expects to return to the Seminary next Fall to pursue Post graduate Studies. He has been engaged to take charge of the Alleghany County field this Summer.

Massey Sikes

Mr Sikes will spend the summer in the Stokes County field, and return to the Seminary for the fall to complete his course.

J. A Ratcliffe is engaged in business in Fayetteville N.C. He reports that his health is still very poor, but hopes to be able to enter College again next year.

Ratliffe

J. H. Allison is still engaged in business in Durham N.C. He hopes to resume his studies as soon as practicable.

Allison

J. I. Smith is still engaged in teaching.

Smith

He reports that he still desires to enter the ministry, but the way is not clear for him to enter the Seminary at present.

Ministerial Education King

Gentry W. King, Colored, reports that he expects to farm this year. He has at present no definite plans for pursuing his education.

Forbis & Smith

J. M. Forbis and G. C. Smith have made no report whatever to your Committee.

As to the Contributions to this Cause, Your Committee would report that Forty Churches have contributed $645.75, which is $106.25 less than our apportionments, the amount of our apportionments being $752. The following ten Churches are to be especially commended for paying more than their apportionments x Asheboro, Elkin, Greensboro, Ens, Griers, Mt. Airy, Red House, Wentworth, Westminster and Bethany. The following Six Churches have been faithful to this Cause, paying their apportionments in full — Burlington Graham, Hillsboro, Reidsville, Winston and Yanceyville. The following five Churches have paid as much as three fourths of their apportionments — Durham 1st, Madison, Bethesda, Speedwell and Midway. The following four Churches contributed one half or more of their apportionments — Buffalo, Dan River, Danbury and Sarapahaw. The following ten Churches have paid one fourth or more of their apportionments — Bethel, Chapel Hill, Cross Roads, Fairfield, Hawfields, Lexington, Milton, New Hope, North Wilkesboro and Pine Hall. The following eight Churches report no

x See Amounts in Printed Minutes p. 396.

collection at all for this important Cause — Clark Memorial, Ebenezer, Gilead, Jamestown, Jefferson, Mebane, Pine Ridge and Wilkesboro.

Ministerial Education

Your Committee has no recommendations to offer, but would urge all of our Pastors and Sessions to bring their Churches up to their apportionments for this Cause. Dr. Sumpkin, our Assembly's Secretary of this Cause, reports that there are now fifteen more beneficiaries on our roll than there were last year. This statement makes it apparent that larger contributions are needed for this important Cause.

C. E. Hodgin, Chairman

Forbis dropped.

On motion it was ordered that the name of J. M. Forbis be dropped from the roll of Candidates for the Ministry, inasmuch as it is known that he has enlisted in the U.S. Army: And furthermore, that the Chairman of Education be directed to write to certain other Candidates and ascertain their intentions as to the Gospel ministry, and bring in a report and recommendation at the next Stated Meeting.

other Candidates

Narrative

The Standing Committee on the Narrative Rev. E. W. Smith D. D. Chairman presented the report of the part of the Committee which was received and adopted. It was also ordered to be sent up to the Assembly and read to the Chur

ches. It is as follows —

Narrative.

Your Committee would report that the Narratives of 46 Churches have been placed in their hands, & three or four of these are very incomplete.

Narrative As to attendance on Church Services 23 Churches report it as good, 14 as very good, a few as fair but growing, while some lament neglect of Sunday night and midweek Services.

As to the observance of Family Worship, the vast majority of the Churches report that this essential family duty is generally neglected and a few report its total neglect. The reports of Eight Churches are more cheering of these eight, three (Friers, Gilead and Red House) all in the Country, report the practically universal observance of family worship.

With scarcely an exception, our Churches report the observance of the Sabbath as good, or fairly good, with occasional exceptions regarding Sunday travel and Newspapers, especially in Town Churches.

The majority of the Churches report faithful training of the children and youth in home and Sunday School, in the Scriptures and Catechisms of the Church. We note, however, that the fear is often expressed that parents are allowing the instruction of the Sunday School to supplant that of the home. Six Churches report lamentable neglect of home and Sun-

day School training. We are glad to note that one of our Pastors (Dr Caldwell) has recently conducted a Series of Special Friday night meetings for the instruction of his young people.

Narrative Twenty nine Churches report Pastor's Salaries paid in full. Thirteen report Salary not paid, but measures taken to secure payment. Twenty nine Churches report their people as faithful in worshipping the Lord with their substance, and many of these 29 report their peoples liberality as marked and growing. Thirteen Churches make a discouraging report under this head.

Thirty Seven Churches report little or decreasing worldly conformity. Four report that worldly conformity prevails, or prevails to some extent.

Eleven of our Churches report that they are engaged in Evangelistic work outside their own Congregations. These are Kentworth, Milton, Graham, Winston, Beulah, Mt Airy, Greensboro, Cross Roads, Leaksville, N. Wilkesboro, and Durham 1st & 2d. Churches. Thirteen preaching or Sunday School Mission Points are thus supplied.

Only eight of our Churches report any "Special" evidence of Spiritual life and growth among their people.

The Churches of Orange Presbytery have added this year on Profession × 234 New Members. When we remember that

× This should be 272 — hence Calculation wrong.

the enrolled membership of our Presbytery is 5000, we cannot but think that the labors of so large a number of Christians ought to be more fruitful in the conversion of Souls.

Narrative

Regarding to this the personal efforts of 21 Christians, through twelve months, Results in bringing but one Soul to Christ. Of those 234 additions, 156 were added to Six Churches. Subtracting the membership of those six Churches from the total membership, we find that 4400 Christians brought to Christ in twelve months only 78 people, or an average of one convert to show for the personal Christian efforts, through twelve months, of 55 Christians.

Our greatest need is individual work for individual Souls.

Egbert H. Smith. Chairman.

S. School Publication & Y. P. Societies made one

Inasmuch as the work of Publication, in the view of the General Assembly, embraces both the work of making and distributing books, and the donation of Sabbath School literature, and Young People's work (these are all a part of one whole) — And, in as much as the Assembly desires that the Presbyteries shall consolidate the Committees of Publication, Sunday Schools, and Young People's Societies, therefore, be it resolved —

1 — That these Committees of Publication, Sabbath Schools, and Young People's Societies, shall hereafter be consolidated into one Committee, to be called "Presbytery's Executive Committee of Publication and Sabbath School Work." —

2 — That this Committee in this Presbytery shall consist of Five Members — and that the work shall be divided among these five as follows: (1) One member shall be charged with the oversight of the equipment of Sunday Schools, the donation of literature and Presbyterial Colportage. (2) Another shall be charged with the duty of arranging all details for the conduct of Sunday School Institutes, and the consideration of Courses of Study — (3) A third shall be charged with the oversight of Sunday School Missions within our territory, and for organizing Sunday Schools in destitute regions — (4) A fourth to be charged with the duty of organizing and developing Home Departments in the various Schools — (5) And a fifth charged with the organization and development of Young People's Societies, in accordance with the plan of Presbytery.

S. School work

3 — That the following resolutions concerning Sabbath Schools be adopted —

(1) That parents be affectionately exhorted to train their children, in the foundations of our faith, at Home, according to the time honored customs of our people; and that they make free use of the Manual of the Graded Course of instruction for suggestions in this matter.

(2) That Sabbath School officers and teachers be faithful in the prudent use of every Biblical means of bringing their pupils to Jesus for Salvation.

(3) That the Church Sessions be urged to provide an efficient means of training their Sabbath School Teachers through normal classes, teachers' meet-

"

tings and Institutes.

(4) That the Sessions see that their Schools have properly organized Home Departments, for promoting the Home Study of the Bible.

S. School work. (5) That this Presbytery make it a Standing Order, to hold a Sabbath School Convention, during the Morning Session of the Second Day of each Fall Meeting of Presbytery.

(6) That all the Sabbath Schools be most earnestly encouraged to observe "Sabbath School Day", on the first Sunday in October, and to make liberal gifts at that time for Sabbath School Missions, and the Sabbath School Department of the Executive Committee.

(7) That during the next year a united and vigorous effort be made to plant a Sabbath School in every Church and in every community in our bounds.

" 4— That as the last General Assembly instructed the Committee of Publication to raise $20,000.00, (And they have apportioned our part of that Sum as $345.00) that we recognize that Sum as the least amount we ought to raise, and apportion the sum among our Churches and Sunday Schools according to the schedule of apportionments already made for Colportage in our Presbytery.

D. W. Mebane, Chairman

Phillips The Rev. E. E. Gillespie offered the following resolution which was adopted—

Resolved: That we have heard with great pleas-

ure and profit Dr A. D. Phillips' interesting, instructive and inspiring address on the "Presbyterian Model Sunday School", and earnestly enjoin the Sessions of the Presbytery to adopt as far as possible the recommendations of the General Assembly so forcibly and practically presented by Dr. Phillips.

It was moved and carried that all Vacancies in the Executive Committees, and other necessary changes, together with the naming of a Trustee of Davidson College, be referred to the Committee on Nominations. referred

On motion the matter referred to the Executive Committee on Church and Christian Education in reference to the apportionment to the debt of the Assembly's Home and School at Fredericksburg, Va (See Minutes page 475) was again taken up. And it was ordered that the same apportionment to the Churches be continued this year, and that the Treasurer of Presbytery be notified of this action, and that he be requested to carefully designate all amounts sent from the Churches for this special purpose, and to send the same to the Treasurer of this Special Fund at Fredericksburg, Va.

A communication was received and read from the Rev. E. M. minutes — The Minutes of yesterday's Sessions were read and approved.

Publication — The Rev. Joseph Evans, Agent of Publication and Colportage, Submitted his report which was read, and after some discussion, was re-committed.

Ministerial Relief Report — The Executive Committee on Ministerial Relief, Rev. M. C. Arrowood, Chairman, Submitted their report which was received and adopted. And it is as follows—

Your Committee have very little to report. We have only one beneficiary of this Fund in Orange, the Rev. H. D. LeSueur, who has been promised $100. for the current year, beginning April 1, and quarter of which has been paid.
The Apportionments to this Cause for the current year amount to a total of $409.00, and $187.29 of this has come into Presbytery's Treasury. This, on its face, seems to be a bad showing, as the month for this collection is already past, but most of our Stronger Churches do not pay their apportionments to this Cause till near the close of the ecclesiastical year, and we feel sure, most, if not

all, the apportionments will be paid.
The special plan of the Assembly's Committee to have a Sessional Committee on this Cause in each Church, does not seem to have met with favorable action from the Sessions of our Churches, as your Committee has not been advised of a single appointment of such Sessional Committee.

M. C. Arrowood, Chairman.

L. River Church's overture — The Home Mission Committee, to whom was referred the Overture from the Little River Church asking for a re-grouping of the Churches in Orange County, reported through the Chairman as follows— It is deemed impossible to take any steps at present to regroup the Churches in Orange County in accordance with the overture from Little River Church.
This report was adopted.

Ch. Dissolved "Rougemont" — On motion, and after satisfactory information, the Church organization known as "Rougemont", was dissolved, and the name dropped from the Roll of Churches: And it was ordered that the members of said Church, if there be any, be transferred to whatever Church they may elect.

Holloways Church — The Special Committee, Rev. R. G. Matheson, appointed to visit and report concerning "Holloway's Church" was continued until the adjourned meeting of Presbytery at Synod. Page 504

-Call Mt. Airy Mebane

The Committee on Calls and Supplies reported, recommending that the Call from the Mt Airy Church for the pastoral Services of Rev. R. H. Mebane D.D, for all of his time at a Salary of $850.00 pr Year, be placed in his hands. This recommendation was adopted, and Dr. Mebane signified his acceptance of the Call.

Candidate Rec.

Satisfactory testimonials from the Session of the Alamance Church were received and read, in favor of Mr. Charles H. Phipps, recommending him as a Candidate for the Gospel Ministry.
Mr Phipps, being present, was duly and carefully examined in accordance with the Book of Church Order, and he was received under the care of the Presbytery as a Candidate for the Ministry, and his name enrolled.

Publication and Colportage report

The report of the Agent of Publication and Colportage, the Rev. Joseph Evans, was again presented, received and adopted; and it is as follows —

Your Agent begs leave to report that in connection with Publication work important changes have recently taken place
1. The property on Main St. Richmond, Va has been sold, and another site purchased. In the opinion of the Publication Committee (an opinion endorsed by the last Gen'l Assembly) this will contribute much to the financial prosperity of this Committee.
2. Mr. R. E. Magill has been elected Business Manager and Treasurer of this Cause.

Our Committee reports a fuller and more desirable supply of Sabbath School literature and appliances, and a considerably increased sale of other publications.
3 As regards Colportage within our bounds, I regret to have to report that from a failure in his health, Brother Harrison, a Student of Davidson College, whom I had engaged, had to abandon the work just at the last moment, and when it was too late to secure another for this position. The Supply of Books he had ordered, had to be returned to our Publication Committee. Your Agent recommends —
(1) That under the circumstances, the Presbytery remit to Bro. Harrison the Freight incurred by books ordered by him from Richmond.
(2) That the money ($50.00) sent by your Agent to enable Bro. Harrison to secure books for his work, be used by Bro. Magill in the general Colportage work.

Home Missions

The Report of the Executive Committee on Home Missions, Rev. E. C. Murray D.D. Chairman, was again taken up and adopted. It is as follows -

Home Missions

Home Missions — Your Committee has received the following reports from our Mission fields since last April.

Caswell: There have been no protracted meetings held as yet, and no accessions to membership. Miss Lizzie Moore of the Japan Mission, has visited the Churches, addressing large congregations and stimulating their Mission zeal.

Rockingham: Bro. Mebane has supplied four Churches and five other preaching points. There have been twelve additions on profession and ten by letter: nine adults baptized and three infants, and one Elder and two deacons ordained at Wentworth. Rev. William Black conducted a very successful meeting at Madison. This Congregation has expended about $500.00 on Church improvement. About $600. has been raised to erect a Chapel, to be built of granite, at the Rock Quarry near to Mt Airy, and it is now being built.

Stokes: Mr. W. M. Sikes of Union Seminary has supplied this field since May the 16th. Besides his preaching services he has conducted Prayer Meetings, Sunday Schools and Family worship, and distributed religious literature. Protracted meetings at Dan River and Sandy Ridge resulted in quickening the Spiritual life of the members and in three Professions of faith. There is a good Sunday School at Sandy Ridge and fair prospect of growth. At Snow Hill and Danbury there are very few members, and but little promise for the future.

Rev. R. W. George has supplied Asbury and Pine Ridge. Fourteen members have been added to the latter as a result of Bro. George's meeting, and the Church now numbers forty-five members. This is a much promising point in Surry County. This growing band of Presbyterians is due entirely to the labors of Bro. George. The moral life of the community has been greatly improved since he began work there.

Home Missions

Wilkes: Miss Lizzie Moore has visited all the Churches of this group with great profit to them. A meeting at Wilkesboro in which Bro. Robinson was assisted by Rev J. H. Grey, has stimulated the membership to more earnest activity. There have been two additions on profession at Elkin. The Oakwoods Sunday School has languished, as the Superintendent has been sick and unable to attend, but the people of the community have kept up a regular Sunday-Afternoon Prayer Meeting.

Alleghany: Rev. A. R. Temple is now supplying this field. The money for building the Church and Manse at Sparta has all been subscribed. A very desirable lot of four acres has been bought, and we hope soon to announce the completion of both buildings.

Ashe: At Jefferson there is an excellent Sunday School. At Obids the Church is now completed, a very substantial building. An edifying and stimulating meeting has been conducted here by the Rev John H. Grey. The Church at Ebenezer has been painted, largely through the efforts of a devoted woman, and a Primitive Baptist neighbor. At Nathan's Creek Academy, improvements are being made that will give us a well equipped School, where it is greatly needed and desired.

Assembly's Home Missions — The Assembly's

Home Mission Assembly

present mission fields are calling for $10000. more than the present annual income from all sources, and this is the least amount adequate to the demands of the growing work. In addition, urgent appeals for help are coming from other quarters, which is very embarrassing to refuse. Our Church has already lost much valuable territory, and our own Members in Mission fields are being lost altogether or absorbed into other Churches. The marvellous development of new Sections, like Indian Territory and Oklahoma," presents the greatest opportunity which will perhaps ever confront our Church in all its history. This crisis of our opportunity calls for the climax of effort" Our Presbytery is now called upon to contribute the sum of $1200. Our contributions for the past two years have been only $338. and $500. respectively. We call attention to the fact that our Synod has now set apart two months, September and January, for collections for this cause. Respectfully Submitted

A Letter in endorsed

A communication from Mr. John C. Wharton, a Ruling Elder of the Westminster Church, Greensboro N.C., was received and read, and after considerable and favorable discussion which it provoked, the following resolution offered by Dr. E. W. Smith, was unanimously adopted—

Resolved—That Brother J. C. Wharton's letter be printed in the Minutes of Presbytery, with the cordial endorsement of Presbytery, and that all our

Church Sessions be urged to take active measures to carry out the vitally important recommendations contained therein.

The Letter is as follows—

To Moderator and Members of Orange Presbytery— Beloved Brethren

A Letter — from J. C. Wharton

No other apology will be offered for this communication than the fact that the matter of which it treats is believed to be one the importance of which it would be difficult to overestimate. The allusion is to an evil of recent origin, which has crept into our Churches, with few, if any other exceptions than those in the Country. It is an experiment from which I sincerely believe only dire calamities can result. I allude to the fact, that to an alarming extent— Children go home, or elsewhere, from Sabbath— School, and do not attend the Preaching Services of the Church. We have not to go far back to reach the time when Children of Christian Parents, at a tender age, were as regular attendants at Church as the parents, and when neither parent nor Child thought of absenting themselves, except on account of sickness or some other sufficient cause. Thus children were trained to regular attendance at Church as the parents, and this regularity became as much a fixed habit as going to the table for their daily meals. This fact is mentioned to draw attention to another fact, namely, that those who were thus trained are to day the regular attendants at Church. Of course only such are, or can

"an Evil"

be, of any Service in the Church, except such as are called to glorify God by patient endurance of afflictions. The evil lies at the door of parents. It is scarcely necessary to allude to the excuses given by such for their lamentable failure in the training of their children; Such, as it irk some to a child to be kept so long seated during a Service when it cannot understand what is said, and it is calculated to give it an aversion to the Sanctuary. This theory is contradicted by facts which show the reverse to be true. It is the child who is regularly taken to Church that learns to go from choice, while those trained to think it a burden, whether by precept or example, naturally accept and are influenced by by such teachings. There can be no reasonable Hope that later influences will correct the habit of loose attendance at Church formed in childhood. Then, too, the children receive impressions at a much earlier age than many are wont to suppose. Ask any one who has had this early training, "When did you begin to be impressed by something you heard at Church?" and in most instances, the answer will be—As far back as I can recollect! That which made the impression may not be remembered, but the benefit from preaching is not so much in what is retained in the memory, as in the impetus given to the life. Impressions are easily made in early childhood, and those not placed where they have the opportunity of receiving them during this impressionable period suffer an irreparable loss.

Mr Wharton's letter

Do not this evil one which should awaken most earnest solicitude, and call forth most earnest and prayerful efforts for its removal. You will determine, beloved brethren, what you will recommend to the Churches, and what efforts you will make to correct the evil.

Mr. Wharton's letter.

Allow me to Suggest—

First: That Pastors, where the evil exists, be requested to bring the matter before their Congregations by a faithful portrayal of the evil and its natural results.

Second: That Church Sessions and Sabbath Schools Teachers be urged to earnest and untiring efforts to secure the regular attendance at Church of all children under their care.

Third: As the evil is so wide spread, that, in some suitable form, the matter be brought before our higher Church Courts.

This paper, beloved brethren, is humbly submitted to your consideration, with sincere and earnest prayer, and hope, that your wisdom, under divine direction, may devise that which will be of untold benefit to the Church.

Respectfully Submitted
J. C. Wharton.

Sermon

In accordance with a recommendation from the Committee on Devotional Exercises, Dr. Boyce then heard, together with a large Congregation, a

Leyburn — Sermon from the Rev. E. R. Leyburn on the text – "And there shall be no night there" Rev. 22:5.

Prison work — An informal conference, conducted by the Rev. Dr. Smith, was held on Prison Work – the needs of Convicts, the inmates of Jails &c. (See Resolution passed at the last Spring Meeting) The Roll of counties within this Presbytery was called, and the reports showed a decided improvement in attending to the Spiritual needs of these unfortunates.

Next Meeting — The First Presbyterian Church, Greensboro, N.C., was chosen as the place for the next Stated Meeting of Presbytery, and the time was fixed for Tuesday, April the 12th 1904. at 7:30 o'clock. p.m.

The Executive Committee on Foreign Missions submitted this report through the Rev. C. E. Hodgin, which was adopted, and is as follows –

Foreign Missions — Your Committee is glad to report that under the blessing of God the past year has been the most prosperous year in the history of our Foreign Missionary work. The report of the Executive Committee at Nashville, for the year ending Mar. 31. 1903. shows that we now have 174 Missionaries over against 166 for 1902, a gain of Eight missionaries. The total number of additions to our Mission Churches, on profession of faith, is 1574, a gain of 710 over the number reported for last year. The largest ingathering was in our African Mission, 737 having been received in that field alone. The total amount contributed by our Churches for carrying on

this work is $180.458.29, a gain of $15.575.29 over the receipts of last year. This increase in our Contributions is due largely to the work done in connection with what is known as the "Forward Movement." Three young men, Messrs J. L. Stewart, J. F. Preston and L. I. Moffett, have been visiting our Churches, endeavoring to establish a more intimate relation between the local Church and the Foreign Field, and to encourage and secure systematic and increased financial support. They have emphasized two plans of Missionary work: One is for the individual Church to support an individual Missionary, and the other is for the individual Church to take Shares in the support of Specific Mission Stations. Either of these plans gives the Church a definite interest in the Foreign field. The work of these young men, representing the Forward Movement, has been wonderfully blessed. At the beginning of the fiscal year, April 1. 1902, there were 37 Churches in our Assembly represented represented by their own Missionaries, now there are 127 Churches Supporting individual Missionaries, and 102 Churches have assumed Shares in the work of definite Stations, So that now 229 of our Churches have their Specific work on the foreign field. We would especially Commend the "Share plan" to all of our Churches that are not able to pay the entire Salary of a Missionary.

Foreign Missions — Looking now at the work within our own bounds, we are glad to report that Orange

Presbytery has kept pace with the advance made in this work by the Church at large. There has been a very gratifying increase in our gifts to this Cause during the past year — the amount of our Contributions being $ 67.29. This represents a gain of $ 20.95. over our contributions for last year. We have been appealing to Presbytery for Several years past to bring up the Contributions to an average of One Dollar pr member, but we never succeeded in reaching that mark until this past year. Our average for the past year Foreign Missions
" is $ 1.15 pr member, as against 99 cents for the year before. This high average is due to the marked liberality of a few of our Churches, which deserve special commendation. The Durham 1st Church leads the list, giving an average of $ 7.63 pr member. The Winston Church comes next, with an average of $ 4.23 pr member. Other liberal Churches are Marsh
" Wilkesboro, $ 2.69. pr Member. First Church, Greensboro, $ 1.35 pr member. Danbury, $ 1.13 pr Member. Asheboro, $ 1.07. pr member. These are the only Churches in the Presbytery that have contributed over One Dollar pr member.
" The following Churches did not contribute any thing to this important cause during the Year, Namely: Pine Ridge, Sandy Ridge, Elim, Col^d, Elkin, Col^d, Jefferson, Ebenezer, Beulah, Col^d Saxapahaw, Springwood, Snow Memorial, Clark Memorial, Col^d, Holloways, Rougemont, Little River, and Marshville. Four of these are
" Colored Churches, and all the rest are either

Vacant or Mission Churches, except two.
We would call the attention of the Presbytery to the fact that new apportionments for this Cause were adopted at the last Spring Meeting, and would urge all our Churches to come up to their full ap- Foreign
portionments at least. The Assembly calls Missions
for $ 250 000. this year to carry on the growing work. This is $ 50 000. more than was called for last year. We trust that Orange Presbytery will contribute her full share of this amount.
During the month of August, Miss Lizzie Moore, of our Japan Mission, visited Several of our Churches under the auspices of the "Roman" Presbyterial Union" of this Presbytery: She "
visited about 15 Churches, reviving Several Ladies Missionary Societies and organizing New ones. We wish again to express our appreciation of the work being done by the good women of our Church, and Unspeak for them the encouragement and co-operation of the Members of the Presbytery. Respectfully Submitted "

The report of the Executive Committee on Education for the Ministry, was again taken up, amended, and adopted; and it is as follows — Education

Ministerial Education — Orange Presbytery has had on its roll during the past year, the following Candidates for the Ministry, Viz — J. B. Massey, W. M. Sikes, J. A. Ratcliffe, J. H.

Allison, J.T. Smith, G.C. Smith, and Gentry W. King. Colored. We are sorry to report that only two of these, Messrs Massey and Sikes, are actually engaged in their preparation for preaching the Gospel.

Education

(Massey) J.B. Massey finished the regular course at Union Seminary last spring, and was graduated with the degree of B.D. His reports all through his course at the Seminary have shown him to be a very fine student. His averaged grades for last year are as follows - Archaeology 97 - Church History 96 - English Bible 94 - N.T. Exegesis 98.2 O.T. Exegesis 96.3. Pastoral Theology 97 - Systematic Theology 98.5 - Mr Massey has been supplying, during the past summer, the Jordansville, the Wattsville memorial, and the Barboursville Churches in the Synod of Virginia. He expects to return to Union Seminary this fall to take a post graduate course, and will apply for licensure at the next Spring meeting of Presbytery.

" (Sikes) W.M. Sikes completed his Middle year at Union Seminary last Spring, and has been laboring faithfully during this Summer in the Stokes County field, under the Supervision of the Committee of Home Missions. His averaged grades at the Seminary for the past year show diligent work, and are as follows - Archaeology 95 - Church History 81.5 - English Bible 89 - N.T. Exegesis 85.5 - O.T. Exegesis 94.2 Pastoral Theology 91 - Systematic Theology 87 - Mr Sikes expects to return to Union Seminary this fall to complete the regular course. He has made application for the usual

amount of aid allowed to Candidates by Presbytery, and your Committee would recommend that his application be granted.

Education

(Allison) J.H. Allison is still engaged in business in Durham N.C. He reports that he engages in religious work as he has opportunity, and that it is still his purpose to prepare himself for the ministry, though the way is not clear for him to enter School this Fall.

(Smith J.T.) J.T. Smith has been teaching for the past year in Ashe County. He reports that he has been elected Superintendent of Public Instruction of Stokes County, and that he expects to devote himself wholly to the work of that office for the next two years. He has not been engaged during the past year in any religious work. He reports that he thinks it doubtful whether he will ever go on with his preparation for the Ministry, on account of advancing age and having a family to support. We recommend that he be notified that if he turns aside from the work of the Ministry, he will be in honor bound, to pay back to the Presbytery the money appropriated for his education.

(Smith G.C. Dropped) G.C. Smith has not made any report to Presbytery during the past year, though Your Committee has written to him twice since the last meeting of Presbytery, urging him to make a report. So far as we can learn he is not engaged in any kind of religious work. He seems to have lost all interest in his work of preparation for the ministry. - And, in as

much as he has ignored the authority of Presbytery, and has utterly disregarded the rules
Education — concerning Candidates laid down in our Manual, We therefore recommend that his name be dropped from the roll of Candidates, and that he be requested to pay back to the Presbytery the money appropriated for his education. We recommend, furthermore, that the Session of the Ebenezer Church be instructed to investigate his case.

(Ratcliffe) J. A. Ratcliffe is engaged in business in Fayetteville N.C. He reports that his health has been very poor for the past years, and that on account of ill health and lack of means, he will not be able to return to College this Fall. He is engaged in teaching in the Presbyterian Sunday School in Fayetteville, and he reports that he is willing to do any other Church work that he has opportunity to do.

(King) Gentry V. King, Colored, has been farming this year in Stokes County. He reports that he desires to enter Stillman Institute this Fall, and will do so if he can get financial aid from Presbytery. We recommend, therefore, that our Executive Committee of Colored Evangilization be instructed to give him an Appropriation of $25., if the way be clear, Provided he can raise the rest of the amount necessary, to pay the travelling expenses of himself and family to Tuscaloosa, Ala.

" Your Committee is glad to report that Presbytery has received under its care at this meeting three promising Candidates, Viz. J. M. Walker of Stony Creek Church; S. T. Hodge of the Cross Roads Church; and C. H. Phipps of the Alamance Church. Messrs Walker and Hodge expect to enter Davidson College Fall, and both have made application for the usual appropriation of aid allowed to Candidates for the Ministry. We recommend that their applications be granted. Education — new Candidates

In conclusion, we would urge all our Pastors and Sessions to see to it that the November collections for this Cause shall be liberal, and that they shall be promptly forwarded to the Treasurer of Presbytery, so that our Candidates may receive the aid promised them as early as possible. "

Dr. Dumpkins informs us that the Assembly's Committee expects $850. for this Cause from our Presbytery. Our apportionments for this Cause amounts to only $760.; So it will be necessary, therefore, for our Churches to raise more than their apportionments — We would urge our Pastors to call the attention of their Congregations to this fact.

Respectfully Submitted.
C. E. Hodgin, Chairman.

The following resolution in the form of a Standing Rule was offered by the Rev. Dr. Smith and adopted — Standing Rule

Resolved: That it shall be, hereafter, a Stand

ing Rule in this Presbytery, that the Executive Committee on Education for the Rule Ministry be enjoined to withhold appropriations from any Candidate for the ministry, against whom there are unexplained rumors affecting his moral character.

The Executive Committee on Colored Evangelization, Rev. J. McL. Seabrook, Chairman, submitted their Report which was received and adopted. It is as follows —

Colored Evangelization — Colored Evangelization. Your Committee gathers from the last report of the Executive Committee of the Assembly, the following facts —

1. That there are 34 Sabbath Schools for colored children taught by, or conducted by, 174 white officers and teachers, teaching 2135 pupils the word of God.

2. Their Statistics reveal the following facts — 54 Ministers, 2 Licentiates, 8 Candidates, 85 Churches, 195 Ruling Elders, 129 Deacons, 2277 Communicants, 252 Additions last year, 3851 Sunday School Scholars, $3928. for Self help, and $2102. paid Pastors. These figures show a loss in some instances, but a decided gain in others, over previous years. "

3. That the greatest need of Stillman Institute is more Students, and the greatest need of Colored Evangelization

is more Preachers.

4. That they have purchased the Ferguson Williams College, at Abberille S.C., for the sum of $2000. There is an enrollment there of 276 Students which, with those at the North Wilkesboro Institute, N.C., and the J.H. Alexander Academy, and Stillman Institute, give us 500. Young Colored persons under our Christian training. Colored Evangelization

Coming to the work in our own bounds, there are some discouragements.

Bro. S.G. Walker gave up the work at Danbury last Spring. We succeeded in getting Bro. E.M. Gilliard to take it up, and he began there in June, at a Salary of $60. pr. year. It is with great regret that we learn from him that he will give up all his work in our bounds, at Beulah, Elkin and Danbury, and devote himself to teaching in another Presbytery. Dr. Lilly informs us that he has secured Rev. J.S. Morrow in Bro. Gilliard's place, and asks our co-operation in employing him. (Gilliard) "

Bro. B.B. Palmer's work goes on in the even tenor of its way. He desires to open his day School this Fall. Palmer

We recommend —

1. That $10. per month be appropriated to the Elim day School, for so long a Session as the funds may justify.

Morrow

2. That your Committee may be authorized to employ the Rev. J. S. Morrow for the work at Elkin and Danbury, at the rate of $120. per year.

Church during the past year (and years): has preached regularly to good congregations: has kept up Prayer Meetings and Sunday School the year round: with good attendance – about 80 pupils in the Sunday School: has held two protracted meetings. Twelve persons are studying Catechisms for Bible or Testament. Eight families take a religious Newspaper, and the Church contributed to Several of the Causes.

The Elim School was a good one the past Session, with as many as 56 pupils, and lasting six months, for which we paid the Teacher $10. pr. month. The School still goes on, but we no longer pay the Teacher.

2. The Beulah, Elkin and Clark Memorial Churches. These Churches were served last year by Rev. E. M. Gilliard, up to Sept, when he resigned the Charge of them and was dismissed to Central Ala. Presbytery.

Dr. Lilly secured at once Rev. J. S. Morrow for the Church (Beulah) and School at North Wilkesboro, and your Committee employed him for the rest of his time for Elkin and Clark Memorial Churches, at the rate of $120. a year. He has preached regularly at all these points, and kept up the Prayer Meetings and Sunday Schools all the year, with good attendance. He has held six protracted Services – only two families in these Churches take a religious paper – These Churches report contributions to Foreign Missions only.

Foreign Missions:—And, Woman's Union.

The Seventh annual Meeting of the Woman's Foreign Missionary Union of Orange Presbytery was held in Westminster Church, April 6th & 8th. 1904. The Meeting was well attended and the addresses and discussions were interesting and profitable.

The following is the Statistical report of the Union for the year ending, March 31. 1904, Submitted by the Secretary, Mrs. F. L. Fuller, of Durham N.C.

Number of Adult Members 583, Juniors 416, Cradle Roll 19. Contributions for Foreign Missions—from Adults $1361.93, from Juniors $265.26—Total $1627.19. Number of Copies of Missionary taken 288, of Children's Missionary 122, Prayer Calenders 81. Total Membership 1017.

Comparing these Statistics with those of last year, an increase of $448.30 is shown in the Contributions of the Missionary Societies of the Union, and an increase of 7½ Subscribers to the Missionary, 27 to the Children's Missionary and 6 to the Prayer Calendar.

April 13. 1904.

We believe the Union is accomplishing much good, not only by its contributions, but also by disseminating Missionary information throughout our Churches, and by the interchange of plans and methods of work at its annual meetings. We therefore most heartily commend the work of the women who are laboring with us in the Gospel, and bespeak for them the confidence and co-operation of all our Ministers and Sessions.

Woman's Union

The full Statistical report of Presbytery's Foreign Missionary work will be made at the Fall Meeting. Respectfully Submitted.

Kilpatrick D.D., and adopted by a rising vote, and ordered to be spread upon the Minutes of Presbytery:—

Memorials

In Memoriam

The Rev^d Robert Ernest Caldwell, D.D.

The Rev. Robert E. Caldwell D.D. whose lamented death took place in Philadelphia on the 3^rd of January last, 1904, at 3:30 o'clock a.m., was born in Greensboro, N.C. Oct. 18. 1858. His death occurred when he was in the prime

of his life and usefulness, at a little more than 45 years of age. He died far away from home, having submitted to a serious surgical operation. We ful assured his end was peace, and that he calmly committed his soul into his Saviour's hands.

Dr. Caldwell traced his descent through a long and illustrious line of Presbyterian Ministers, running back 250 years, to the time when the family came first to Scotland to the North of Ireland, and thence to America. In all this time his father was the single exception, in the lineal descent, whose ancestors were not preachers. Some of them have been greatly distinguished in the work of planting and developing the Presbyterian Church in North Carolina. Dr. Alexander Craighead, one of his ancestors, was the first Presbyterian Minister in Western North Carolina, and the third in the State. The Rev. Dr. David Caldwell - "clarum et reverabile nomen" - the great-grand father of the subject of this Memorial Sketch, was one of the most distinguished and successful Ministers the Church has ever had in the State. He organized Buffalo and Alamance Churches in this County - Guilford - and was their first pastor, and at Alamance his pastorate covered the long period of 60 years. His Son, the Rev. Dr. Samuel Caldwell, was for many years the beloved and successful pastor of Sugar Creek Church

in Mecklenburg Presbytery. His Son, the Hon. Walter Pharr Caldwell, was an eminent Solicitor and served as district Attorney of the Western District of North Carolina. And of his Son, it is only what we might expect that one who had a heritage of such a long line of pious and consecrated ancestors, "who turned to brighter worlds and led the way", should follow in their footsteps and give himself to the Service of the Master.

Memorial

Dr.
Caldwell

Bro. Caldwell spent his boyhood in Statesville, moving to Greensboro when he was about fifteen years of age. He was prepared for College at Lenoir, N.C., thence he went to Chapel Hill and spent three years in a Special Course at the University. His earlier plan was to become a lawyer, but after studying a while in the Law School of Judges Dick and Dillard, both of whom were distinguished Jurists, and both Elders in the Greensboro Presbyterian Church, he heard the Call to a grander Service to preach the Gospel, and he instantly said - "Here am I, Lord, Send me". After taking the full Course at Union Seminary Va. and a year of post-graduate work for Princeton, N.J., he was licensed by Orange Presbytery, April 25. 1884, and later in the same year, he was Ordained by the Louisville Presbytery, and installed the first pastor of the South Frankfort Church, Ky. -

Memorial Dr Caldwell

Greensboro. N.C.

Here and in other places he was successful, but his great work was done at Winston N.C., where for eleven years – until his untimely death, he was pastor of one of the largest and most influential Churches of this Presbytery. His work here was large and faithful and successful. During this pastorate more than 500 new members were received, and more than $50.000.00. were contributed to all the Causes of the Church. As pastor of that Church his work was solid and substantial, and will stand as a lasting monument to his memory. His people were devoted to him, and the entire Community irrespective of denomination, wept in sadness, when the sorrowful tidings came on that Sunday morning, that Dr Caldwell had passed up to be forever with his Lord!

In 1900, Bro. Caldwell received the Degree of Doctor of Divinity from Central University Ky., and the honor fell on worthy Shoulders and was modestly worn.

In the work of Presbytery and Synod, few of the brethren were more useful. He was always ready to do his part in the Service of the Church. He was a fine parliamentarian, a wise counsellor, a safe and prudent leader, and an energetic and active worker. He was kind and Charitable in all his thoughts. There was no guile or malice in his heart.

Memorial Dr Caldwell

April 13. 1904.

We shall sadly miss him in all the work of the Presbytery and Synod. In Orange Presbytery there is a big vacuum created by his death, and our hearts are all sad over a great bereavement, for we all loved Ernest Caldwell. We shall miss his hearty handshake, his merry smile, the sunshine of his disposition, his warm and ready sympathy, from a heart that filled all his bosom, and above all his deep and contagious Spirituality. Let us, who are left a little longer in the work, stand closer together, be more in touch with one another, and be more faithful in every good word and work.

The hour having arrived to hear the case of the Complaint of the Messrs Taylor Bros. against the Session of the Winston Church, the Presbytery went into Executive Session. Complaint of Taylor Bros

The Complaint was read and is as follows:—

To the Presbytery of Orange, in Session at Greensboro N.C.

Dear Brethren: According to the Book of Church Order. Chap 13. Sec 3, Par 4 — and Sec 4 Par 2, We gave notice to the Session of the First Church of Winston that Complaint against their action of Feb. 16. 1904 in issueing letters of dismission to us, would be lodged with Presbytery at its next Stated Meeting.

At the Called meeting of your honorable body, held in Winston, Feb. 8. 1904 — "to consider and take action regarding certain matters referred to Presbytery for Settlement, by the Session of the First Church of said City", You passed the following resolution, to wit: — No 3.

"That Presbytery appoint a Commission to organize a Second Presbyterian Church in Winston N.C., Feb. 16. 1904, at 8 oclock P.M. at a place to be designated, to which the Session of the First Presbyterian Church shall grant letters of dismission to Messrs. Complaint of Taylor Bros.

call your attention to the fact that no organization being imminent, the Session issued letters of dismission to us, against which action we respectfully Complain, for the following reasons:—

1. That Presbytery appointed a Commission to organize a Second Presbyterian Church in Winston: And when such organization was imminent we agreed to ask for and accept letters from the First Church to help effect such organization, and not before. Such organization not being imminent, we did not ask letters, yet these letters were issued.

2. These letters were issued over our protest, and against the advice of at least a part of Presbytery's Commission.

Therefore, we respectfully ask Presbytery to instruct the Session of the First Church to rescind its action of Feb 16th and make publication in the "Winston-Salem Journal" that in issuing letters of dismission on Feb 16th they, the Session, misinterpreted your resolution of instruction of Feb. 8. 1904, referred to above.

In view of the urgent needs of the Orphans' Home as presented by Rev. R. W. Boyd, Supt, We urge our pastors to keep their people informed of these needs, believing that if they know of these they will supply them, and as an aid in this, We suggest that pastors use the Ladies or Children's Societies of their Churches to increase the Subscription to the Orphans' Home Paper, "Our Fatherless Ones". Also, Sunday Schools and Churches that are not now contributing to this Cause, are urged to begin this good work at once.

The total contributions for the general work and for the Sparta Church and Manse amount to $2234.60, of which $1770.10 - was raised within our Presbytery. There has been a lamentable falling off in the regular collections, due partly to two causes: Several of the town Churches -

April 14. 1904.

have counted their subscriptions to the Sparta Manse as part payment of their Apportionment for the general work, thus causing a loss of about $150.00; and bad weather seriously affected the Country Churches. Eight of our largest Country Churches, having pastors, with an aggregate membership of 1165 contributed only $44.50, which once more emphasizes the necessity of having some better method of raising funds than a haphazzard reliance upon a mere basket collection. Had our Collections come up to those of last year, our debt would have been reduced by about $350.00, whereas we have paid off only $78.00

Winston and Yanceyville.

Tidings from the Fields—

Home Missions Report.

Caswell— There have been three accessions to the membership at Yanceyville, two at Roxboro, and six at Stony Creek. There is a Mission point five miles from Yanceyville, where Bro. Williamson holds services every Second Sunday afternoon and fifth Sunday mornings. At a protracted meeting held there by Bro Williamson, assisted by Elder G. L. Walker of Grier's Church, nearly 30 persons made a profession of faith. Many of these desire a Church of their own and are ready to erect a building, and Presbytery will be asked to organize a Church there.

Rockingham— This field has been without an Evangelist since Dr. Mebane left, Sept 1st. It will be supplied again as soon as possible. The Madison Church has been improved at a Cost of nearly $600. There were Sixtien accessions there as a result of Rev. William Black's Meeting, recently held there.

Surry— Dr Mebane preaches regularly at Mt Airy and the Rock Quarry, giving the fifth Sundays to Mission Points. At the Quarry they have built a handsome Granite Church, entirely finished and furnished, and almost paid for. They have a flourishing Sunday School with a regular attendance of about 75. Dr Mebane has, during the year, in Rockingham

April 14. 1904

and Surry, received 33 new Members, 16 on examination, and baptized 8 adults and 12 Infants.

Home Missions Report.

Stokes— Mr W. M. Sikes of Union Seminary, supplied some of these Churches during the last Summer, and Rev. R. W. George the others. Bro. George now serves Pine Ridge, Asbury, and Dan River. It is our purpose to group Sandy Ridge with the Rockingham field: It is only twelve miles from Madison and is a promising point. Snow Hill and Danbury are very weak and unpromising Churches. There have been 14 accessions at Pine Ridge.

Wilkes— The Church buildings at Wilkesboro and North Wilkesboro have been greatly improved, and that at Elkin will be this Summer. There have been Seven accessions to these Churches. The Sunday School at North Wilkesboro has Contributed $170.50 to Foreign Missions and takes a Monthly Collection for the Orphans' Home.

Alleghany— Rev. J. C. Story has six regular preaching points with good attendance at all. The people are eager for the gospel, and we have a splendid opportunity there. A valuable four acre lot has been bought for the Sparta Church and Manse. The latter, a Commodious Seven room Cottage, will soon be completed, and work will be resumed on the Church. The plans for both were kindly given by Mr. H. C. Linthicum of Durham. The Rocky Ridge

Greensboro. N.C.

Church has been painted and seated.

Ashe — Good meetings at Jefferson, Obed's and Ebenezer resulted in 10 accessions. Bro Smith, besides his Evangelistic work, has taught the Presbyterial School at Nathan's Creek, during the winter. The whole field is now in a more encouraging condition.

The Executive Committee on Education for the Ministry made the following report which was adopted —

(Your Committee would report —

That in our Church at large there is cause for encouragement in the work of Education for the Ministry. The number of Candidates is increasing, there being now 188 beneficiaries on our roll, against 178 last year. There has also been an increase in Contributions for this cause, and consequently larger contributions have been paid to our Candidates than were paid a few years ago. Orange Presbytery has under its care Nine Candidates, all of whom have reported to your Committee since the last Stated meeting of Presbytery, except Mr Gentry B. King, our Colored Candidate. He was notified in due time to make his report, but nothing has been heard from him.

informing him that, if he should turn aside from the Ministry, he would be expected to pay back to the Presbytery the money that has been appropriated for his Education. He replied, asking that his name be dropped from the roll of Candidates, but did not promise to pay back the money he had received as aid from Presbytery. We recommend that his name be not dropped from the roll of Candidates at this time, but that the Committee Correspond with him in regard to this matter.

Mr. Geo. C. Smith, whose name was dropped from the roll of Candidates at our last Stated Meeting, has been notified of the action of Presbytery and of his obligation to refund the money advanced on his education, but no reply has been received.

Contributions

— While the contributions for this Cause at large have increased, during the past Year, we regret to report that there has been a decrease of $345.7 in our Presbytery. Forty-two Churches have contributed $611.18 We have fallen short of our Apportionment by $148.82, the amount of our Apportionment being $760. Of course the blame for this shortage does not rest upon all our Churches alike, for some of them have been very liberal in their Contributions for this Cause.

— Six Churches deserve to be especially commended for having paid more

than their apportionment — Greensboro 1st, Jamestown, Mt Airy, Durham 1st, Roxboro and Griers.

— Nine Churches have paid their full apportionment: Asheboro, Graham, Reidsville, Winston 1st, and Wentworth.

— Five Churches have paid more than three fourths of their apportionments: Ems, Elkin, Hillsboro, Wilkesboro and Westminster.

— Ten Churches have paid more than half their apportionments: Alamance, Asbury, Buffalo, Burlington, Durham 2d, Lexington, Midway, Saxapahaw and Stony Creek.

— Ten Churches have paid more than one fourth of their apportionments: Bethlehem, Fairfield, High Point, Madison, Mebane, Pine Hall, Spudwell, Cross Roads, N. Wilkesboro, and Red House.

— Six Churches have contributed less than one fourth of their apportionments: Bethany, Bethel, Dan River, Elkin Col^d, New Hope and Hawfields.

— Fifteen Churches have contributed nothing whatever to this Cause: Bethesda Chapel Hill, Clark Memorial Col^d, Danbury, Ebenezer, Elim Col^d, Gilead, Jamestown, Jefferson, Little River, Milton, Pine Ridge, Sandy Ridge, Springwood and Snow Memorial.

Sabbath

The report on the Sabbath, in the form of answers to the questions of the Rev. Dr. Stacy, was presented, read and adopted, and ordered to be forwarded to Dr Stacy, for the Assembly.

The Narrative

The Narrative on the State of religion, for the Assembly, was submitted by Rev. E.R. Leyburn and adopted, and ordered to be forwarded to the Assembly. It is as follows: Your Committee would report:

That the Narratives of only 42 of our 61 Churches were placed in our hands. A few of these are very incomplete, and some of the answers given are very indefinite. Hence, some of our answers are no so clear and definite as we should like them to be.

1. Nearly all the Churches report the attendance on the Services of the Sanctuary as good at the morning Service, but, with few exceptions, they deplore the small attendance at the Sabbath evening Service, and mid-week Prayer-meetings.

2. Nearly all the Churches state that the important duty of Family Worship is sadly neglected. Only two Churches in the whole Presbytery report that a majority of their families observe Family Worship. These two shining exceptions are

Greensboro N.C.

Westminster and North Wilkesboro.

The Narrative in

3. All the Churches report the observance of the Lord's Day, by members, as "good", or "fairly good."

4. Nearly all the Churches which have Sabbath Schools report that the Children are faithfully taught the Scriptures and Catechisms of the Church in the Sabbath School, but, with few exceptions, they deplore the lack of Home training of the Children. There seems to be a growing tendency, on the part of Parents, to leave this important duty to the Sabbath School, which can never take the place of the parents in this matter, and was never meant to do it.

5. A majority of the Churches report that the members are faithful in worshipping the Lord with their substance. Two Churches which report their members as not being " faithful in this respect, note that there is improvement.

6. Twenty-Six Churches report the Pastor's Salary paid fully and promptly. The following report that there is still something due on Pastor's Salary: Hawfields, Bethany, Bethel, Durham 2°, Lexington, Speedwell and Stony Creek. The following report that the "Pastor makes no Charge": Asbury Dan River and Pine Ridge — (Bro George)

7. Only Nine Churches report any Special evidences of Spiritual life and growth and activity among their people, but the

April 15. 1904.

majority report their Churches as in good condition and making progress.

The Narrative

8. About half of the Churches report worldly conformity as prevailing to some extent among members, but the general tenor of the reports on this subject is Hopeful.

9 Ten of our Churches are reported as engaged in Evangelistic work outside their own bounds.

There were only 270 additions on Profession of faith, reported for the whole Presbytery during the year. This means that our whole Presbytery with its 5550 enrolled Communicants, was instrumental in adding only 270 members to our Churches. That is, it took on an average, about twenty members working for a whole year to add one member to the Church. " This seems to your Committee a rather poor showing as to the zeal and activity of our members in the great work of leading sinners to Christ.

E. R. Leyburn.
Chairman.

The Rev. E. L. Siler presented the report for the three Committees on Sessional Records. The report was received, amended and adopted, and is as follows: —

Ministerial Relief Report

The Executive Committee on Ministerial Relief made the following report which was adopted—

Your Committee would report — That the aggregate amount of Apportionment to the Churches for this Cause has been fully paid. The aggregate amount apportioned was $ 409. The amount collected was $ 416.50 — being $ 7.50 in excess of the apportionment asked for. This is very gratifying, in view of the lamentable fact that some of our most important

Greensboro N. C.

Ministerial Relief

Causes have fallen so far behind. We have only one Minister in our Presbytery who is aided by this fund, Rev. H. D. LeGrand, who by reason of ill health is unable to do active ministerial work. Bro. LeGrand is aided to the amount of $100. per year. All but the last quarter payment has been paid the last ecclesiastical year. While we have raised our full apportionment, in view of the meagre amounts of aid the Church is able to give our disabled and aged Ministers and their widows and orphan children, the Church needs to be aroused to this need. The Assembly has asked of the whole Southern Church an average of Eight Cents per member, though our Presbytery has a little overpaid its apportionment, yet we have collected a little less than Six cents per member. If the other Presbyteries in the Southern Church had not been more liberal to this Cause than we, instead of an appropriation of $100. to these needy ones, it would have been less than $75. — the merest pittance to keep a dependent family for one year. Family we promise are needy any less than bread and water.

Report.

We recommend the following —

1. That the Assembly's Committee be asked to make a sufficient appropriation to Bro. LeGrand.
2. That Presbytery earnestly insist upon the Sessions of our Churches to appoint Sessional Committees in this important Cause, and report to the Chairman of said Committee in our Presbytery, so as to be in full accord with the Assembly's plans.

Ministerial Education.

Education and Candidates

Since our last report to Presbytery two of our Candidates, Messrs J.B. Massey and W.M. Sikes, have been licensed and dismissed to other Presbyteries.

We now have on our roll nine Candidates.

Patterson

1. Mr William S. Patterson, a Member of the Winnsboro Church and a graduate of Davidson College, was received under our care at an adjourned Meeting held in Greensboro N.C., the 24th of last May. Mr Patterson has entered, this Fall, Union Theological Seminary, Va. and expects to take a full Theological Course.

Walker

2. Mr. J. M. Walker has returned to Davidson College and has entered the Sophomore Class. He made a good record at College last year. His average grades for the year were: Bible 94. English 92½. Greek 76. Latin 76½. Mathematics 84. Natural Philosophy 99 - and Deportment 100.

Hodge

3. Mr. Samuel W. Hodge spent his summer vacation clerking in Charlotte N.C. and has returned to Davidson College as a member of the Sophomore Class. His average grades for last year were — Bible 97½. English 84½. Greek 72. Latin 60½. Mathematics 55½. Philosophy 65. Deportment 100. Mr Hodge has written your Committee that he will make up the examinations that he has failed to pass on, and that he hopes

October 18. 1904.

to make better grades this year.

Phiffs

4. Mr Charles M. Phiffps has entered Davidson College this Fall, though he was not fully prepared in all of his studies for the Freshman Class. He hopes however to be able to take the full A.B. Course in four years.

Ratcliffe

5. Mr. J.A. Ratcliffe has made no report since the last Stated Meeting of Presbytery, though he was notified in due time to send in his report.

King

6. Mr Gentry H. King (Colored) reports that for the past year he has been farming in the Summer and Teaching School in the Winter. His health not being very good, and having a family to support, he does not see his way clear to enter school in the near future. He expresses a willingness however to undertake whatever Presbytery may advise him to do.

Allison

7. Mr J.M. Allison has requested that his name be dropped from the roll of our Candidates. He has been on our roll for several years, but has not been able to make any progress in his Preparation for the Ministry. He is not yet prepared ~~for~~ College, and has now a family to support. We recommend, therefore, that his request be granted, and that his name be dropped without censure.

Clayton

8. Mr. Numa R. Clayton, a Member of the New Hope Church, was received under our care at this Meeting. He is now a Student of the University of N.C. and we recommend that

Stony Creek Church, N.C.

his application for aid be granted.

Candidate Smith Dropped

9. The Chairman of our Committee, as directed by Presbytery, has corresponded with Mr. J. T. Smith, but has no encouraging result to report. We assured him of Presbytery's willingness to retain his name on our roll of Candidates, and to give him every encouragement in his work of preparation for the ministry. He has expressed no desire, however, that his name be retained, and we therefore recommend that the request which he made last Spring, namely: that his name be dropped, be granted. Furthermore, We recommend that he be notified by the Chairman that Presbytery considers him under moral obligation to refund the money he received to aid him in his College Education when he becomes financially able to do so.

aid.

Messrs. Patterson, Walker, Hodge and Phipps have made application in due form for aid this year, and we recommend that their applications be granted.

Education

We would remind our Pastors and Sessions that November is the month for collections for this Cause, and we would urge them to use all diligence to bring their Churches up to their full apportionments. Indeed it will be necessary for our Churches to pay

October 18. 1904.

more than the amounts apportioned them by the Presbytery, in order to raise the amount the Assembly has apportioned to our Presbytery. Our Presbyterial apportionment to this Cause, if paid in full, amounts to only $753. whereas the General Assembly has apportioned the sum of $775. to Orange Presbytery. The Assembly also recommends that the maximum amount of aid given to our Candidates be increased from $90. to $100. In order to do this there must be larger Contributions from the Churches.

Colored Evangelization.

Your Committee, in the first place, submit

Stony Creek Church, N.C.

Some gleanings from the last report, and a letter of the Assembly's Committee:

Colored Work — 1. The last was the best year at Stillman. The attendance was 72, while 52 attended the year before, and only 35 the year before that in a rapid increase. Nearly half of the 72 in attendance last year were Candidates for the Ministry

" — 2. The other Schools — The Ferguson Williams College, at Asheville N.C., the J.H. Alexander Academy, at Vicksburg, Miss., and the small but interesting School at North Wilkesboro, N.C., conducted by Rev. J.S. Morrow, — are doing noble work. Their aggregate enrollment was quite large.

" — 3. The Evangelists, Pastors and Supplies, succeeded last year as never before in getting the ear of the people. There were 42 good reliable men who served 85 Churches, besides many mission points.

" — 4. To carry on this work — that at Stillman and the other Schools, and the Evangelistic and Sustentation work — the Church gave the pittance last year of $8.600 only, and yet the year closed without debt. That the work may be extended, the Assembly has asked for $15000. — this year.

In the next place, we are glad to report that the work in our Presbytery is in a good state. Bros. Palmer and Morrow have stuck closely to their duties since last Spring, although Bro. Morrow has been much hampered by the long illness of his Wife during the Summer. He has held protracted meetings in all his Churches with three additions to Beulah, and Spiritual refreshing to them all.

Colored Work — Bro. Palmer has made no report of his work. We can, therefore, make no report upon it, but in letters to the Chairman he expressed encouragement in his work.

" — We recommend, as the Assembly has done, that all our Pastors and Supplies preach on Colored Evangelization, before taking the Collection for that Cause in December.

" — We further recommend that your Committee be allowed to use their discretion as to appropriating aid to the Elkin School, as no aid has been yet asked, the appropriation to be made only if necessary, and as the funds may justify.

order — It was ordered that the report of the Committee on the Sabbath and Family Religion be heard tomorrow morning at 10:30 o'clock.

Commission continued — The Rev. E.L. Siler reported that the way had not been clear for the Commission appointed to organize a Church at Sparta, N.C. The report was approved and the Commission continued.

Commissioners— and also a letter from the Hon. A.M. Scales giving satisfactory reasons for non-attendance. These reports were approved, and the diligence of the brethren commended.

Commission Dissolved The Rev. S.M. Presbytery met at 7:30 o'clock P.M. together with a large Congregation. The order of the day being to hear the report and to hold a popular meeting in the interest of Foreign Missions, the Rev E.R. Leyburn, Chairman, presented and read the report, which was received. Pending the adoption of the report, the Rev. D.C. Lilly D.D.

Sermon

preached a Missionary Sermon on the text "Yea, all Kings shall fall down before Him; All nations shall serve him" Psl. 72:11.

After the Sermon the report was adopted and is as follows.

Foreign Missions.

Your Committee on Foreign Missions is glad to be able to report that the last year has been the best in the history of this branch of our Church work. The latest report from the Assembly's Executive Committee of Foreign Missions states that 24 new Missionaries have been sent out within the last twelve months. This is the largest number ever sent out by our Church in a single year. Our collections for Foreign Missions have risen from 78 cents pr member to $1.00. pr member, making an increase in the contributions over the preceding year of

October 19. 1904.

$56.070.00, and bringing the total contributions for the year to this Cause up to the splendid sum of $236000.00 The Children of the Church were asked to raise $25000.00 to replace the "Samuel N. Lapsley", our Mission Steamer, which was wrecked last November on the Congo River; and instead of the $25000. asked for, they have raised up to the present time $37000.00 This great increase in the liberality of our people in giving of their substance for the extention of Christ's Kingdom in heathen lands, calls for our devout thanksgiving to God. Nothing shows more clearly the interest people feel in this Cause than the size of their contributions to it. Special mention should be made here of the excellent work done by the two young Men who have been engaged in visiting the Churches in the interest of the "forward movement". This is a Movement to get individuals and Churches to assume the support, or partial support, of some particular Missionary, or to take shares in the support of some particular Mission station. The 300 Churches which have been visited in this "Forward Movement", gave over one half of the $236000. contributed for Foreign Missions during the year. Your Committee would heartily commend to all our Churches this plan of having a definite share in the support of some particular Missionary or Mission Station.

The work done by our Missionaries has

Foreign Missions
"
"

Foreign Missions

been abundantly prospered. During the year there were added to our Churches in Mission lands 1558 souls. Over one half of that number, or 870 were added to the Churches of our African Mission. The success of that Mission has been truly wonderful. In spite of the smallness of the force at work there, and the great difficulties and discouragements under which our Missionaries have labored, over 1600 souls have been added to the Churches of that Mission within the last two years. The blessing which has followed the efforts of our Missionaries during the year, is a cause for most hearty thanksgiving to God. Let us remember that this very blessing constitutes a strong call to us to enlarge our forces and press forward to enter the open doors. Our Executive Committee, in its report to the General Assembly, emphasizes as the greatest hindrance to this work, the lack of young men offering themselves for service in the Foreign field. They have made a special canvass of our Educational Institutions in search of suitable men who were willing to undertake this work, but even by such an effort as this, but a small part of the force needed, has been secured.

" " "The situation is one that calls for earnest and importunate prayer to the Head of the Church, that he would give us the Evangelists and teachers who are only to be had

as his gifts to the Church, and of whom the need is so much greater than the supply for the work."

Foreign Missions

Coming now to our own Presbytery's part in this great work, we find that there has been but a small increase in the contributions of our Churches to Foreign Missions during the year. Forty of our Sixty one Churches contributed to this Cause, the sum of their contributions being $67.92.00, as against $67.29.00 last year - a gain of only $.63. in the whole Presbytery. Still, we must remember the great gain of last year over the year before, viz: from 79 cts to pr Member to $1.15 pr member, an increase in one year of over $2000. to this one Cause. We feel that we have done well to maintain that high standard this year, and to make even a slight advance.

" " The Churches of the Presbytery giving $1.00, or more pr member, to this Cause are: Durham 1st $6.18 pr member, N. Wilkesboro $3.11. Winston $3.06, Graham $2.26., Chapel Hill $2.00 Westminster $2.00, Lexington $1.62, Greensboro 1st $1.33., Asheboro $1.00.

" " The following Churches gave nothing to this Cause during the year - Pine Ridge, Dan River, Grier, Gilead, Bethesda, Elim, Jefferson, Jamestown Beulah, Clark Memorial, Sandy Ridge, Wentworth Little River, Danbury, Snow Hill and Yorkville.

It will be noticed however, that most all of these are small weak Churches, and Several of them have no pastor.

Stony Creek Church A.L.

Foreign Missions

We wish, in closing this report, to commend especially the good work being done by our "Woman's Foreign Missionary Union" of Orange Presbytery. The following is the statistical report of the "Union" for the year ending March 31. 1904.

Adult Membership 582, Juniors 416, Cradle Roll 19 – Total 1017. Adult Contributions $361.93, Juniors $265.26. Total $1627.19. Number of Copies of The Missionary taken 288 – Of the Children's Missionary 122 – And of the Prayer Calendar 81. – Comparing these statistics with those of last year, an increase of $448.30. is shown in the Contributions of the Missionary Societies of the Union, and an increase of 72 Subscribers to the Missionary, 22 to the Children's Missionary, and 6 to the Prayer Calendar.

" We most cordially endorse the Woman's Missionary Union of our Presbytery, and heartily commend these good women who are laboring so faithfully with us for the spread of Christ's Kingdom.

E. R. Leyburn, Chairman.

We have given permission to the Officers of Cox's Chapel, M.E. All of which to be presented at the next Fall Meeting of Presbytery.

Report on Ch. & Manse at Sparta

The following report on the Church and Manse at Sparta, N.C. was submitted by the Special Committee and adopted—

1. As to the Church:

The Rev. J. L. Story, our Evangelist in Alleghany County, reports that the erections of the Sparta Church was begun on the 17th day of October, 1904. All the material needed to enclose the Church has been purchased, and the contract to enclose it has been let, this part of the work to be Completed by the 10th of December next. The Church will probably cost more than the Architect's estimate, and therefore we have instructed our Evangelist not to order any finishing material for the Church as yet, until we see how far

October 20. 1904.

the money in hand will go— The following is a statement from our Evangelist of the Church Account up to date— By amt. recd. from Treasurer—$248.06

To amt. paid for Material $221.46

Balance in hand—$26.60

Sparta Church and Manse Report

2. As to the Manse— When Presbytery undertook the building of the Sparta Manse, it planned to put $800. in the building, expecting a lot to be donated. It turned out, however, that a lot was not donated, and therefore $125.00 of the building fund was paid for a lot. The Subscriptions for the Manse fund, amounting to a little more than $800. have not all been collected, and cannot be collected. Some of them have been cancelled by death and otherwise. We still have uncollected Subscriptions, which have not been cancelled, to the amount of $158.00

Having to pay for the lot out of the building fund, together with the shortage in the payment of Subscriptions, has left quite a debt on the Manse. This debt has been largely increased by reason of the fact that the Manse has cost more than the Architects estimate. Our Evangelist reports to us that the Manse will cost about $1042. instead of $800. He has tendered to your Committee a full statement of his accounts, which we have examined carefully, and we believe that he has built the house as cheaply as possible under the circumstances. We have also examined the plans and specifications of the building, and we

Stony Creek Church, A.L.

are fully persuaded that it could not have been built for the Architect's estimate, with the present prices of material and labor.

Sparta Church and Manse Report.

Our Evangelist reports that he has received and disbursed on the Manse account, altogether, $682.15. Of this amount $134.52 was borrowed temporarily from the Church fund, and must be repaid at an early date. In addition to this amount due the Church account, our Evangelist reports the following bills due, with no money in the Treasury with which to meet them. viz. To Brown, Rogers & Co., Winston $136.59

" Apes in and around Sparta $95.26

Due Contractor - Sam $130.00

Amt. needed, to Complete it - $125.00

Total amt. needed $484.85

To this, add Amt. due Church Acc. $134.52

Total Amt. to be raised - $619.37

If the $158.00 of uncollected Subscriptions should all be collected, there would still be a deficit of $461.37 on the Manse fund.

We recommend that Presbytery instruct our Pastors to present this matter to their Congregations as soon as possible, on their return home from Presbytery, and that Cash collections be taken and forwarded to the Treas. of this fund.

We suggest that the Churches named below, be asked to raise the fol. amounts - Winston $100. Durham $100. Graham $50. Reidsville $50. Burlington $50. Westminster $50.

Comtte Continued

It was ordered that the Special Committee on the Sparta Church and Manse be continued, and authorized to borrow what money may be needed to meet urgent claims, that may come up between now and the next Stated Meeting of Presbytery.

The order of the day was postponed, and the unfinished business taken up, namely: The Report on Home Missions.

Leaksville Church and C. Miller's letters.

In connection with this report Communications were read from the Leaksville Church, and from the Rev. Cornelius Miller, formerly, Evangelist in Stokes County. After further discussion of the Report, the recommendations were taken up seriatim, discussed and adopted. The report as a whole was then adopted, and is as follows viz

Home Missions.

Home Missions.

1. Survey of the Field. In Caswell County, Pleasant Grove Church, near Yanceyville, has been organized with Seventeen Members. Bro. Williamson left this field in August, and it is still vacant.

No mission work has been done in Rockingham and Stokes Counties for a year, except that of Bro. George. He reports Seven accessions to his three Churches.

Stony Creek Church, N. C.

Home Missions

In Randolph, Rev. N. Reff Smith did faithful and efficient work for three months this Summer. He held protracted meetings at Asheboro and Worthville, his Wife also conducting Prayer Meetings for the ladies, in the afternoons. All these services were well attended by deeply interested congregations, and resulted in a number of conversions and accessions to our Membership. An Elder and a Deacon have been ordained at Worthville, both most excellent men. These two Churches have taken on new life, the prospects are bright, and this field should no longer be neglected. Bro. Smith also assisted in a gloriously successful meeting at Alamance Church in which there were about Sixty Conversions.

Report

Dr. Mebane has received fifteen new members in Surry, most of them at the Quarry Mission. This beautiful Granite Church was dedicated last June. The most interesting features of Dr Mebane's work are his four Mission Sunday Schools, and two Mission Prayer Meetings. He has a total Sunday School enrolment of about 260, with a Church membership of about 70. Miss Mary Mebane (his daughter) has been a zealous assistant in all this work, and her departure to Japan will be a serious loss to this field.

October 20. 1904.

The work in Wilkes has been somewhat interrupted by the serious illness of Bro. Robinson. He reports good congregations at all points, and the Sunday Schools and Prayer Meetings have been regularly kept up. Over $100. was contributed to the Congo Boat without detriment to other Causes. Bro Robinson feels compelled to give up this work, after faithful Service of ten years.

Home Missions

Rev. S. C. Smith continues to grow in favor with the people of Ashe County, and shows great zeal in his preaching and pastoral work. He preaches at seven points to continuously increasing Congregations. Interesting Meetings have been held at Jefferson and Olida. Seven accessions at the latter place increase the membership there to fifteen, and these will soon be organized into a Church.

Report

Bro. J. C. Story's work in Alleghany is exceedingly encouraging. In a Meeting at Rocky Ridge conducted by Bro. Gillespie, there were Sixteen professions and ten accessions to our Church. The first Presbyterian Church in this County was organized in August (14th) at Rocky Ridge, and has now two Elders and one Deacon, and Nineteen Members. Another Church will soon be organized at Sparta. The Manse there is nearly completed, and everything is in readiness (?) for building the Church. Bro. Story preaches at 8 Points.

2. The Financial Outlook: —

Your Committee as directed, borrowed in April $300. and paid off our Evangelists in full. We wrote to the Churches that had fallen seriously behind in last Year's Collections, — urging them to make up their deficiencies immediately; and again wrote to all the pastors preparatory to the August Collections, pleading for liberal contributions. Both of these appeals met with poor response, the total receipts for the general fund for the past Six months being only $258.52. During the last eighteen months the Contributions have fallen about $350. below the average for that period. Our vacant fields are clamoring for help: we need about $300. to supply them for the next five months; and we have in hand just $26.00 The Hebrews complained because they were expected to make bricks without Straw: Your Committee cannot make bricks without clay. It is evident that we must do one of three things: 1st Let those fields remain vacant for five months longer, or 2 – To engage Evangelists without any prospect of paying their Salaries when due, or 3 – Collect in every Church at once its Proportionate part to this fund. The first would be disastrous, the second would be dishonest, the third is our plain duty. The Ashe, Alleghany and Surry and Wilkes grants are now being

supported, by three Churches comprising one fourth of the membership of Presbytery, at a cost of $1800, leaving four fields to be sustained by the remaining three fourths of our Membership, at a cost of about $1400. — And yet the work just now is at a stand-still for lack of funds.

3. Recommendations —

a) That in view of the enlarged proportions which our mission work has assumed in recent years, we appoint a Committee to take the whole subject into consideration and report at our adjourned Meeting at Lynnod. The Committee shall consist of the Chairmen of Home Missions, Rev. E. H. Smith D.D., Rev. W. C. Arrowood, Rev E. L. Siler, Rev. S. M. Rankin and Elders L. B. Holt and D. R Sellars. The Committee on Nominations made the following report which was adopted in

Nominations

Your Committee would recommend:-

1. That the Committees on Church and Christian Education, On the Sabbath and Family Religion, On Publication and Sabbath School work, And on Ministerial Relief, be re-elected.
2. That the Committee on Bible Cause be composed of Rev E. L. Siler, Messrs E. A. Snow and Geo. W. Montcastle.
3. That the Auditing Committee be composed of Rev. Messrs J. A. Matheson and Geo. W. Watts.
4. That Rev E. L. Siler be added to the Examining Committee on Latin and Greek Exegesis, and Rev. R. W. Haines to the Committee on Church History.

J. W. Goodman, Chairman

The Executive Committee on the Sabbath and Family Religion submitted the following report, which was adopted in

Sabbath and Family Religion

The Sabbath and Family Religion.

Your Committee would report:-

1. That we have endeavored to gather from our Pastors in the Presbytery some definite information on these two Subjects of vital importance, to the welfare, and indeed to the very life of the Church, and we take this opportunity to thank the various Pastors who have assisted us with

October 20. 1904.

their co-operation.

2. That we have noted, for several years, the somewhat vague and indefinite reports to set up to our Presbyteries from the Churches, the Presbyterial Narratives to the General Assembly, and the Narrative from our highest Court back to the Churches, all indicate a gradual but sure decline in the Proper observance of the Lord's Day, and also in the matter of religious training in the Home. If this decline exists, then it can only be a matter of time until the Sabbath exists only in name, and family religion will be a thing of the past. While Your Committee beg leave to take a more hopeful view of the situation than has been set forth in previous reports, yet we would urge upon our Pastors and Sessions the great importance of developing our People along the line of stricter observance of the Sabbath, and the more careful training of the children in our homes. Neglect of either or both of these sacred institutions, handed down from Eden, cannot but be detrimental to us as a Church and as a People.

Sabbath and Family Religion

3. That from the answers received, twelve of our Ministers are of the opinion that Sabbath desecration, generally, is on the increase, while nine think there has been no material change in recent years,

Sabbath and Family Religion

and all but three give it as their belief that there has been no increase in desecration in our own congregations. There is ground of great encouragement in this last statement, and herein lies our hope to stem the tide of general increase, if such there be. It should be noted that much of the general increase is due to the enormous increase in recent years in general traffic and travel, thus creating a new phase of the question that did not trouble our fathers, but a phase that must be met in some way.

4. That very few of our pastors see any indications of improvement, the only one mentioned being the agitation of the subject. To our minds this agitation is always bearing fruit. It has led to the closing of the gates of the St Louis Exposition on Sunday, the enactment and enforcement of stricter Sabbath laws in many of our larger cities, and Railroad officials are now considering the advisability of discontinuing all Sunday Excursions. As the fight for the Sabbath waxes warmer, as we verily believe it will do, the results will be more evident. The Christian Sabbath will no more be destroyed than the Christian Church, but its friends must all abide on the Ship.

5. That the forms of Sabbath desecration that are giving our Pastors most Concern are,

Sabbath and Family Religion

in the order named - Sunday visiting, Sunday Trains, Reading Secular Newspapers, Open mails on Sunday, Driving for pleasure, Neglecting the Ordinances of God's House, Regarding the Sabbath as a holiday, General loafing, Unnecessary traffic by Fruit and Drug Stores, Drinking and Wood cutting. The Committee would add to this, "through freight traffic," which has increased very much under our lax laws. The law of some years ago, allowing only perishable freight to be hauled, should be re-enacted and enforced.

6. That in the matter of Family Religion, we find that only ten gave full answers to the questions asked, and that in these ten Presbyteries, about 14 pr cent of all the families reported to be under this Spiritual oversight in full or in part, have family altars; or about 20 pr cent of the families entirely Presbyterian have the family altar. There is room for improvement, but this is by no means as bad as would be inferred from previous reports, and there is encouragement for every one to put forth more earnest endeavor to raise the average during the coming year.

7. That our Pastors are about evenly divided as to whether family religion is on the decline or not. Your Committee think not, and the indications point to renewed interest along this line. True, there is

Stony Creek Church, N.C.

much indifference and neglect on the part of many parents, and there are serious difficulties in the way, not the least being the generally prosperous condition of our people. History shows that the more prosperous a people become, the more lax they usually are in religious matters; but we should profit by the experience of the past and press home upon our people the great importance of carefully training the children, for as the homes of our people, so will be the Church, the Community and the Nation. Neglect the Home, and all will suffer. Safeguard the Home with the bulwarks of religious training, and all will be safeguarded.

Sabbath and Family Religion

8. That we recommend, therefore, that our pastors continue to preach faithfully the Word of God on these subjects; that they find opportunity to talk about them from house to house in their visitations; that they have young men's prayer Meetings whenever practicable to train our young men to lead in prayer at the family altar and in public; and that especial attention be given to these matters in the special protracted services that are held in most of our Churches at some time ~~or other~~ during the year.

J. H. Goodman.
Chairman

October 20. 1904

The Executive Committee on Ministerial Relief submitted the following report which was adopted.

Ministerial Relief.

There is no cause that should move the heart of Christian benevolence more than that of Ministerial Relief. The State pensions her Soldiers, Soulless Corporations pension their aged and disabled workmen, and shall the Church, whose mission it is to feed the hungry and clothe the naked, allow her aged and disabled Ministers and their widows and orphans to suffer for lack of proper sustenance! The Southern Presbyterian Church is specially remiss in the performance of this duty. We are far behind our Sister Churches in providing adequate support to our disabled ministers and their widows and Orphans.

Ministerial Relief

Our General Assembly of 1902, undertook to remedy this remissness in our Church by adopting a new plan, and changing the Cause from "Invalid Fund" to "Ministerial Relief." The Assembly's plan contemplates two separate funds: One fund is to be raised annually by collections in all the Churches, and is to be used to meet the yearly appropriations by the Assembly's Executive Committee to beneficiaries of Ministerial Relief.

The other fund is for endowment, and only the accrued interest is to be used to meet the appropriations to beneficiaries. The Assembly's plan contemplates the appointment

Stony Creek Church. N.C.

of a Sessional Committee in each Congregation, whose duty it shall bee to take Subscriptions for the endowment Fund for a term of years, and collect those subscriptions yearly and forward the same to the Assembly's Committee.

Ministerial Relief

So far as your Chairman is informed, only four Churches (Greensboro, Westminster, Durham and Chapel Hill) have appointed Sessional Committees; and only one Church (Durham) has made subscriptions to the endowment Fund. In Presbytery at its last Spring Meeting passed the Resolution found on page 48 of Printed Minutes. We wish to call the attention of Presbytery to the fact that the Churches have not, with the exception of those noted above, appointed Sessional Committees, and we ask that Presbytery reiterate its instructions to Sessions, and emphasize the importance of these Committees being appointed and the full plan of the Assembly's Ministerial work being put into full operation in our Presbytery.

The Churches so far as heard from have contributed to the Annual Fund, or will do so, before the close of the Ecclesiastical Year.

The name of Mrs J. H. Wallace has been added to the roll of those receiving aid from this Fund of Orange Presbytery, her name having been transferred from the St. Johns Presbytery Fla. She is apportioned $12.50 per Quarter. The first two Quarters ($37.50 per Quarter)

have been paid in full to the Rev. H. D. DeBruce, and $12.50 to Mrs. J. H. Wallace.

M. C. Arrowood, Chairman.

"Pleasant Grove" Ch organized

The Rev. M. C. Arrowood reported for the Commission appointed, the organization of a new Presbyterian Church near Yanceyville N.C, in Caswell County, in August – 1904. Two Elders and two Deacons were ordained and installed, with an enrolment of 17 Members, and the name of the Church is "Pleasant Grove". The report was received and approved, and the Church ordered to be enrolled.

Commission appointed

The Rev. S. C. Smith moved that a Commission be appointed to organize a Presbyterian Church at Olds in Cole County N.C. if the way be clear. The motion was adopted and the following Commission appointed – Rev. M. C. Arrowood, Rev J. C. Story, Rev. S. C. Smith and Elder E. C. Serrett of Ebenezer Church.

April 12. 1905.

is as follows:

Your Committee respectfully submit the following report for the year ending March 31 st 1905.

Report on Colored Evangelization on Morrow

1. The work under the General Assembly is making some progress, but it is necessarily slow. The needs are more funds, more efficient pupils for the Stillman Institute, a better educated and more devout Ministry, and a more hearty co-operation of the white people in the Communities where work is undertaken.

2. The Rev. J. S. Morrow has charge of Elkin, Clark Memorial and Beulah Churches. He preaches twice every Sunday, and Sunday Schools and Prayer Meetings are maintained in all his Churches all the year. There is good interest and the outlook is encouraging.

Palmer

3. The Rev. B. B. Palmer has charge of Elon Church and School. The Church is very small and growing less by removals. The School seems to be doing good work.

4. Financial Statement:

Receipts: From Rev. J. McL. Seabrook — $14.12. From, J. B. Fuller, Treasurer, $217.78. — Total $231.90.

Disbursed: To Rev. J. S. Morrow $50.00, To Rev. B. B. Palmer, $37.50 — Total $87.50, leaving a balance of $144.40. We recommend

High Point, N.C.

that the following Appropriations be made for this Year:

Appropriations

To Elim Church $75.00
To Elkin Church 75.00

S. School Report

The following partial report of the Committee on Publication and Sabbath School Work was made by the Chairman, Rev. D. W. Mebane D.D., and adopted. It is as follows-

Your Committee makes the partial report to Orange Presbytery - that it finds by the last reports coming into its hands that the Roll of the Sunday School in Orange Presbytery is only 75% as large as the Roll of membership in the Churches. This is a little ahead of the Synod, which is 71%, and in the General Assembly it is 74%. But we think it is a bad showing for our Schools. It ought surely to be as large, and probably much larger than our Church Roll. Some of our Churches are without any Sunday School at all, and some are down below 50%.

S.S. Agent in Mr Kerr

In order to work up our Sunday Schools, We ask the consent of Presbytery to put into the field a Special Agent during the Summer Months, and we would name Mr. E. D. Kerr of the Middle Class in the Seminary at Columbia, S.C., to work in the Churches under the supervision of

April 12. 1905.

the Committee on Sunday Schools, with a special view of organizing Mission Sunday Schools, and by this and other means as may be devised, to increase our Sunday School Roll, and increase the general efficiency of our Schools. S.S. Agent

Ministerial Relief Report on

The report of the Executive Committee on Ministerial Relief, Rev. M. C. Arrowood, Chairman, was submitted and adopted. The report was afterwards reconsidered and amended, and as amended and adopted, it is as follows—

Your Committee would report that the Contributions to this Cause have materially fallen off the past year.

Of our 65 Churches, only 33 Contributed to this important Cause, and some of these failed to contribute as liberally as they did last year. The Treasurer's books show only $333.50 Contributed, against $894.00 last year. But the falling off is not quite so serious

April 14. 1905.

as these figures would indicate, as $500. of the $894. reported last year was for the permanent endowment fund.

The two beneficiaries of this Presbytery of this fund have been paid in full; Rev. H. D. Le Duenx $150.00, and Mrs. J. M. Wallace $50.00.

Legacy in Mrs Wallace

Your Committee recommend: 1. That the appropriation to Rev. H. D. Le Duenx for $150.00 be renewed.

2. That the Chairman of this Committee be authorized to endorse Mrs. J. M. Wallace's application for aid for whatever amount shall be asked, by the Session of the Winston Church, for her relief.

Overture from Winston Ch

The Special Committee to whom was referred the Overture from the Winston Church Session made the following report which was received and adopted.

The Overture is as follows —

April 13. 1905.

To the Presbytery of Orange, sitting at High Point, N.C., April 11. 1905.

Overture from the Session of the First Presbyterian Church of Winston.

Overture from Winston Church

1st We note that in the Minutes of Presbytery for the Called Meeting held at Winston in February 1904, the language occurs as follows, to wit: viz "It was ordered that the written Narrative of the Session, which contained reports affecting the Christian Character of the parties named therein, be put into the hands of said parties &c" The parties referred to are Messrs W. B. and J. P. Taylor. We call attention to the fact that the "Christian Character" of these brethren was not called in question in the Narrative, and we ask that in justice to these brethren, a suitable correction be made in Your official Minutes.

Taylor Bros.

Commission appointed

2nd We respectfully ask you to appoint the Commission to organize a Second Presbyterian Church in Winston, in harmony with the agreement entered into at the Called Meeting at Winston.

W. B. Carter, Clerk.

Answers

The Answers adopted by Presbytery are as follows: 1st Your Committee recommend that the Overture be answered as follows: That the Minute of Orange Presbytery in which the expression is used – "reports affecting the Christian Character of the parties named" in referring to Messrs.

High Point, N. C.

Answers to Overture

W. B. and J. P. Taylor, be corrected according to the suggestions of the Overture, and the expression in the Minutes be withdrawn, as the Presbytery is now satisfied that there was no such intention in the Narrative alluded to — but the question was only one of their disturbing the peace of the Winston Church.

2nd That the Presbytery re-appoint a Commission asked for, to organize a Second Presbyterian Church in Winston, if the way be clear, the Commission to meet at the Call of the Chairman.

The Commission.

The Committee would name as the Commission Rev. D. Clay Lilly D.D., Chairman, Rev. S. M. Rankin, Rev. E. L. Siler, Col. A. C. McAlister and Maj. T. J. Brown.

B. W. Mebane, Chairman.

J. P. Taylor heard

On motion of Dr. Lilly it was ordered that Mr. J. P. Taylor have the privileges of the floor for twenty or thirty minutes to make any statements he desired, and Bro. Taylor was accordingly heard in his statements concerning his relations to the First Presbyterian Church, Winston.

Maj Brown heard

The order of the day was postponed, in order to hear brief statements from Maj. T. J. Brown, the Elder from the Winston Church, and he was accordingly heard.

April 13. 1905.

The Order of the day, Viz: The Report of the Executive Committee on Home Missions was taken up.

Home Mission Report deferred

The Report was read by the Chairman, the Rev. Dr. Lilly, and received.

The consideration and discussion of the report were deferred until after recess.

Sparta Ch. and Manse Report

The report of the Special Committee on the Sparta Church and Manse was submitted by the Rev. C. E. Hodgin, Chm., received and adopted. It is as follows:

1. The Church — We are glad to report that the Church at Sparta is nearly completed. Our Evangelist in the field, Rev. J. C. Story, thinks that the Church will be ready for use by the first of May. When completed, the Church will cost something over $1000. instead of $800. We have already received from Mr. Jas. H. Carson $900. for the Church — $882.62 of which have been expended, leaving a balance now in hand of $17.38. We are glad to report that we have had assurance from Mr. Carson that he will furnish the balance of the money needed to complete the Church, so that Presbytery will not be called upon Contributions for building the Church.

2. The Manse — Since the Manse Account has been placed in our hands, we have collected $345.90, all of which has been paid out on accounts against the Manse fund. Of the above amount $73. were collected from

High Point, N. C.

the original subscriptions to build the Manse, and the remainder was contributed by the Churches which have taken up cash collections for this cause since the last meeting of Presbytery. Many of our Churches failed to take up the special collection for this cause which Presbytery ordered at the last Meeting. Only the following Churches have responded, viz: Alamance $19.43: Durham 1st $65.: Graham $50. Westminster $50.: Reidsville $26.: High Point $16. Greensboro 1st $13.: Burlington $13.22: Chapel Hill $5.: Hillsboro $10.: Buffalo $5.25. Total $272.90.

" There is still a debt of $250.93. on the Manse as fol— To Brown and Rogers $136.59: Other bills, $74.34: Amt. due Contractor $90. — Total $250.93.

We are glad to report that part of the above indebtedness is provided for—We have the promise of $100. from the Winston 1st Church which will soon be paid, and our Evangelist, Mr Story, thinks he can collect at least $25. more on the Sparta Subscriptions.

" Deducting these amounts from our total indebtedness, leaves a balance of $125.93, unprovided for.

" We recommend that Presbytery again order a cash collection to be taken at once for this debt in the Churches that have contributed nothing, or very little, to this Cause.

" We suggest that the Churches named below be asked to raise the following amounts — Asheboro 5 — Lexington 10 — Mebane and

Third Day — Afternoon Session.

High Point, N. C.
Thursday, April 13. 1905.

Presbytery met at 2 o'clock P. M. and resumed its business.

The Rev. Eli Reece of the Society of the Friends and Rev. L. A. Cecil of the M. E. Church were invited to sit as visiting brethren and introduced to Presbytery. Introduced

The unfinished business — Home Missions — was taken up, and addresses were made by Rev. E. L. Siler, Dr. E. C. Murray and Dr. D. C. Lilly. All the recommendations of the report were then taken up separately, and were considered, discussed and adopted. The report was adopted as a whole, and is as follows — Home Missions

ned meeting in Durham N.C., met and organized by electing Rev. D. Clay Lilly D.D. Chairman, and Rev. E. L. Siler, Secretary. It adopted a plan looking to the employment of a Presbyterial Evangelist, and appointed Rev. E.L. Siler a Committee of One to raise a Salary of $1200. for the work, the said amount to be raised by private subscription, and over and above all other gifts to Home Mission work. Bro. Siler has secured in good subscriptions $1050., and has collected of this $363.75, which is now on deposit. We are now seeking an Evangelist with the hope he will be able to do a much needed work among our Churches.

My work at the Church and Manse at Sparta is now nearing completion. Rev. C. E. Hodgin has had the business in charge. He has succeeded in raising enough in cash and good subscriptions to pay off all the indebtedness except $125.00. If this amount can be secured this work can be brought to a speedy and successful end.

The Home Mission work of Orange Presbytery is in a condition which demands the serious attention of each member of this Presbytery. We have a maximum of Churches needing aid, and a minimum of those able and willing to give it. The Churches needing assistance are numerous and widely scattered. Many of them are suffering now for want of preaching for months, and in some cases more than a year. These congregations are becoming discouraged, and if not cared for will be broken up and lost to our Church.

April 13. 1905.

Home Missions

One half of the pastorates of this Presbytery are not self-supporting, and one third of them are directly dependent upon the appropriations of the Presbytery's Home Mission Committee to supplement their salaries paid to enable them to secure or keep a pastor. If we attempt to supply them with preaching, we are confronted with the condition that the contributions of the Churches will not pay more than one half of the necessary appropriations. Apportionments and appropriations should be commensurate. Presbytery arranges a scale which would make the apportionments for the contributing Churches aggregate an amount equal to the appropriations to the needy Churches. But let it be recalled that it is the policy of our Church to pay all appropriations in full, but to take no steps to collect the unpaid apportionments. Let it be known further, that the Churches do not pay more than one half the amounts to appertained them, and that Presbytery take no notice of it, and you will at once see the weakness of our

High Point, N.C.

Home Missions

system from the administrative side.
If the Committee seek to remedy the matter by suggesting new groupings, these plans are often rendered impossible by the resistance from the Churches, refusing to acquiesce in any arrangement which does not please them, and so one Church can prevent a grouping which would be satisfactory to two or three others.
The Presbytery manifest a tendency to let the burden of this work rest on the Home Mission Committee. It does not properly belong there. It is the Presbytery's work, and this is written with the hope that Presbytery will assume original responsibility for this work, and devise some practical way of doing it. The Committee suggest the following line of action by which some relief can be had viz
1st As to Grouping of Churches.
That Presbytery do here and now take up the whole matter of grouping the Churches under its care, and with the light it has before it, arrange the Groups so that every Church shall be able to have the regular preaching of the Word, and the administration of the Sacraments.
And further, that Presbytery adopt the policy of keeping these groupings permanent, just as far as shall be possible.

April 13. 1905.

Home Missions

2nd As to Appropriations—
That no appropriation shall be made for any field until that field shall have been thoroughly canvassed by the proper officers of the Churches, and a subscription to the support of its pastor made, which the Committee on Home Missions shall consider in keeping with its numbers and ability
3rd As to Apportionments—
That Presbytery exhort all its pastors and Churches to regard the binding obligation of their own act when they adopt the Table of Apportionments proposed by the Committee. If the apportionments are too large, and lay too heavy a burden on the Churches, they should not be adopted by the Presbytery. But if they are just and reasonable they ought to be adopted, and when they are thus adopted by the free choice of all the Presbytery, it should be understood that they have a binding obligation on us all.
4th We recommend, That Presbytery appoint each of its Ministers to give two Sunday's during the coming year to Evangelistic and missionary effort, under the direction of the Presbyterial Committee of Home Missions; and that this work shall contemplate, in vacant Churches, in addition to the regular evangelistic services, the se-

" Recommendation: Your Committee recommend that the Stated Clerk write to the Clerks of the Sessions (which have) of those Churches which have neglected to worship God with their substance, and lay this duty and privilege on their Consciences, and

that they have said letter read to the people at a public gathering.

Narrative — The Standing Committee to whom were referred the Narratives of the Churches, to prepare a Narrative on the State of Religion to be sent up to the General Assembly, reported as follows - And the report was adopted and ordered to be forwarded to the Assembly -

1st — Your Committee would report on the Attendance upon the Sanctuary by Members and others: More than one half our Churches (34) report the attendance "good", by members - " and 23 Churches report it "good", by others. An improving attendance is noted by 4 Churches, while 8 report it "fair", and 5 report it "poor". Only 3 Churches speak especially of the night Services, and they report it poorly attended, and as many make the same report of Prayer Meetings. Two Churches make particular note of the attendance of Children, and one Church " speaks of a good Prayer Meeting.

2nd — Observance of Family Worship -

This means of Grace seems to be falling into disuse. Fifteen Churches report "neglected" - 12 report "partially observed", and 12 report "Very few" observe it. Only two Churches report, "Kept up by a majority." One Church reports, "good" - One, "improvement", and two others report, "Observed by official members". "Sadly Neglected",

is a typical phrase of the Narratives from our Churches, and it describes very well the situation in our entire Presbytery.

Narrative — 3rd — Observance of the Lord's Day, by Members.

This part of our report is more encouraging. Thirty-eight Churches report it "good", and 10 report "fair", and 2 report "bad". Some of the forms of violation of the Sabbath law, are - "Sunday visiting", "Sunday Papers" and "Sunday Travel".

4th — Training of Children and Youth in the Home and Sunday School, in the Scriptures and Catechisms - Thirty-Seven " Churches report this faithfully done in the Sunday School, and 28 in the Home. Eighteen Churches report this not faithfully done in the Sunday School, and eight the same in the Home. Only one Church calls attention to the Children having learned and be cited the Catechisms. The Narratives have not shown in many instances whether the expression "faithfully", may be applied to both Home and School, or both Scriptures and Catechisms.

5th — Fidelity of God's people in worshipping the Lord with their Substance - "

This is shown to be "good" by 20. Churches, "fair" by 12, and "not good" by 9. Churches.

6th — Payment of Pastor's Salaries -

High Point, N.C.

Narrative

Thirty Churches have paid fully and promptly, four have not paid quite all, and six are due sums ranging from $6. to $239. making at total of $481.00

7. Evidences of Spiritual life and growth and activity &c – Special evidences are reported by 15 Churches, and 7 of these have gathered into the Church a total of 164 members during the year. Eight Churches report a steady and healthy condition, and 28 Churches report no special evidences

8. Does Worldly Conformity prevail among the Members? – Twenty-seven Churches answer "No", fifteen say "Somewhat", and five indicate that worldly conformity does prevail.

9. Only ten Churches report that they are engaged in Evangelistic work outside of their own bounds, while 38 Churches report that they are not.

Education Report in

The Executive Committee on Ministerial Education submitted the following report which was adopted —
Your Committee would report that the number of Candidates in our Church at large, is about the same as it was last year. The Assembly's —

High Point, N.C.

Ministerial Education

Secretary of this Causd reports that our Church has 90 Beneficiary Candidates in the Seminaries, and 99 in the Colleges, showing a loss of three Theological and a gain of three Collegiate students over last year. The above figures do not represent our total number of Candidates, as Some bear their own expenses in College and Seminary, and Some are not in School at all. Our Secretary has not been able yet to ascertain the exact number of Candidates in the whole Church.

" The maximum appropriation of aid to our Candidates has been increased this year from $90.00 to $100.00 each.

Orange Presbytery now has under its care, eight Candidates, only five of whom however are actively engaged in preparation for their life work.

Patterson " We have only one Candidate in the Seminary, Mr. W. S. Patterson, of the 1st Church of Winston, who is in the first year of his Course at Union Seminary, Va. He has applied to our Home Mission Committee for work during his Summer vacation.

Walker, Phipps, Clayton, Pritchett We have four Candidates pursuing their Collegiate Studies, Messrs J. M. Walker, C. H. Phipps who are at Davidson College, Mr. N. R. Clayton at the University, N.C. and Mr. W. R. Pritchett at Guilford College, and all of whom are making good progress.

Hodge We regret to make an unfavorable

report of Candidate Samuel W. Hodge. He was in the Sophomore Class at Davidson College last fall, up to the latter part of December, when he was compelled by his Class-mates to leave College, on the ground that he cheated on lessons in his Freshman year, and was suspected and accused by members of his Class of cheating again in his Sophomore year. Mr Hodge denies that he was guilty of this charge in his Sophomore year, while he admits his guilt in his Freshman year, for which he expresses great Sorrow, and says that his Class mates had excused him for the first offense. While we have no direct proof of his guilt in his Sophomore year, we regret that one of our Candidates should be suspected of acting dishonorably.

Ministerial Education

S. W. Hodge

We recommend that Presbytery, through its Committee on Ministerial Education, advise with Mr. Hodge, and seek to impress upon him the seriousness of the conduct of which he has been suspected, and warn him to be more careful in the future.

Hodge

Mr. J. A. Ratcliffe is still engaged in business in Fayetteville, N.C. He has married a wife since our last meeting. Your Committee wrote him inquiring if he still intended to enter the ministry, and he replied stating that he did. He hopes soon to be able to take up his studies again. He is actively engaged in Church work.

Ministerial Education — the care of Presbytery at this meeting, is now at Guilford College, but expects to enter the Junior Class at Davidson College next Fall.

King — Mr. Gentry W. King, our Colored Candidate, has made no report since the last Meeting of Presbytery.

Collections — We regret to report that the Collections for this Cause have fallen below what they were last year, by $155.70 Thirty two Churches contributed $455.48, whereas forty two Churches contributed $611.18 last year. There has been a decrease of ten in the number of Churches contributing, and consequently a decrease in the total amount contributed. We do not understand why 29 Churches should contribute nothing to this Cause, especially when we have two Branches each year set apart for collections for this Cause.

Many of our Churches who contributed, paid less than their apportionment. Asheboro and Mt Airy Churches deserve to be specially commended for paying more than their apportionment, and Elon, Graham and 1st Winston for paying in full their apportionments. Buffalo, Rockford, Hillsboro, Westminster, Greensboro 1st, have paid more than 3/4 of their apportionments. Burlington, Reidsville, Fairfield and Sarapchaw have paid more than 1/2 their apportionments. All the other Churches contributing gave less than 1/2 of their apportionments. Presbytery, therefore, has failed to raise its full apportionment by $297.52 — the full Apportionment being $758.00.

April 14. 1905.

We recommend —

1. That our pastors and Sessions make earnest effort to bring their Churches up to their full apportionments for this Cause next year.
2. That our Sessions see to it that the April and November collections be sent off as soon as taken up, so that our Assembly's Committee can have the use of this money before the close of the Spring and Fall terms of our Colleges and Seminaries. — Sessions urged

Sabbath — The Committee on the Sabbath, Rev. J. W. Goodman, Chm made a report in the forms of answers to questions, submitted by Dr Stacy the Assembly's Chairman. The report was adopted and forwarded to Dr. Stacy.

Bible Cause

Bible Cause report — The Committee on the Bible Cause reports:

That of our 65 Churches only 25 contributed to this Cause last year, and that the entire amount contributed was only $140.00. This was $90.00 less than was contributed last year, although 6 more Churches Contributed this year. This is accounted for by the fact that last year the Durham 1st Church gave $74.00 to this Cause, while this year its contribution fell to $17.00. The Churches contributing

this year, ending March 31st, were: Reidsville, Greensboro, Caufields, Cross Roads, Bethany Asheboro, Graham, Westminster, Durham 2d, Durham 1st, Burlington, Mebane, Saxapahaw, Alamance, Rocky Ridge, High Point, Chapel Hill, Winston, Lexington, Hillsboro, New Hope, Eno, Fairfield, Milton and N. Wilkesboro

In view of the great work the American Bible Society is doing, and their need of funds for expanding the work of distributing the Word of God throughout the world, We recommend that Presbytery urge all its pastors and Sessions to see that Collections are taken for this important Cause the 3rd Sunday in October, or such other time as they deem most suitable.

Colored Evangelization

Your Committee gather from the report of the Assembly's Executive Committee that the work is making some progress. The Churches have contributed about 20 per cent more to this Cause this year than the previous year. There have been added to the Churches on Profession of faith, 227 members.

In our Presbytery the work is just as it was at our last report, The Rev. J. S. Morrow, to whom Presbytery has appropriated $150.00 for this Ecclesiastical year, serves Bethel, Elkin and Clark Memorial Churches. The Rev. B. B. Palmer, to whom we have appropriated $75.00, serves Elim Church. These brethren are laboring under many disadvantages, but are going on with their work, both in the Churches and with their Schools. "

Popular Meeting — Foreign Missions

The order of the day being to hold a popular meeting in the interest of Foreign Missions, the report of the Executive Committee was read by the Chairman, Rev. E. R. Leyburn, and received. Pending the consideration and adoption of the report an earnest address was made by the Rev. R. L. Wharton, our Missionary to Cuba.

The recommendations of the report were then taken up seriatim and adopted, and the report as a whole was adopted, as fol:–

Report on F. Ms.

Foreign Missions.

The past year has, in many respects, been the most prosperous in the history of this branch of our Church's work. The labors of our Missionaries on the field have been most abundantly blessed of God. As has been the case for several years, the largest ingathering has been in the African Mission, 815 having been added to our Church there.

In Japan, besides the regular work, such as has been done in former years, a great and far-reaching work has been carried on in the Army and Navy and in the Hospitals, and this work has received the grateful appreciation of all classes of the people, and has opened new doors to the Missionaries.

In China there seems to be a great

F. Missions

awakening. One Missionary reports 59 adult baptisms and 750 inquirers in one year, and others report that the number of inquirers and Catechumens is too large to be handled properly by the present force of Workers.

In Korea the Missionaries are constantly receiving deputations from territory not yet occupied, begging for teachers and preachers to be sent to them. But the Missionaries are unable to respond to these appeals, the work already undertaken being greater than the present force of workers can carry on properly.

Report

From Brazil and Mexico and Cuba came the same sort of reports, telling of abundant blessing on the work done, and of open doors which cannot be entered because of lack of workers.

The Financial report for the year, however, is far from encouraging.

"

During the past year 26 new Missionaries were sent out. This is the largest number ever sent by our Church in one year, but it was but a small fraction of the number urgently asked for by the Missionaries on the field, and sadly needed for the proper equipment of the Stations already opened, and to fill vacancies caused by death and ill health, to say nothing of opening

new Stations in destitute but promising fields.

F. Missions

The increased liberality of the Churches the year before, and the great blessing of God upon the work done, seemed fully to justify the Executive Committee in making these additions to our working force. But the Committee has been sadly disappointed, and greatly embarrassed by the failure of the Churches to support this enlarged work. The Contributions to this Cause from all sources during the past year were $226.284.00 which is less than the Contributions of the year before by $10.244.00 Since the first of April this decrease has continued and grown more alarming. Up to July 31. the loss in receipts as compared with the corresponding four months of last year was $20.000.00 This great falling off in receipts, with the largely increased force of Missionaries to support, places our Committee in a most trying situation, and will mean great suffering to our faithful workers in the field, unless relief in liberal quantities comes soon.

Report

"

We are specially sorry to report that there has been a falling off in our own Presbytery of $943.00 as compared with the report of last year, this in spite of the fact that we have more members than ever before, and our people

Buffalo Church, N.C.

were never so prosperous as at present.

Foreign Missions — The Contributions from the Churches of Orange Presbytery, for the year ending March 31. 1905. were $5849.00, as against $6792.00 the year before: this being an average of only 94 cents per Member as against $1.15 per Member last year. Only 7 of our 65 Churches gave an average of over $1.00 per member to Foreign Missions. These Seven Churches are: Durham 1st $5.51 per Member, North Wilkesboro $2.60, Graham $2.17, Winston $2.13, Asheboro $1.67, Westminster $1.66 and Chapel Hill $1.35.

Report — The following 22 Churches are reported as giving Nothing to this great Cause during the year: Elim, Pine Ridge, Snow Hill, Bessemer Ave, Jefferson, Ebenezer, Olivia, Beulah Col'd, Clark Memorial Col'd, Thomasville, Snow Memorial, Madison, Sandy Ridge, Winkworth, Little River, Gilead, Yanceyville, Bethesda, Grierson, Pleasant Grove, Wilkesboro and Elkin 1st.

" — It will be noticed that all of these are small or weak Churches, and several of them are without a Pastor, but surely there is no Church in our Presbytery too weak to give anything to this great Cause, and the fact that a Church is without a Pastor, is no sufficient reason for its members neglecting to worship God with their substance.

September 14. 1905.

Foreign Missions — In connection with this report, we desire to read the letter written by the Co-Ordinate Secretaries of Foreign Missions, which they have requested our Committee to Read to the Presbytery (The letter was read) In accordance with the suggestions of this letter, We recommend:

1— That each Minister in the Presbytery, be urged to lay this Cause upon the heart " and Conscience of his people on one of the Sabbaths in October.

2— That each Pastor whose Church is not already enlisted in the Forward Movement be urged to do so and do all in his power to get his Church to enter the Forward Movement, by undertaking the support in whole or in part, of an individual " Missionary, or shares in some particular Mission Station.

Ministerial Relief — Pending the adoption of the report and its recommendations earnest addresses were made by the Chairman, and by Rev. R. G. Matheson, W. F. Carter, Rev. E. R. Leybourne, Rev. C. W. Robinson and Dr. E. H. Harding

" — The report was then adopted, together with its recommendations, and is as follows:—

Ministerial Relief.

The instruction of Presbytery at the last meeting was carried out by your Committee, and the Beneficiaries. Rev.

" — H. D. LeDuex and Mrs M. J. Wallace were enrolled for another year by the Assembly's Committee, the former to receive $150.00, and the latter to receive $50.00 per annum. The first quarter Dues have been paid. to

these beneficiaries.

We are glad to report that the Church at large is manifesting a deeper interest in M. Relief this much worthy but sadly neglected Cause. The last annual report of the Assembly's Committee on Ministerial Relief shows an increase of $26.98. Contributed to this Cause over the previous year. While this is gratifying, the whole amount Contributed—$22.50.— is altogether inadequate to properly " provide for the 42 aged Ministers & the 108 Widows and the 184 fatherless Children and Orphans that are looking to this fund for the necessaries of life. The whole Church averaged 9.1 Cents pr member, the Synod of N.S. 4.6 pr member, and the Presbytery of Orange 5.6 Cents pr. member. While we are above the average of our Synod, we are far below, a little over Half the average of the Church at large " of other portions of the Church had been as indifferent to the Claims of this worthy Cause as our Presbytery, there would have been Contributed only $13.81 9. instead of the $22.50. that was given. Instead of advancing, our Presbytery took a backward step last year, having fallen behind by over $8.0. our Contributions

of the year before.

Ministerial Relief

Up to date the present year, we find that only — Churches of the 65 in our bounds have contributed to this Cause, and our aggregate contributions to date amounts to only $377.64 and when we remember that July is the special month set apart for Collections to this Cause, and find so little response on the part of our people, the outlook is anything but reassuring for a more liberal response on the part of our people to this worthy Cause the Current year.

" It has been demonstrated by actual results that the aged and infirm Ministers, and their widows and orphans will never be adequately provided for by the Annual Collections for Ministerial Relief, it has therefore been the Settled Policy of our Church, since the Assembly of 1901, to raise a Permanent Endowment, the Proceeds of which shall be used to provide for these worthy beneficiaries of our Church. The Interest has been growing slowly, but steadily in the work of raising a Permanent endowment, and since the Fort Worth Assembly there has been

quite an awakening to the importance of establishment of this fund. An Elder of the First Church, Atlanta Ga, as is well known, has given $100.000. to the Permanent endowment fund, on Condition that the Church at large raise an additional $175.000. The efforts of the Assembly's Committee, are now being directed to raising this fund for Permanent endowment. The 1st Church, Durham, N.C. gave $500.00 to the endowment fund last year before last, this so far as we are informed is the only gift to the endowment fund from our Presbytery. So far as we are informed, the endowment fund has never been presented to the membership of our Churches for their Consideration and benevolence. With one or two exceptions, no Sessional Committees have been appointed, as directed by the Lexington Assembly, whose special duties are to raise a fund in each Church for the Permanent endowment. Do it not time for our Presbytery to take up this work in earnest? One dollar from each Officer, and 25 cents from each

members in the Church, would yield a fund of $238.000. in three years.

Your Committee therefore would respectfully recommend:—

1. That each Pastor and Session be instructed to present this Cause to their respective Congregations at some convenient time before the next Spring Meeting of Presbytery, and to ask for individual subscriptions, to be paid yearly, and to run not less than two years, and not more than three years: That the Chairman of Presbytery's Committee be instructed to furnish the necessary pledge Cards to facilitate and make uniform this subject in all our Churches.

" 2. That one hour be given to holding a Conference and discussion of this Cause at each Fall Meeting of Presbytery.

The Manse is a Seven room house, well arranged, and well built, making a Comfortable home for our Evangelist in the field, and is also a Credit to our Church. The Manse has been occupied all during the past year, but two rooms and the hall are yet to be ceiled. Mr. Story assures us that the work will be Completed at once. Home Missions

Report

The report of the Home Mission Committee was again taken up, and addresses were made by Rev. L.W. Robinson and Rev. Dr B.W. Mebane. The Report was then adopted, and is as follows:—

This Committee desire to take into its confidence every member of every Church in Orange Presbytery, and to state its plans and purposes to them. It is our aim to have

every Church of this Presbytery supplied with the regular Ministry of the Word and Sacraments. We cannot be content to have any single congregation suffer for the want of these essentials. Also, we are striving to have every Minister of the Presbytery receive a Salary which will suffice for his living.

Home Missions

To do this, every Church of our Presbytery must do its full part in the support of the Gospel. The strong Church must give liberally to help the weak. The weak Church must give heroically to help itself. The Apportionments must be just and equitable. The Appropriations must be wisely made, and paid in full. At present there may be some inequality of Apportionment, because of special conditions. If any Church feels this to be so, we ask them to call our attention to it, and we will endeavor to correct it.

"

We feel ourselves that some of our appropriations are larger than we will make them again; but we have had to make them as they are, in order to get the work started in those Churches.

The work in the Churches aided by this Committee, compares most favorably with any work done in our Presbytery under the most favorable circum-

stances. Every part of it is prospering, & we unhesitatingly appeal to this as evidence of God's favor resting upon it.

Since our last report we have secured Rev. Chas. F. Rankin of Fayetteville Presbytery, as Evangelist, and he entered upon his work the first of June. He has visited the following Churches: Bethesda, Gainesville, Griffin, Fairfield, Little River, Eno, N. Wilkesboro Bethel, High Point, Westminster, Springwood and Roxboro. Some of these Churches he has visited twice, and in some he has held revival Services. He has been able to secure from those Churches which receive aid from this Committee, a considerable increase in the Subscriptions to Pastor's Salaries, so that our appropriations to to some of them can be reduced considerably at once. We take great pleasure in expressing our gratification at the way he has begun this work with us, and we cordially commend him to the Churches. After this meeting of the Presbytery, he will act as Chairman of the Committee, and Superintendent of the work, as well as Evangelist.

Home Missions

C. F. Rankin Evangelist

"

"

Rankin

He will need free access to your Pulpits and Congregations, and we

ask for him, as the efficient head and representative of the work, the hearty support of the whole Presbytery.

Home Missions — The only discouraging feature of our work has been the financial one. The Churches, with a few exceptions, have failed to meet their apportionments. The only hopeful feature of this, is that there yet remains one half of the fiscal year, and one month, in which a collection is to be taken, before our annual report is to be submitted. We hope that in that time each Church may contribute the full amount asked for by the Presbytery.

" — We ask our Churches to accept their apportionments, and to treat them just as if they were subscriptions to Salary of our workers, and if they think they are too large to come before the Committee and have them reduced, and if equitable to bend every energy to raising every dollar of them.

D. Clay Lilly, Chairman

Minutes of Assembly — The Committee on the Minutes of the General Assembly made the following report which was adopted —

Your Committee would call attention to two proposed Amendments to the Book of Church Order, sent down to the Pres-

byteries for their adoption — See pages 43 & 48. We recommend that these matters be placed on the docket for the Spring Meeting of Presbytery.

Minutes of Assembly — On page 25. the Assembly again calls for $100.000. for its Home Mission work, and urges the Presbyteries to consider the matter earnestly, and strive to reach their full proportionate part of this amount.

" — We call attention to the "Bureau of Information" established for the purpose of bringing together vacant Churches and Ministers without a charge — page 27.

" — Each Presbytery is enjoined to appoint a Committee on the Home and School, and the 4th Sab in Dec. is designated as the day for Collections — page 32

" — Our Officers and Courts are requested to examine the work done on the Proof-texts of our Standards, and to make suggestions to the Committee &c — pages 41-42

" — Special attention is called on page 83, to Sabbath School Day, the 1st Sab in Oct., and the Churches urged to observe it.

The Executive Committee on Education for the Ministry made the following report which was adopted:—

Ministerial Education.

Ministerial Education

Our Assembly's Secretary of Ministerial Education reports that "every indication goes to show that there will be an increase in the number of Candidates in the year that is just dawning". Several hundred tracts on a Call to the Gospel Ministry have been issued from the office of the Executive Committee, and this work will be kept up during the present year. A new Tract on this theme, from the pen of President W. W. Moore, is expected at an early date.

Orange Presbytery now has under its care, Eight Candidates, five of whom are directly engaged in the work of preparation for the Ministry.

Patterson 1. W. S. Patterson spent his summer vacation profitably in doing Home missionary work in West Virginia, and has returned to Union Seminary for his second year. His average grades for last year were — Church History 88. Hebrew 92½, Homiletics 89, English Bible 86. New Test. Exegesis 89. Systematic Theology 93.

Walker 2 J. M. Walker has returned to Davidson College and entered the Junior Class. He did excellent work in College last year. His average

Clayton 4 Numa R. Clayton did good work last year as a student of the University of N.C., but his grades have not been sent to your Committee. He has returned to the University this Fall, and we shall make special effort to get a report of his grades this year.

Pritchett 5. W. R. Pritchett had expected to enter the Junior Class at Davidson College this Fall, but has been prevented by an attack of Typhoid Fever. He will probably return to College as soon as he recovers.

The Sabbath and Family Religion

The report of the Executive Committee on the Sabbath and Family Religion was submitted and adopted. It is as follows:—

The Sabbath and Family Religion.

Report

We would respectfully report that nothing of special interest has come into our hands since our last report, which was somewhat in detail, in the endeavor to be specific. We note that the usual cry of distress has gone up from the Presbyteries to the Assembly, and in turn, from the Assembly back to the Churches, that the Family Altars are almost entirely broken down and that family training is woefully neglected. We again take issue with the general tenor of these reports, and again contend that this wail comes largely from lack of information on these vital subjects. All along the line in every other department of our Church's work, where definite

the Sabbath & Religion

information has been obtainable, steady Progress and many hopeful signs are noted: These conditions are contradictory if they exist. An impure fountain cannot send forth a pure stream. If home religion were in such a deplorable condition, then the other hopeful conditions noted could not exist.

" On the other hand, we do not condone or minimize the evils that do exist. Many - many fathers who should erect the family altar have never done so, and we should never relax our efforts to impress upon them this priestly duty, and there is no doubt too much disposition to delegate the home training to the Sabbath School teacher.

Those evils can be met, and met only by faithful preaching and pastoral work along this line, and then looking for results as we do in other lines of work.

" There has been nothing done in the bounds of our Presbytery since our last report, especially with a view to securing better observance of the Sabbath, although we have no doubt the Cause has been presented in the usual way from the pulpits of our Church. Our Churches, nearly all, report the day as fairly well observed by our members, and they likewise note a growing disregard of the day by others. Granted that this is the true state of the case, then a fearful responsibility is resting upon us to make an aggressive effort to widen the sphere of our influence along this line: for the preservation of the Sabbath is vital to the interests of the Church, the home, and to coming generations.

the Sabbath & Religion

We, therefore, admonish our brethren to be instant in season and out of season, that by example and precept they may emphasize these two points - family religion and the proper observance of God's holy day - for whenever either or both are allowed to decline, true religion will to that extent decay.

The Executive Committee on the Assembly's Home and School made the following report which was adopted — Home & School

"Home and School"

Your Committee in presenting its first report, desire to call your

Buffalo Church, N.C.

attention to the following facts—

Home and School

1. The "Home and School" is different from any other institution in our Southern Church. It is neither an Orphanage nor a Charity School, but it is a Provision by which the widows of our deceased Ministers and their Children, together with the Children of our Missionaries, may have the best possible home, agreeable work to do, and good School advantages for those of School age. There are two buildings for the Children who are separated from their Parents, the boys being in one building under the care of Mrs. Latimer and other ladies, and the Widows of Ministers and their girls in the other building under the care of and personal oversight of Dr. and Mrs. Rosebro. Whenever the Mother is living, the plan is to allow her to rent a house and board her Children somewhere in the town, an allowance being made for that purpose. For example, a widowed Mother and Nine Children, from N.C., are being helped in this way, by an allowance of $500.00 annually from the Home for board, and the Children are at the same time being educated in the School. In the ways mentioned

September 14. 1905.

the advantages of the Home and School during the past year were given to directly 50 Children, and indirectly to 8 other Children and 15 Widows of Ministers, making a total of 73 who have been helped. Home and School

2. The debt on the Home and School, which, a few years ago, was apportioned out to the Presbyteries, has been reduced from $6000. to $2250. The only reason it has not been entirely paid, is that some of the Presbyteries have failed to come up to their part. We are glad to report that Orange Presbytery has long ago paid her part in full. "

3 Notwithstanding the nature of this work, and indeed the returns it makes to the Church, (for already two of its graduates have been received as Candidates for the Ministry, and others are contemplating taking the same step) the Church seems to be either ignorant of or indifferent to the duty resting upon her to maintain it. Only Sixty Churches in the entire Synod of N.C. contributed to the work last year, and only a few in Orange Presbytery. "

4 In view therefore of the great importance of this branch of our work, and in view of our great neglect in the Past, we would urge our Pastors and Churches to take at least One Col-

lection during the year for this Cause, and wherever practicable, to do so, on the Fourth Sabbath in December, the time designated by the General Assembly.

" The Committee on Installations made the following report which was adopted—

To install Hines We recommend: That in the installation of the Rev. R. W. Hines as pastor of the Mebane Church, the Rev. H. S. Bradshaw preside and propound the questions, and that Rev. E. R. Leyburn preach the sermon and charge the pastor, and the Rev. H. S. Bradshaw, with Elder A. D. Craig as his alternate, to charge the people, on October 29th 1905.

The Committee on Leave of Absence made the following report which was approved—

an afterthought paper The following paper in regard to the adoption of the report on Calls and Supplies on pages 219 and 220, was adopted:—

The attention of Presbytery having been called to the fact that, in adopting the report of the Committee on Calls and Supplies, it had been overlooked that the relationship existing between Rev. R. W. Culbertson and the Bethany Church was pastoral and not that of Stated Supply; it is therefore ordered, " that this Church and Pastor be cited to appear before Presbytery at its cited adjourned Meeting at Synod— at Red Springs, N.C. in Oct next— to show cause why the pastoral relation should not be dissolved.

Egbert W. Smith D.D.

And Dr. Davis was heard in reference to the matter, and in behalf of the Louisville Church.

Dr Smith heard

The Rev. Dr. Smith was then heard at length, stating in detail the steps which had led him up to the final decision of accepting the Call if placed in his hands, and which had led him to ask the Congregation of the First Church, Greensboro, to unite with him in the request to Orange Presbytery to dissolve the pastoral relation, Dr Smith very feelingly alluded to the tender ties and associations, and to the life-work of his father and himself, which bound him to the people of Greensboro; but believing that this was a Call of God, and to a field of larger usefulness, felt constrained to accept it.

Church was then heard through its representatives, the Hon A.M. Scales and Mr Ed. M. Hendrix. these brethren stated that the Congregation, in a formal meeting, had most regretfully and most reluctantly agreed to unite with their pastor in the request to dissolve the pastoral relation. The sentiments expressed by these brethren, in behalf of the Church, were of the most tender and touching character; but being led to believe that the leadings of Providence had directed their pastor to another field, they could do nothing more than acquiesce, except to invoke God's blessing upon his head.

Churches have contributed $2677.81 to this cause during the year just ended, and 29 Churches have given nothing. This amount is $1200. more than was apportioned to all our Churches by the Presbytery, and $375. more than was contributed by 36 Churches last year. In view of the fact that contributions to this Cause were somewhat irregular and uncertain, and consequently the expenses of the Institution were greater than the receipts, and a debt of some $2000. had been incurred, the Board of Regents about a year ago appointed a Field Agent, Rev A.S. Caldwell, to present the claims " of the Home to the Churches of the Synod, and to secure if possible larger and more regular contributions. Mr. Caldwell has been very successful in his efforts, and he and his work are cordially commended to our Churches and people.

The following resolutions, suggested by the Synod's action last fall, are recommended for adoption:—

" 1. That the attention of our Churches, especially the Country Churches, be called to the fact that during the last two years there has been a large decrease in contributions of provisions or supplies for the Table; and Presbytery recommends to Sessions that some suitable person be appointed in every Congregation to collect and forward these contributions in Kind. Orphan's Home

2. That whenever practicable offerings be made for the Orphans on Thanksgiving Day, and that the Children, especially, be encouraged to remember the Orphans at Christmas time.

3. That a Collection for this Cause be arranged for, some Sabbath in June, " as directed by Synod, and that our Sabbath Schools be requested to make a contribution once a month for the Home.

4. That our Ministers and people, in their public and private devotions, be urged to remember our fatherless " Children and the work we have undertaken in their behalf.

5. That the apportionment of last year be increased 50 per Cent, to meet the apportionment of Synod, viz. $2100. to this Presbytery. Apportionments increased

Ministerial Relief. Report

The Executive Committee on Ministerial Relief, Rev. M. C. Arrowood, Chairman, made the following report which was adopted:

Your Committee is enabled to report increased interest on the part of our Churches in the support of the Annual Fund for Ministerial Relief. Last year 33 Churches contributed $350. to this Fund: this year 41 Churches, 1 Sabbath School and 1 Society contributed $481.66. to this Fund, an increase of $131.66. over last year. But we are sorry to report that Presbytery shows a lamentable lack of interest in the Endowment Fund. Presbytery's action of last Fall fell on deaf ears. Only one Church and that the smallest among the Families of Israel, gave anything to the Endowment Fund. Elkin (Colored) Church has set the best of the Presbytery a worthy example by contributing to the Endowment

Ministerial Relief

fund as well as to the Annual Fund.
The Presbytery is well aware of the proposition of an Elder in Atlanta, Ga. to give $100.000. to the Endowment Fund, provided the rest of the Church raise $175.000. in three years. The time is rapidly passing, and only a small part of the amount has as yet been raised. That we make concerted action to meet our obligation to the Endowment Fund, We recommend—
That Presbytery re-assert its action of last Fall, Viz: That each Pastor and Session be instructed to present this Cause to their respective Congregations at some convenient time before the next Spring Meeting of Presbytery, and ask for individual subscriptions to be paid yearly, and to run not less than two years, nor more than three years. That your Chairman be instructed to furnish the necessary pledge Cards, to facilitate and make uniform this subscription in all our Churches.
We have only one beneficiary of this Fund in our Presbytery, Mrs. M. J. Wallace of the Winston Church, the widow of the Rev. J. A. Wallace. The sum of $50. was allowed and paid from this Fund the past year for her relief, and the same amount is

asked for the coming year, and your Committee recommend that it be granted. M. C. Arrowood, Chairman.

Resolution re Mr. J. B. Fuller Treas

The Special Committee appointed to bring in a suitable paper in reference to the resignation of Mr. J. B. Fuller as Treasurer of Orange Presbytery, offered the following which was adopted:—
Resolved, That in accepting the resignation of Mr. J. B. Fuller as Treasurer, Orange Presbytery desires to place on record its sincere appreciation and recognition of the faithful and efficient services of Bro. Fuller for the past twelve years, during which time he has cheerfully done the work of Treasurer as a labor of love, and to the satisfaction of all concerned. We invoke upon him God's blessing, and pray that his health may be restored for still greater usefulness in the Master's service.

substituted for consideration in lieu of the original report, and which, after considerable discussion, in which President Dinwiddie participated, was adopted. The report as adopted is as follows: —

The Red Springs Seminary Proposition — The Report adopted —

The Committee appointed to consider the Proposition of Fayetteville Presbytery, through Dr. C. G. Vardell, for the Joint ownership and Control of "The Southern Presbyterian College and Conservatory of Music", at Red Springs, N. C., though without any financial or any Control, only "becoming co-workers in building up the Presbyterian Church"; and that Presbytery "pledged itself to earnest efforts to make the School an important factor in the development of our educational work.

In view of these facts, the Committee (a majority) recommend —

1 — That our present relations with Peace Institute continue, and that Presbytery gladly testifies to the good work done by this School, both for

Third Day — Evening Session.

Hillsboro N. C.
Thursday, April 19. 1906.

Presbytery met at 8. O'clock P. M. with the assembled Congregation

April 19. 1906.

Sermon

A sermon was heard by the Rev. E. L. Siler on the text — "By faith Noah being warned of God of things not seen as yet moved with fear, prepared an Ark to the saving of his house: by the which he condemned the world, and became heir of the righteousness which is by faith" — Heb. 11: 7.

After the sermon, the report of the Executive Committee on Colored Evangelization was taken up, Considered, and adopted. It is as follows —

Colored Evang^l Report

Your Committee respectfully submits the following report for the year ending March 31. 1906.

1. The Assembly's work is advancing very slowly. Our Church is laboring under many disadvantages. Our best work is in Stillman Institute, and it deserves our financial support.
2. The Rev. J. S. Morrow still has Charge of Elkin, Clark Memorial and Beulah Churches. Eight members have been received during the year. The pastor reports large Congregations, and the interest good. Your Committee feels encouraged about this field.
3. The day School at North Wilkesboro, under Rev. J. S. Morrow, has enrolled during the year 46 pupils.
4. The Rev. B. B. Palmer who has Charge

of Elim Church and School, reports 3 additions to the Church, 84 Scholars in the Sunday School, and 74 pupils in the day School.

Your Chairman has made two attempts to visit this field, but was providentially hindered both times.

5- Financial Statement —

Balance in hand, April 1. 1906 - $116.72.

6- We recommend that after this the funds all be turned over to the Assembly's Executive Committee, and appropriations be asked for our fields, thus unifying our work.

7- We recommend that for this year we ask for the following appropriations

- To the Elkin Church ——— $75.00
- To the Clark Memorial Church $75.00
- To the Elim Church ——— $50.00

standing or agreement between him and the former Chairman of the Committee on Colored Evangelization.

granted

The request was granted and the amount ordered to be paid.

A request from the First Presbyterian Church, Greensboro, and the Westminster Church, was received, asking that a Commission be appointed to organize a New Church in West Greensboro, if the way be clear.

Commission to organize a new church

The request was granted and the following Commission appointed — Rev. C. F. Rankin, Rev. J. W. Godfrey, Rev. C. E. Hodgin and Elders E. P. Wharton and A. M. Scales.

The Standing Committee on Sessional Duties made the following report which was adopted.

Sessional Duties Report

Your Committee would report that we have examined reports from 55 of our 66 Churches, which show —

1. That there are very few "Members dependent on public Charity" - only 4 Churches report such cases, and these two, or two or three, "helped a little" or "in part."

2. Twenty-seven Churches report expenses of Minister and Elder attending Presbytery and Synod, "Paid" - 21 say "Expenses not paid", the rest make no report on this point.

3. All the Churches, reporting, say "the Salary promised has been paid", except Seven,

Sessional Duties - Report

which owe $212.66: but all these report that the amount due will "soon be paid", or "efforts on hand for speedy payment" 4. As to the Collections ordered by the Assembly or Presbytery, the reports vary — Nineteen Churches say - "none are omitted, but all Collections taken" - twelve say - "No collections were taken" - Others say, from "one to six Collections were omitted", with or without reasons assigned for the omission. For example, among the reasons given are - "None except those necessary" - "Six omitted: poor Collections" - "more Collections than Sabbath services" - "no services" - "no Preaching" - "bad weather" - "best taken" - "only a few cents" &c &c - 5 - But greatest variety is found in reports as to "The mode of Collections" - 24 Churches say "Envelope System", in some form or other, and almost without exception these have paid the Salary in full and have omitted none of the Collections, plainly showing the great advantage of this system: A number say "basket" - one says, "free will basket" - another, "open basket" - Several say, "Subscriptions" - "Public", "Private" and "Special" - Some say, "none" - One says, "old method of free offering" &c &c

G. L. Leyburn, Chairman

The Executive Committee on Foreign

Missions made the following report which was adopted -

Foreign Missions Report.

The complete statistical report of Presbytery's Foreign Mission work is made at the Fall meeting of Presbytery. We wish, however, to call attention at this time to the encouraging report that comes from our Executive Committee of Foreign Missions at Nashville. Both in regard to the contributions for the year for Foreign Missions, and the number of additions to the Church in our Mission fields, this year's report is the best and most encouraging in the history of the Church.

The contributions for the year just closed amounted to $259.617.00., an increase of about $33000. over last year. There were added to the Church from our Mission fields 2180 souls, our African Mission leading, as it has done for several years, with 1102 additions.

This report calls for sincere and hearty praise and thanksgiving to God for his rich Blessing upon our labors, and it should encourage and inspire us to press forward with more vigor and eagerness in this great work of evangelizing the world.

We would especially commend the Forward Movement, and would urge all our Churches that can possibly do so, to undertake the support of some particular Missionary, or to take shares in the support of some

mission station. The Presbytery's committee will be glad to hear from all the Churches which would like to have a visit from one of the four young men to be employed this year in the Forward Movement, that we may arrange, if possible, an itinerary in our Presbytery for one of these young men.

Foreign Missions

The Women's Missionary Union of Orange Presbytery, submits to Presbytery the following statistical report of its year's work.

At its recent annual meeting the Union was changed from the "Foreign Missionary Union" to "The Missionary Union", and will henceforth embrace both Home and Foreign Missions. Mrs. R. D. Blackwell of Durham was re-elected President.

The Presbytery very cordially indorse the "Women's Missionary Union", and commend it heartily for the great service it is rendering.

Resolution re Reception

Resolved: By the Presbytery of Orange that Presbytery hereby express to Mr Allen J. Ruffin of Hillsboro, N.C. its heartfelt appreciation of the delightful entertainment given by him to the members of Presbytery. That the occasion in itself has been a most pleasant one, and in addition, has given to Presbytery a fresh evidence of the proverbial hospitality of the people of Hillsboro. Resolved, further, that this resolution be spread upon the Minutes.

Spring Church Property - Title

The Special Committee to bring in a report in regard to the title to property in relation to the old Spring Garden Church made the following report which was adopted: -

Your Committee would report that in reference to the ownership of property belonging to the old Spring Garden Church, in Rockingham County, which Property is now involved in litigation, until a conference can be held with the Attorney in charge

of the litigation, it would be inadvisable for Presbytery to take action. The Committee would therefore recommend that Mr J. D. Price be requested to confer with the Attorney and report to the Fall Meeting of Presbytery, in case he desires further action.

Rev. Mr Sweets

The Rev. H. H. Sweets of Louisville Presbytery was invited to sit as a Corresponding member, and introduced to Presbytery.

Home Missions.

The report of the Executive Committee on Home Missions was again taken up, its recommendations considered briefly and adopted, and the Report was adopted as a whole, as follows:- Home Missions Report

Since the last Spring Meeting of Presbytery Your Committee has held twelve meetings and has endeavored faithfully to carry on the work which you have put into its Hands.

In June last, Rev. C. F. Rankin took Charge of the work of Superintendent and Evangelist for this Presbytery, and since October has been Chairman of the Committee, and we believe this report will Justify the wisdom of the Presbytery in securing an Evangelist and Superintendent of Home Missions. Since June he has visited 32 Churches in the interest of Home Missions, some of them twice, and has held 12 Evangelistic Meetings. A canvass of the Caswell County field resulted in making that field almost Self-supporting, and the same thing is true of the Little River field: Also the Little River Church, together with Eno and Fairfield Churches, have, during the year, purchased a valuable Manse Property at a cost of $1000., Little River Church taking the larger

Home Missions

amount of stock, and have gone to work he-
roically to pay for the same, and already
have paid more than half the amount, and
expect by the 1st of May to pay it all. For
this, the Pastor and people are to be com-
mended for their heroic efforts, and
what they have accomplished.
A good part of the Superintendents time has
been spent in visiting the Churches and help-
ing the Churches to raise their apportionments,
", and the Churches are to be commended
for the loyalty with which they have re-
sponded, as the appended Table of Con-
tributions will show. And just here, Your
Committee feel that special mention sh-
ee made of the Special contributions of
E. P. Wharton of Greensboro, the Taylor Bros.
of Winston, and L. B. Holt of Graham, all
" of which, the liberality of the Churches and
of these Gentlemen, enables Your Com-
mittee to close the year with all indebt-
edness paid to April 1st, with some-
thing on hand to begin the new year,
as the financial statement will show.
This is a matter of congratulation, and would
be still more so, if it were not for the fact
that one of our most important Mission
fields has been vacant since last May-
rio-the Ashe County field, and has been va-
cant principally because Your Commi-
ttee did not feel Justified in putting

a man there when no money was in sight to
pay him. But steps are now being taken to sup-
ply this field, and we hope soon to report, "all
of our fields supplied." The Wilkesboro field Home
has also been vacant for the greater part of Missions
the year, but is now being supplied by Rev —
C. W. Robinson. The Caswell County field,
which has been supplied for the past six
months by Rev. S. C. Smith, is now made
vacant, but we hope soon to have a man
in this important field. We also report
the Asheboro field now vacant, made so
by the removal of Bro. Robinson to Wilke-
boro, but we hope action may be taken
at this Meeting of Presbytery to supply
this field.
The Rev. J. C. Story reports that his work
in Alleghany County has been making pro- "
gress this year. The Church at Sparta has finally
been completed at a cost of $1213.75, all of which Story
has been paid by Mr J. A Carson of Charlotte, N.C.
And the Manse has been completed, at a cost of
$1300. and is now paid for with the exception of
about $50. which is provided for in this report.
He has held several meetings in his field
during the year, and will be assisted at
Sparta in June by Rev. William Black, at
which time he expects to organize and de-
dicate the Sparta Church. He also ex-
pects to build and organize a Church
at Bryan School House, which will

Hillsboro N.C.

Home Missions

make the third Church in Alleghany Co. Miss Elsie Waddell taught a day School last summer at Rocky Ridge Church, having 47 pupils enrolled, seven of which received free tuition, and the greater number of which were enrolled in the Sunday School.

George

The Stokes County work which has been under the care of Bro R. W. George for some years, now comes back on the Committee's hands, on account of Bro. George's health, and your Committee will endeavor to put a man in the field just as soon as one can be secured.

Your Committee would make the following Recommendations.

I. As to Groupings.

Grouping

Your Committee recommends the following changes in the groupings—

1. Hawfields, Bethlehem, Sarapahaw, & Bethany.
2. Cross Roads, Griers, and Stony Creek.
3. Yanceyville, Pleasant Grove, Richfield and Gilead.
4. Thomasville, Asheboro and Worthville
5. Jamestown with High Point, and the other groupings in the Presbytery to remain as before.

II As to Appropriations—

Appropriations—

That the sum of $4500. be apportioned to the Churches, and that the following appropriations be made to the various fields—viz: Alleghany $700. Ashe $700. Madison $450. Mt Airy $250.

April 20. 1906.

Caswell $350. Thomasville $200. Little River $100. North Wilkesboro $150. and Stokes Co $500.

Home Missions

III. That in answer to Rev. J. C. Story's application for $300. to aid in building a Church at Bryan School House, we recommend that the application be not granted owing to the condition of the Treasury.

Story

IV. That $50. be apportioned to liquidate the Manse debt at Sparta.

Sparta Manse

V. That $100. be apportioned to the building of a Church at Stoneville.

Stoneville

VI. That in accordance with the Standing Rule of Presbytery, each Minister of the Presbytery hold himself ready to assist the Evangelist in holding Evangelistic meetings and the time and places agreed on, under the direction of the Superintendent and Evangelist.

Order

VII. That Presbytery urge upon all the Members within our Churches the duty and privilege of Christian giving, and especially the giving of at least a tithe of their incomes, to the Lord; and that all of our Ministers be advised to impress upon their Congregations the gracious results flowing from the system of giving a fixed portion of their incomes each year.

Our Assembly's Secretary of Ministerial Education reports that we now have 332 Candidates for the Ministry, which is ten more than was reported last year. We are gratified to be able to report this increase. We still lack more than 100 of having as many young men preparing for the Ministry as we had twelve years ago.

" Orange Presbytery now has under its care Eleven Candidates for the Ministry. We have one Candidate in the Seminary and Seven in College. Three of our Candidates are now pursuing their studies at present.

last Summer in Home Mission work in W. Va, and expects to spend the coming Summer vacation in the same work. He has made application for his trial parts for licensure, and we recommend that the following parts be assigned to him, viz- Sermon, John 5:13. Lecture John 13:1-20. Greek Exegesis, Eph. 1:3-14. Latin Thesis — "An Spiritus sanctus persona sit?"

Denny Carter

Joseph H. Carter and Robert E. Denny were received under our Care at this meeting of Presbytery. They are both in the Freshman Class at Davidson College, and are very promising Candidates.

Education re

Thirty five of our Churches have contributed to this Cause, during the past year, the sum of $756.00. This represents an increase of $301. over the contributions of last year. This increase has been due to the fact that a few of our Churches have been very liberal toward this Cause, and not to the fact that the Churches generally have been liberal. The following ten Churches deserve to be specially commended for having paid more than their apportionments — Durham 1st, Friers, Gilead, Graham, Lexington, Midway, Mt. Airy, Red House, Wentworth and Thomasville.

The following six Churches have paid their apportionments

in full — Asheboro, Danbury, Enos, Reidsville, Westminster and Winston.

Contributing — Chs —

The following ten Churches have paid more than half of their apportionments — Bethesda, Bethlehem, Buffalo, Greensboro, Hillsboro, Mansfields, Leaksville, N. Wilkesboro, Pine Hall and Springwood.

" The following nine Churches have contributed less than one half, and some of them less than one fourth, of their apportionments — Alamance, Bethel, Burlington, Fairfield, High Point, Jamestown, Madison, Mebane and Milton.

The following thirty Churches have contributed nothing to this important Cause — Ashley, Bethany, Beulah, Beaumont Ave, Chapel Hill, Clark Memorial, Cross Roads, Dan River, Durham 2d, Ebenezer, Elkin 1st, Elkin, Col. Elim, Jeffreyson, New Hope, Pine Ridge, Roxboro, Sandy Ridge, Sassafras, Rocky Ridge, Spiedwell, Stony Creek, Snow Hill, Swan Memorial, Wilkesboro, Worthville, Pleasant Grove and Yanceyville.

Your Committee would offer two recommendations in closing this report —

12— Gentry W. King, our Colored Candidate, has made no report to Your Committee since the Fall of 1904, though we have written to remind him of this duty before each Meeting of Presbytery. In

as much as he has disregarded the requirements of Presbytery, and has made no progress in his preparation for the ministry since he has been under our care,— therefore We recommend that his name be dropped from our Roll of Candidates.

W. R. Pritchett has made application for aid this year to the amount of $75- and J. M. Walker, A. T. Walker, R. E. Denny, J. J. Murray and C. H. Phipps, have applied for $100. each. We recommend that these applications be granted.

Aids granted

We would call the attention of Presbytery to the fact that the Assembly has appointed the Second of November as a day of special prayer for Youth, and for Candidates for the Ministry. We would suggest that day as a most appropriate time for our Pastors to Preach to the boys and young men of their Congregations and to present the Claims of the Gospel Ministry, if they have not already done so during the year. While there was an increase of ten in number of Candidates last year over the previous year there is yet urgent need for a still larger increase. Only forty-six Candidates were graduated last year, while forty Ministers died, and others retired! We have now 196 vacant fields able to support a Pastor! leadership our Home Mission work has been placed on a good basis. All of our Workers have been paid in full up to date, and the Committee has been free of debt since April 1st last. Most of our fields have been supplied, and we hope that all our fields will soon be supplied with the preached Word.

Dismissed

In agreeing to release Bro. Rankin from this important work, we do so with great reluctance, and only because we believe God has called him to a wider field of usefulness. We pray God's blessings may rest upon him in his new field of labor, and hope he may be appreciated there as much as he has been appreciated here.

Publication & S.S. Work

The Permanent Committee on Publication and Sabbath School Work submitted its report through the Chairman, Rev. S. M. Rankin. The report was received and pending its adoption the Presbytery heard the Rev. M. B. Porter, District Supt., in the interest of Sabbath School Work. The report was then adopted with its recommendations, and is as follows:—

According to the instructions of Presbytery your Committee arranged for and held a Sunday School Institute.

September 20. 1906.

Pub. & S. S. Work

Instructive and helpful addresses were made by Rev. A. L. Phillips D.D., Dr E. C. Murray and Rev M. B. Porter. The work of the Institute was thorough and good was accomplished. The fact is to be deplored, however, that so few of our Pastors were present to receive the advantages. We recommend as

1. That the Pastors and Sessions strive to make the Membership of the School equal to that of the Church. This can be done if we determine to do it.
2. That the Sessions strive to thoroughly organize the Schools according to the Assembly's plan, with all the departments; and that they use all the modern Methods for increasing the interest and efficiency of the Schools.
3. That all the Pastors and Sabbath-School workers, as far as possible, attend the next State Convention, to be held at Reidsville in March 1907.
4. That our Schools observe S. S. Day, at some time during the year, at which time the importance of the S. School is to be emphasized, and the forces rallied for Service.
5. That our Schools give Rev. M. B. Porter, District Supt., a hearty welcome, and use every opportunity for hearing his helpful addresses.

Order — It was ordered that the Report of the Standing Committee on the Minutes of the Assembly be heard this afternoon at 3. O'clock.

The Standing Order for this day to hear the report of the Executive Committee on Home Missions was now taken up and observed.

Home Missions — The report was submitted by the Chairman Rev. C. F. Rankin, and received.

The Rev. J. C. Story was heard concerning his work in Alleghany County, and pending further discussion the report went over as unfinished business, and

Recess — Presbytery took recess until 2 O'clock P. M.

Third Day — Afternoon Session.

Roxboro, N. C.
Thursday, Sept. 20. 1906.

Presbytery met at 2 O'clock P. M. and resumed business —

Calls for Williams and Culbertson — Calls from the Walker Ave. Church, Greensboro N. C., for the pastoral services of the Rev. R. M. Williams, for all of his time, at a Salary of $1200.; And from the Stony Creek Church for the pastoral services of Rev. R. W. Culbertson, for one fourth of his time, at a Salary of $150., were read and referred to the Committee on Calls & Supplies.

September 20. 1906.

The Stated Clerk called attention to the fact, that a Call from the North Wilkesboro Church for the pastoral services of Rev. C. W. Robinson, for one half his time, at a Salary of $400.- was still in the hands of the Committee on Calls and Supplies, it having been presented and referred at the last Spring Meeting.

Call for Robinson

The report of the Permanent Committee on the Bible Cause was presented by the Chairman and adopted. It is as follows —

Bible Cause — Your Committee reports an increase of $34 in the contributions of our Churches to this Cause last year. Of the 66 Churches of our Presbytery, 31 contributed last year, while only 28 contributed the year before.

The following Churches paid their apportionments in full: Reidsville, Graham, Westminster, Midway, Eno, Rocky Ridge, Winston, Hillsboro, Leaksville, Durham 2d, and Warrenville.

The following ten Churches paid More than their apportionments — Hawfields Cross Roads, N. Wilkesboro, Mt. Airy, Durham 1st, Roxboro, Sassafrax, Springwood, Lexington and Asheboro.

Thirty-five of our Churches contributed nothing to this important Cause during the year ending Mar. 31. 1906.

The last General Assembly authorized its Permanent Committee on the

Roxboro N.C.

Bible Cause

Bible Cause to apportion $15000. among the Presbyteries, and they have suggested, as our part of this amount, $385. Therefore, We would recommend—

1. That the Committee on Apportionments apportion this amount among our Churches, instead of $219. as formerly.

2. That our Ministers and Sessions be urged to lay this Cause on the hearts of Gods people, and give them an opportunity to contribute on the 3rd Sabbath in October, or some other time more convenient.

E. L. Siler, Chairman

Home and School

The Permanent Committee on the Home and School, made the following report which was adopted—

Your Committee in submitting its Second Annual report would earnestly call your attention to the following—

1. The Home and School is still pressing forward in its great and good work, and the Church through its agency is gladdening the hearts of the Widows of our deceased Ministers in helping them maintain and educate their Children, and is also providing for the education of the Children of our devoted Missionaries. In these and other ways the Home and School is proving itself to be one of the most helpful and blessed Institutions of our whole Church.

September 20. 1906.

Home & School

2. Last year, there were Sixty-Eight Children in the Home, and in addition Nine others not enrolled, in the Home and School, and Eighteen Widows, making a total of Ninety-five, who are maintained in whole or in part. This number has recently been increased, and the needs for this year will be greater. The admirable plan of allowing each widowed Mother to have Charge of her own Children in a Cottage, either rented or bought, is still followed and is the unique feature of the institution. Whenever this cannot be done the Children are boarded in the Home, the Matrons of which are Widows of deceased Ministers.

" 3- Last year the following Churches in Orange Presbytery contributed 1 Buffalo, Durham 1st, Grahame, Little River, Madison, N. Wilkesboro Reidsville, Wentworth and Westminster. These Nine Churches gave $107.20. as against only three Churches the year before giving $63.90. Private Contributions, however, the year before, made the total amount larger than it was last year. There is Cause for encouragement in the fact that three times as many Churches Contributed last year as Compared with the year before, but the number is still pitiably small, especially in view of the great importance of the work.

" 4- We would again urge that all of our Churches take this Collection at the time

designated by the Assembly, the 4th Sabbath in December, or at some other time during the year. J. W. Goodman, Chairman.

Prison Work

A communication was received from Miss Annie McBane in behalf of Prison Work within our bounds. By Common Consent the Roll was called and the brethren were given an opportunity to tell what was being done by them for the Criminals in Jails, Convict Camps, and the Poor in Alms Houses. The reports were encouraging and showed that these were not wholly neglected.

Wentworth Ch

A request from the Wentworth Church for the services of Rev. W. M. Sikes as Stated Supply was read and referred to the Committee on Calls and Supplies.

The unfinished business, namely, The Report of the Committee on Home Missions, and its recommendations was now taken up.

Home Missions.

Home Missions

The Recommendations were considered one by one and adopted. The report as a whole was then adopted, and is as follows-

Since the Spring meting of Presbytery Your Superintendent of Home Missions, under the direction of your Committee, has endeavored in every way to keep in touch with the Home Mission work of the Presbytery, and to further the great work. Most of the time has been spent in visiting the Churches of the Home Mission field, and when practicable, holding meetings and endeavoring to secure pastors for the vacant Churches. Many of the pastors of the Presbytery have also given some of their time to holding meetings in some of our Home Mission Churches. But owing to the almost incessant rains, this has not been a good summer for successful meetings. In every case where your Evangelist has undertaken to hold a meeting, the rains greatly interfered, and in some cases rendered it almost impossible to continue the meetings: nevertheless we feel that much good has been accomplished, and some souls we trust have been born into the Kingdom.

Home Missions

The most discouraging feature of our work just now is the inability of your Committee to secure Evangelists and Pastors for our vacant Home Mission fields. And this difficulty not only confronts your Committee, but every Home Mission Committee in our Southern Church, for the reason that we have not a sufficient number of Ministers to supply all our Churches. If I mistake not 700 Churches were reported vacant at the last meeting of our General Assembly, which means that some 250 fields in our Church have no regular preaching at all. Dr. Morris said to your Chairman at the meting of our

Roxboro, N.C.

Home Missions

Synod last Fall that we needed now 500 more Ministers to properly equip our Church with a Ministry. More young Physicians were licensed in N.C. this Spring than there were Seminary Students to Graduate from all the Seminaries of our Southern Church, and almost as many Ministers have died during the year as there were Candidates to graduate from all our Seminaries. Perhaps these statements more properly have a place in the report of the Chairman on Ministerial Education, but this matter of the Supply and demand of our Ministry has been brought home so forcibly to your Committee that we cant help speaking here. And just here it is well to emphasize another argument for carrying on the Home Mission work, and nourishing the life of these weak Country Churches. Of the 314 Candidates of our Church, 157 of them came from farmer's homes; no other occupation can show so many sons for the Ministry, the next largest number showing 35 from the homes of Ministers, and 35 from the homes of Merchants, the remainder coming from some 30 different occupations. Shall we then allow these old Country

September 20. 1906

that touch so vitally the life of our Church at its very fountain source, to die, or shall we rally to their support?

Home Missions

The important Mission field of Asheboro has been vacant for a year and a half, and is still vacant, though your Committee has faithfully endeavored, since the Spring Meeting of Presbytery, to put a man in the field. The same is true with the Yanceyville group. We are glad to report, however, that Rev. Fletcher Smith has consented to take Charge of the Stokes County work, and believe Bro. George who very much desires this, on account of his health.

The Hawfields group of Churches is vacant, though they are taking steps to secure a Pastor.

Bro. Culbertson is now serving Stony Creek and Grier Churches, in Connection with Grace Roads.

Your Committee learned recently that the Asheboro and Warthville Churches which at the Spring Meeting of Presbytery were grouped with Thomasville, there for some reason not favorable to this arrangement, so have been without preaching since April. With these exceptions all our Home Mission fields have been Supplied.

Roxboro, N.C.

Home Missions

The appended financial Statement will show that of the 66 Churches of our Presbytery, 30 have contributed since the Spring Meeting of Presbytery $93370 for Home Missions, while individuals have contributed $80., and 36 of our Churches have sent in to your Treasurer nothing for this great Cause, though there have been two Months, June and August, set apart for Collections for Home Missions. This may mean that the Churches have neglected these Collections, or it may mean that the Church Treasurers have failed to send in the money Collected.

We would therefore urge upon all the Pastors and Churches to take immediate steps to raise by special Collections, or pledges, their Churches apportionment for Local Home Missions, which will be found in the Appendix to the Minutes, and not to wait till the end of the year, or to depend upon a Basket Collection, else the Presbytery be forced to report a deficit next Spring, and the great work which you have Committed to our charge be Crippled.

We are pleased to again report that all of our Workers are paid in full to October 1. 1906., with Something left over to begin our work for the next Six Months. We herewith append our

"Carson Memorial Church at Sparta

The following Resolution touching the building of the "Carson Memorial Church" at Sparta, N.C. was adopted by a rising vote—

Whereas Mr James H. Carson of Charlotte N.C. has built at his own expense "the Carson Memorial Church" at Sparta N.C., at a cost of over $1200., and has presented the same to Orange Presbytery, insured for $1000. for one year, therefore be it—Resolved—

1. That Presbytery hereby formally accepts Mr. Carson's generous gift, and places on

Roxboro, N.C.

Mr. Carson

record its most hearty appreciation of his liberal and timely aid in planting Presbyterianism in Alleghany County.

2. That we assure Mr. Carson of our conviction that his noble work in building this beautiful little Church will bear fruit in his native County for the Cause of Christ and Presbyterianism for many years to come.

3. That we invoke the richest blessings of our Heavenly Father to rest upon our beloved brother, who, though not a Member of our Presbytery, has contributed so liberally to the work within our bounds.

4. That these resolutions be spread upon our Minutes, and a Copy of them be sent to Mr. Carson.

Ministerial Relief

The Report on Ministerial Relief was again taken up, amended and adopted, and it is as follows-

Your Committee finds that the Contributions reported to Sept. 6th for the Cause of Ministerial Relief are very much below what they should be. We have long passed the March set apart for Collections for this Cause, and still only 15 Churches are on record as having sent in Contributions for this Cause, aggregating only $116.39.

We call the attention of Presbytery to this state of things that the pastors and Sessions may see that their Churches be no longer found neg-

lecting this Cause, sacred to the hearts of us all.

The one Beneficiary of this Fund in our Presbytery, Mrs. M. J. Wallace, had regularly received her quarterly appropriation.

Ministerial Relief

We would call the attention of Presbytery to its own action, found on page 121 of last Spring's Minutes, "instructing each pastor and Session to present the Cause of the Endowment Fund to their people before next Spring Meeting". Only one Church is reported as giving anything to the Endowment Fund so far this year, indicating thus far Presbytery's instructions have been disregarded.

Your Committee would call the special attention of Presbytery to the action of the last Gen'l Assembly, found on page 41. of Minutes, enjoining upon the Presbyteries, in view of the wonderful opportunity and Crisis of this Cause to select suitable men, whose duty it shall be to visit the Churches, and solicit funds for it; and that the third Sunday in November, or the day nearest thereto that may be most convenient, be set apart for Collections in all the Churches and Sabbath Schools for the Endowment Fund. We recommend-

1. That each pastor and Session thoroughly canvass their respective Congregations, according to the Assembly's plan, for the Endowment Fund, the Canvass to be completed on or before the 3rd

Sabbath in November.

Relief 2. That collections be taken up for the general Cause in all our Churches and Sabbath Schools the third Sunday in November, or as soon thereafter as practicable, as enjoined by the Assembly

The Rev. Archibald Currie.

Memorial of Rev. A. Currie

Rev. Archibald Currie was born in Moore, Co. N.C. Oct. 15. 1817. His parents had emoved to this Country from Scotland. After receiving his preparatory training at the Donaldson Academy, he entered Union Theological Seminary, at Hampden Sidney, Va. and graduated in 1843.

He was licensed to preach by the Presbytery of Fayetteville, Nov. 1. 1845, and was ordained by the Presbytery of Orange at Eno Church, Aug. 30. 1846. He was installed pastor of Eno Church and served as Stated Supply of Fairfield and Little River Churches, as one charge, all in Orange County, N.C. This pastoral relation was dissolved, Oct. 26. 1860, but he continued the Stated Supply of Eno Church until 1866. In the meantime he had supplied also the Graham Church since 1856, and was installed pastor of the Graham Church — June 3. 1866. This relation continued until, April 25. 1878. In connection with this pastorate he also taught School, and many of the prominent Citizens of Graham and Burlington were trained by him. He taught it again at Reidsville, N.C. in 1880-81. and supplied the Speedwell Church. In 1882 he assumed charge of the

Caldwell Institute in Orange County, acting also as supply to the Fairfield Church. In 1885-6. he supplied the Wentworth, Leaksville and Madison group of Churches, and in 1887 the Yanceyville and Bethesda — Churches in Caswell County.

Memorial of A. Currie

From 1888 to 1893, Bro. Currie did such work as his strength permitted, in Fayetteville Presbytery. He was dismissed to that body in 1889, but four years after was received back into his old Presbytery of Orange, and was made Chairman of Publication and Colportage.

From that time, failing voice and sight compelled him to cease from regular ministerial duties. He spent his closing years with his two daughters, at Hampden Sidney, Va., where he peacefully passed away, June 17. 1906, in his 89th year of age.

Bro Currie married Miss Mary Letitia Wharey, of Hampden Sidney, Va., Oct. 15. 1847. They had three sons and three daughters, of whom two daughters survive him, Mrs. Dr. Horace Lacy and Mrs. Wm H. Whiting.

The characteristics of this man of God were an immaculate neatness of person, a gentleness, simplicity, and lovableness of disposition, that endear his memory to his former Church members and pupils — A man of Sterling

integrity of character and fervent piety—
"He commanded his household after him, &
they kept the way of the Lord", and he gave to
the Gospel Ministry one consecrated child,
the Rev. James L. Currie, a worthy son of a
worthy father.
"He was a poor parson - - - - - - - - - - - -,
"But rich he was of holy thought and work.
"He was a learned man, a Clerk,
"That Christes gospel truly wolde preach;
"His parish-folk devoutly wolde he teach.
"Benign he was and wonder diligent,
"And in adversity full patient.
"His noble ensample unto his Sheep he gave,
"That first he wrought, and after that he taught.
"A better Priest I trow there nowhere is,
"He waited after no pomp nor reverence,
"But Christes love, and his Apostles twelve,
"He taught, but first he followed it himselve.

The hearing of a Partial Report from

Madison N. C.

the Home Missions Committee was fixed for the first order of the day on Thursday afternoon.

The following report of the Executive Committee on Ministerial Relief was received and adopted.

Ministerial Relief

Your Committee is enabled to report substantial progress made in support of this worthy Cause by our Churches. While there has been a slight falling off in the amounts contributed, and the number of Churches contributing to the annual fund, the deficiency has more than been made good by the interest in the Edowment Fund. Forty-One Churches and one Sabbath School contributed $481.66. to the Annual Fund last year, and 37 Churches and one Society contributed $457.98 to the Annual Fund this year, a falling off of 4 Churches and $23.68 in support of the Annual Fund. But in the support of the Endowment Fund we find quite an added interest. One Church contributed to this Cause last year, and that the smallest in Israel, Elkin, Colored, thus setting the other Churches in Presbytery a worthy example. Twelve Churches 1 Sabbath School and 2 Societies have contributed this year, and the aggregate amount of these Contributions is $1466.74

The Assembly's Secretary reports that

April 16. 1907.

$1127.301.25 has been received from the Churches and invested toward the complement of $175000. to be raised by the Churches. This leaves a balance of $17.698.75. to be yet raised by the Churches of our Assembly before June 1908, to make the full complement of $175000. that the Church must raise in order to secure the $100.000. from the Elder (Mr Inman) in Atlanta, Ga

Ministerial Relief.

We have only one Beneficiary of the Fund in our Presbytery, Mrs. M. J. Wallace of the Winston Church, widow of the Rev. Jas. A. Wallace. She has received $50. the past year, and We recommend that this amount be recommended for her relief the Coming Year.

Your Committee would further recommend that Presbytery urge those Churches that have neglected to Contribute to the Annual Fund to take the Collection in July for Ministerial Relief: that Your Committee be instructed to bring this action of Presbytery to the attention of the delinquent Churches: And that Your Committee be further instructed to endeavor to secure a Contribution from all Churches that have not Contributed already, before June 1908, for the Endowment Fund.

M. C. Arrowood, Chairman

The following Partial report of the Committee on Publication and Sunday School Work was submitted and adopted:

Madison N.C.

Your Committee on Publication and Sunday School Work would report as follows: Many of our Schools have made great progress, while others are running on the same old lines they were in twenty-five years ago. To make a success of the Sunday School, as of the day School, the Leader must know the best methods and how to use them.

We therefore recommend—

Publication and S. School Work

1. That our Officers and Teachers, so far as possible, attend the Sunday School Institute, to be held at Montreat, July 14-28. 1907.

"

2. That all our Sunday School Workers take an active part in the North Carolina Sunday School Association, helping to organize Counties and attending the Conventions. The State Association held a most successful Convention at Reidsville, N.C., April 2-4, with 300 representatives, about 40 of whom were Presbyterians. Some of the best Sunday School Workers in the World were on the Program. Following the instructions of the Presbytery, Your Committee sent out an urgent appeal to our Pastors and Sunday School officers to attend the Convention, and those who did attend feel more than repaid.

April 16. 1907.

3. That your Committee be instructed not to hold an Institute this year. Pub. & S.S. Work

4. That all our Schools be urged to put into operation all of the departments as outlined by our Central Committee. Viz: Cradle Roll, Beginner's Course, Primary, Junior, Intermediate, Senior, Teacher Training, Home Department and Missionary.

5. That our Sunday Schools be advised to secure counsel from the Rev. M. B. Porter, our District Superintendent, at the earliest possible date.

6. That $100. of the money for this Cause, now in the Treasury, be sent to the Central Committee at Richmond, Va.

S. M. Rankin, Chairman

"

The following report on Apportionments and Assessments was adopted—

Your Committe would submit the following report:

Apportionments & Assessments

1. We recommend that Presbytery continue to make the Apportionments according to the Plan adopted in 1903, Viz: That the Apportionment for Foreign Missions be determined for each Church as follows— The town Churches be apportioned at the rate of 70 Cents Pr. Member, the Village Churches at 50 Cents Pr Member, the Country Churches at 30 Cents Pr. Member, and the Mis-

sian Churches at 20 Cents pr. Member. That the Amounts for the other Causes be determined by taking a fractional part of that for Foreign Missions, as follows- Assembly's Home Missions 1/3, Synodical and Presbyterial Home Missions Combined 1/2, Orphan's Home 3/4, Education for the Ministry 1/4, Presbyterial Fund 1/6, Ministerial Relief and Colored Evangelization 1/7, each, Publication and Sabbath School Work, and Bible Cause 1/8 each, and Schools and Colleges 1/13.

Apportionments and Assessments

" 2. We recommend that a new Table of Apportionments, according to the above plan, be prepared - and based on the Statistical reports of the Churches as submitted at this Meeting of Presbytery. (Signed). by the Committee.

See the Prepared Table of Apportionments in the Printed Minutes.

The Rev. P. H. Gwynn and Elder T. F. Williamson were excused for tardiness and enrolled.

Roll called

The Roll was called, according to Standing Rule, to ascertain if the Churches had paid their Assessment, and most of the Churches answered in the affirmative.

Case of Allen Jones

A formal Application, in writing, was presented by Mr. Allen Jones Jr and read by the Stated Clerk, wherein Mr. Jones earnestly requested that he be absolved from the Sentence of Deposition, passed upon him in April, 1903, by the Presbytery, and that he be fully re-instated and restored to all the functions of the Gospel Ministry, and dismissed, if the way be clear, to unite with Abingdon Presbytery. He also stated in the application his motives and feelings which moved him to make this Prayer. The Stated Clerk also read two Calls, one from the Green Spring Church, and the other from the Bethel Church, in Abingdon Presbytery, Va., promising Mr. Jones, in aggregate, a Salary of $700. pr. Annum, and a Manse, to become their Pastor. Also letters, in favor of Mr. Jones, were read by the Clerk, from Rev. R. V. Lan-

caster, Rev. Jno. R. Herndon, Judge F. B. Hutton and others. These letters, together with the Application and the Calls, on motion, were referred to a Special Committee, Consisting of Rev. B. W. Mebane D.D., Rev. E. R. Leyburn, Rev. E. L. Eiler, Rev. P. H. Gwynn and Elder F. M. Chick, with instructions to investigate and report to Presbytery.

The hour arrived to hear a partial report from the Executive Committee on Home Missions. The following report was submitted by the Chairman, and after considerable discussion, and hearing from the Churches of Alamance and Bethel in relation to the matters involved and pertaining to them, the Presbytery dissolved the pastoral relation between the Rev. S. M. Rankin and the group of Churches concerned, and adopted the report, thereby placing the Call of the Committee in the hands of Mr. Rankin, which he accepted.

Home Missions

The following is the Report: —

S. M. Rankin

It will be remembered that at the last regular meeting of Presbytery your Committee called the Rev. S. M. Rankin to become Superintendent of Home Missions and General Evangelist of the Presbytery for one half of his time, expecting him

April 16. 1907.

to still give one half of his time, as at present, to Alamance Church, and the Presbytery cited Bethel and Springwood Churches to appear at an adjourned meeting to shew cause why the pastoral relation be not dissolved. At the adjourned meeting the Churches raised such a protest that Presbytery decided not to dissolve the pastoral relation. At the next regular meeting of the Home Mission Committee, acting on the authority given to it at a former meeting of Presbytery — See Minutes, Page 6, Printed — a Call was again extended to Rev. S. M. Rankin to become Superintendent of Home Missions, for all of his time, at a Salary of $1300. per annum. He has now signified his acceptance of this Call of your Committee, subject to the action of the Presbytery, and We therefore recommend — 1 — That Presbytery place this Call into his hands, and that the pastoral relation between the Rev. S. M. Rankin and the Alamance, Bethel and Springwood Churches be, and hereby is, dissolved to take effect April 30. 1907. 2 — That our Superintendent be permitted to do Supply work, subject to the direction of the Committee on Home Missions. It being the order of the day to hear the Report on Foreign Missions and to hold a Popular Mee- Foreign Missions

ting in the interest of the same, The Chairman read the report of the Committee, and introduced the Rev. Melton Clark, who preached a strong and helpful Missionary Sermon on the text — "But as we were allowed of God to be put in trust with the Gospel, even so we speak; not as pleasing men, but God, which tri-eth our hearts." — 1. Thes. B 2: 4

After the Sermon the report was received and adopted, and it is as follows:

The Complete Statistical Report of the Presbytery's Foreign Missionary — " work is made at the Fall meeting of Presbytery. We wish at this time simply to call attention to the very encouraging report that comes from our Executive Committee at Nashville, of this Year's work for Foreign Missions.

In the matter of additions to the Church in our Mission fields, there is great Cause for gratitude. Our African Mission leads all the rest in this respect, as it has done for Several Years, about 1100 souls being added to the Church during " the year in that one field. In our Korean Mission there were about 400 additions during the Year. In the Mid-China Mission, more Souls were added to our Church during the past Year than

during the first thirty years of our work there. The reports from the other fields are most encouraging. The only painful note in them is the cry of distress because of the very small number of laborers to reap the vast and rapidly perishing harvest.

Foreign Missions

The Contributions for the year for Foreign Missions amounted to $276.262.98., a gain of $18.645.48. over the receipts of last year. But notwithstanding this encouraging gain in receipts, the cost of the work has grown more rapidly than the income. "

Twenty new Missionaries were Sent out during the year, and this was only a Small fraction of the number earnestly asked for by the different Mission fields, and urgently needed to man properly the work already undertaken, to Say nothing of entering the many inviting unoccupied fields open to us on every hand, and answering the earnest entreaties that come to our Missionaries from multitudes of awakening Souls, longing for more light. "

Your Committee would especially commend the Forward Movement, and would urge all the Churches than can possibly do So, to undertake the Support of Some particular Missionary, or to take shares in the Support of Some particular Mission Station. Five very fine Young Men

Madison, N.C.

have been engaged by the Executive Committee to aid the Secretaries in this work during the Coming Summer. One of these young men can be secured for work in our Presbytery, if a sufficient number of Churches will request a visit from him. The Committee will be glad to hear, as soon as possible, from all the pastors here who would like to have one of these young men visit their Churches, that we may arrange an itinerary for one of these brethren in our Presbytery.

The Special Committee appointed to effect the Sale of the Calah Church property, made the following report which was adopted—

Report on Sale of Calah Ch.

Your Committee on the Sale of Calah Church, in Randolph County, respectfully report that we have visited the neighborhood of Calah Church, and examined the building. It is a very good building, 40 x 33 feet, unpainted, with substantial granite foundation, well underpinned, situated on a little over a half an acre of land, which was Deeded to the Presbytery by Barbara E Foust, the same being recorded in Asheboro.

The Building contains 32 good benches, a good Pulpit Stand, and a Winter King No. 31. Stove, in good condition, having 14 Joints of Pipe. It has Eight large windows of 12 panes of glass each, the panes being 14 x 30 inches, and 26 of these lights are gone, probably knocked out by storms or bad boys. We think the Building and Contents, together with the half acre of land, should bring about $300.00.

We find that the community is trying to get a new School district, and if they succeed, they want to buy the property. The location suits them, and the building with some repairs, will suit their purposes. They tell us they will pay what it is worth, provided they get the new School district. The School Board of the County

meets in Asheboro on the first Monday in May, prox, and a Committee of Citizens from the Calah neighborhood will appear before them at that time.

Calah Ch

We therefore recommend that you authorize your Committee to meet with them on said date and effect the sale of the property, provided they want it, at the best price and on the best terms we can obtain.

The Case of Allen Jones Jr

The Paper adopted is as follows —

Closer Relations — The hour having arrived to hear the Report of the Ad-Interim Committee Committee on the "Articles of Agreement," touching closer relations with other Presbyterian bodies, it was moved and carried that the Standing Order for the present hour (11 Oclock) be postponed until to night, and that the Report of the Ad Interim Committee be taken up.

"Articles of Agreement."

Articles of Agreement. — The Moderator appointed at the Fall meeting of Presbytery the following Ad-Interim Committee, viz- Rev. D.C. Lilly, D.D., Rev. D.I. Craig, Rev. E.C. Murray D.D. Rev. E.L. Siler and Hon A.M. Scales, to take into earnest consideration the "Articles of Agree

mick" sent down to the Presbyteries by the Assembly, and to report at this Meeting. The following Majority and Minority reports were presented: —

The Majority Report.

Articles of Agreement

Your Committee appointed to consider and report on the "Articles of Agreement" sent down to the Presbyteries by the Gen'l Assembly, would report that it has held one Meeting in Greensboro, at which the following Members were present: Ministers, E.L. Silet, E.C. Murray, D.C. Lilly and Elder A.M. Scales.

At this Meeting the following points were considered and agreed upon:

Majority Report

1. Are the parties to the Proposed Council close enough to each other in doctrine and polity to warrant the Proposed Relation?
2. Are there any real advantages to be secured to the work of the Kingdom by such an arrangement?
3. Are the rights of the parties who contemplate establishing this Council properly safe-guarded in the Articles of Agreement?

Your Committee answered each of these questions in the affirmative, and agreed unanimously to recommend to Presbytery the adoption of the Articles of Agreement.

April 17. 1907.

It is perhaps due the Presbytery that we indicate the grounds on which our decision rests, and we do so under the heads as given above —

I.

Articles of Agreement

Are the parties to the proposed Council close enough to each other in doctrine and polity to warrant the proposed relation?

The Churches which are contemplated in this Council are called: — "The Reformed Churches in America, holding the Presbyterian System": Their General names are — "The Presbyterian Church in the United States of America" — popularly called the "Northern Presbyterian Church": "The Presbyterian Church in the United States" — popularly called the "Southern Presbyterian Church": "The United Presbyterian Church in North America": "The Reformed Presbyterian Church": "The Associate Reformed Presbyterian Church": "The Reformed Church in America" — (Dutch): "The Reformed Church in the United States" — (German).

Majority Report

The five first named of these Churches have as their doctrinal Standards the Westminster Standards. The two last named have as their doctri

nal Standards the Heidelberg Catechism and the Articles of the Synod of Dort, Symbols whose Calvinistic integrity has never been questioned by any one.

Articles of Agreement

The System of Church Government in force in all of them is purely Presbyterial, amounting to a substantial identity.

For these reasons we decided that these Churches are close enough to each other in doctrine and polity to warrant such closer relations as are contemplated.

III.

Majority Report.

Are there any real advantages to be secured to the work of the Kingdom by such an arrangement?

We considered first the general aspects of this question, such as —

1. The Spiritual effect on the Churches themselves, arising from this manifestation of mutual confidence and love.
2. The moral effect on the unconverted when they witness the Churches of all Sections of this Country working together in outward and visible unity and love for the Salvation of the lost.
3. The greater force of our united testimony against current evils of the day.
4. A more effective propagation of the Reformed faith and Presbyterian

System when we can all move in concert and without loss of energy.

5. Each of these Churches can teach some thing of value to the others. Each can learn some needed truth from the others.

Articles of Agreement

We considered in the second place the practicability of such co-operation. It is already well and widely known how successfully the Churches have united their Foreign Mission work. There has been but one opinion as to the wisdom and effectiveness of this co-operation. We believe that such a co-operation is possible in all our work, and that the effectiveness of the Churches will be increased by it.

Majority Report.

The proposed Council is limited by the Articles of Agreement to Co-operation in "such work as can be better done unitedly than separately."

We think that work such as Foreign Missions, Home Missions, Sabbath School Missions, Publication, Education in Colleges and Theological Seminaries, and Colored Evangelization can be better done united by than separately. For these reasons we believe that there are real advantages to be realized in the work of the Kingdom by this arrangement.

IIII.

Madison N.C.

Are the rights of the parties who contemplate establishing this Council properly safeguarded in the Articles of Agreement?

Articles of Agreement

The Articles of Agreement expressly deny the power of the Council to interfere with the Creed, Worship or Government of the Constituent Churches, leaving all matters of discipline and order to each Church for itself.

None of the property of any Church is in any way involved, nor the title to it made questionable by the Articles.

These Articles have a protective clause, providing that when the representatives of three of the Constituent Churches shall request a vote upon a pending motion, the vote shall be so taken. The right of withdrawal from the Council is vouchsafed any Church at any time at its own election.

These Articles are rendered stable by the provision that they can be amended only by a two-thirds vote of the Constituent Churches acting in accord with their Constitutions.

Majority Report

For these reasons we have answered each of these questions in the affirmative, and respectfully recommend that Presbytery express its approval of the Articles of Agreement. (Signed) —

(D. C. Lilly, Chm. E. C. Murray
E. L. Siler — A. M. Scales)

April 17. 1907.

The Minority Report.

Articles of Agreement

Minority Report

The undersigned, a Minority of One, of the Ad-Interim Committee, to which was referred the resolution of the General Assembly, sent down to the Presbyteries, "That the Articles of Agreement todaking closer relations, be referred to the Presbyteries for their action," would recommend the following resolution for adoption by Orange Presbytery: —

Resolved: That Orange Presbytery respectfully declines to adopt the "Articles of Agreement", sent down by the Assembly to the Presbyteries for their action, believing that the ends proposed and set forth in said Articles are unnecessary and unconstitutional, and tend to produce confusion, Strife and Schism in our beloved Church.

Signed — D. I. Craig.

" "

" "

After the reading of the above Majority and Minority Reports, a motion was made to adopt the Majority report, and a Substitute was offered to adopt the Minority report. Presbytery then proceeded at once to the earnest Consideration and discussion of the matter in hand, and after a warm debate and pending further discussion, and the

April 17. 1907.

Jamestown Va. made the following report which was adopted —

The Pan-Presbyterian Exhibit at Jamestown

Your Committee recommends —

1. That the Stated Clerk offer to have photographs of three of the oldest Churches, viz- Hawfields, Buffalo and Alamance, made and framed at the expense of the Presbytery, and sent to the Committee at Jamestown, if they are desired.
2. That the Stated Clerk also be directed to gather whatever of the facts of Presbytery that may be useful in this direction and place them at the service of the Committee of the Pan-Presbyterian Exhibit.
3. That any individual in the Presbytery who may have books or relics that may be of interest, be asked to place them on exhibition. "
4. That inasmuch as appeals have been made for financial aid to our Churches Separately, this Committee does not see its way clear to furnish additional support. "

B. W. Mebane, Chm.

Orphans Home — The following report of the Executive Committee on the Synod's Orphan's Home was received and adopted:

Your Committee on the Orphan's Home reports: That during

Madison N.C.

the year just ended, 29 Churches have contributed $3.124.00 to this Cause, and 38 Churches have given nothing, so far as reports to this Presbytery show. This amount is a full thousand Dollars more than was apportioned to Orange Presbytery as its part of the $12000. asked by the Synod for the support of the Orphan's Home, and this very gratifying result was accomplished by the very generous and large contributions of some Six or eight of our Churches whose gifts were largely in excess of their apportionments. It can hardly be expected that this somewhat unusual liberality should be maintained and continued indefinitely, and here we have one of the very strongest reasons why the 38 Churches contributing nothing should do their part in supporting this most worthy Cause. And Presbytery hereby exhorts all Ministers and Sessions to present this Cause to this people, being well assured of a hearty response whenever this is done. Besides the Contributing Churches reported above, one Church reports "two Orphans supported," but no figures are given, and it is possible that other Churches are in the same condition. Doubtless, also, a large number of Ladies' Societies furnish Clothing for one or two or more Children of the Home,

but no account in Dollars and Cents is kept of this good work, and no report made.

The Superintendent of the Home makes two requests — One, that all Subscribers to "Little Joe's Church" pay their Subscriptions, made last Fall, at once, so that the work may be finished promptly. The Other, that all Contributors, both Churches and Individuals, send in part of their Contributions if possible during the Summer, as these are the months when it is most difficult to meet Current Expenses. Contributions to this Cause should be made in June, according to the directions of the Synod. Geo. L. Leyburn, Chm.

Third Day — Evening Session.

Madison, N.C.
Wednesday, April 17. 1907.

Presbytery met at 8 O'clock P.M. and resumed business.

The Narrative

The following Narrative was presented, received and adopted, and ordered to be sent up to the General Assembly.

Thirty-one Churches report good attendance on Services: and 11 fair; 7 an improvement; and 4 rather poor. Four report poor attendance on Sunday Evening and Prayer Meeting Services.

April 17. 1907.

Twenty Six Churches report Family worship neglected: 14 as conducted by a fair proportion of members, and 6 as generally observed.

In 37 Churches the Sabbath is comparatively well observed; and in 6 fairly well. There is some complaint of Secular heading and traveling, and of making the day one of more relaxation. The Narrative

Our Youth are thought to be well trained in 37 Churches; in 9 neglected at home but taught in the Sabbath School, and in 3 almost altogether neglected.

Thirty Churches report liberal contributions to Church Causes: 12 a fair degree of liberality; 6, improvement; and 8 make a poor exhibit. "

Only 8 Churches report non-payment of Minister's Salary in full.

A few Churches have experienced gracious revivals and large accessions, and 7 report special widness of unsaved life: 13 others are in a healthy condition, and 16 have nothing special to report.

Very few Churches complain of the prevalence of worldly conformity, as the expression is generally understood. "

Twelve Churches are engaged in local Evangelistic work.

Six of our Evangs are now with

and Pastors, but three of these will soon be supplied.

Reports were received from fifty-two Churches, and no report from fifteen Churches = 67.

E. C. Murray. Chm.

The following Report on Home Missions was submitted by the Supt. and Chairman, Rev. G. M. Rankin, and received and adopted:—

Home Missions

Home Missions

In submitting this our annual report, the Committee wishes to acknowledge with thankfulness, God's blessing upon this work, and to render unto Him all the praise for what has been accomplished.

Your Committee has met monthly and has gone over the work carefully each time. The Rev. G. M. Rankin was our Chairman and General Evangelist up to Oct. 1st. 1906. The Rev. G. M. Rankin was elected to succeed him as Chairman, but we have had no General Evangelist and Superintendent to look after the work as it should have been. For the most part the Pastors and Churches have given us their loyal support. Three Churches viz Sparta (Carson Memorial) Stonerille and Walker Ave. have been organised during the year, making a total of 67

April 17. 1907

Churches in our Presbytery. The work, for the most part, is in a most flourishing condition

We now have ten Mission fields in which there are 31 Churches, and there are 14 Mission points not yet organized.

The Little River field which did so nobly last year in buying a Manse, Contributed more to beneficence this year than ever before. The Rev. M. C. Arrawood has charge of this work and has established a good School at Caldwell Institute. Home Missions

The Rev. R. W. Culbertson has Charge of the Cross Roads field, and the work is making advances along all lines. A six-acre lot has been bought at Cross Roads Church and a nice nine room Manse erected upon it. Five Mission Sunday Schools are Conducted by members of this Church. "

The Caswell field is still vacant. We have been in correspondence with several men and have had two to visit the group. The Churches have recently called a man, and we have some hope of securing him to take Charge at once. The field is raising money at this time to buy or to build a Manse. "

Madison N.C.

The Rev W. M Sikes is in charge of the Rockingham Group, and he has the work well in hand. Several have been received into the membership of the Churches. Stoneville Church has been organized, and the building nearly completed.

Home Missions

The Rev. R. W. George is still looking after the work in Stokes County. He has asked to be relieved of part of his work, and we have been looking for a man to take part of it, but have failed so far. The work is prospering, however, twenty one persons having been added to the membership of the Churches.

"

The Mt. Airy Church has been vacant since Nov. 1906, when Dr Mebane moved to Mansfields. Four years ago this Church asked Presbytery for help to the extent of $400. They have now raised $800. and are looking for a pastor. This is encouraging.

The Thomasville Church has been vacant since Nov. 1906. A lot has been bought and they expect to build as soon as they can secure a pastor. This Church is grouped with Asheboro, and we now have a man in view for the field.

"

The Rev. C. W. Robinson is pastor of the Wilkesboro group. The N. Wilkesboro Church has increased in strength, and now asks for more preaching. Bro Robinson has had good revivals in all his Churches

April 17. 1907.

Alleghany County field has been vacant since Bro. Story left the field December last. Mr A. J. Walker, one of our Candidates, has been secured to work in the field. The Carson Memorial Church, at Sparta, has been organized; and several members have been received into the Rocky Ridge Church.

Home Missions

The Ashe County field has been vacant for two years. We have secured the Rev. W. M. McIver of Fayetteville Presbytery to take charge of this field in May.

The Committee on Young People's Societies submitted a tabulated report, which was received and adopted — See Appendix to Printed Minutes.

Ministerial Education

The Executive Committee on Ministerial Education made the following report which was adopted —

Our Assembly's Secretary of Ministerial Education reports that we now have 449 Candidates for the Ministry, which is a gain of 17 over the number reported a year ago. Of this number 134 are in the Seminary, 164 in College, 15 in Schools and Academies, while 36 for the present are at work.

" The number of Candidates aided during the past year is 219 as against 195 the year before, and the amount of aid given is, in round numbers, $22000. as against $19000. the previous year.

Only 41 Candidates will be graduated from all our Theological Seminaries

April 17. 1907.

in May, while 27 of our Ministers have died during the past year, and 15 have been retired from active service. It will therefore require all of the graduates from our Seminaries to supply the places of those who have fallen from our ranks during the year, leaving none to supply our almost 200 vacant fields which are able to support a Pastor. Surely these facts emphasize very strongly the urgent need for a larger supply of Candidates for the Ministry.

Education

Orange Presbytery now has under its care 12 Candidates for the Ministry. Mr. Ernest K. Norwood of the Winston Church has been received since our last Meeting, and is now pursuing his theological studies at Columbia Seminary in the Junior Class.

Candidates

Your Committee has received a Certificate transferring Mr. J. Frank Gorrell from Concord Presbytery to this Presbytery. We recommend that he be received upon the said Certificate. Mr. Gorrell is a Member of the First Church Greensboro, and is now pursueing his studies at Union Seminary.

Gorrell

Mr. Wm S. Patterson will complete his Course at Union Seminary this Spring, and desires to accept work in West. Virginia.

Patterson

Madison, N.C.

Pritchett — Mr. W. R. Pritchett will complete his course at Guilford College this Spring, and will probably teach one year before entering the Seminary.

Claytor — Mr. H. R. Claytor has been teaching the High School at Chapel Hill the past year, and at the same time has been taking enough studies to complete his course at the University. He expects to enter the Seminary next Fall.

Walker, Phipps, Murray, Carter, Dunny — Five of our Candidates are pursuing their Studies at Davidson College, viz— J. M. Walker in the Senior Class, Chas. H. Phipps in the Junior Class, J. J. Murray, J. H. Carter and R. E. Dunny in the Sophomore Class. Most of these Candidates are making fine progress in their Studies. We shall report the grades of each one of them at the Fall Meeting.

Walker — Mr. A. J. Walker, who was a member of the Senior Class at Davidson, was compelled to give up his Studies last Nov. on account of weak eyes. He has been engaged in Mission work in Charlotte, N.C. since that time. On account of the trouble with his eyes he will not be able to pursue his Studies further at the present, but desires to enter upon Home Mission work in Alleghany County immediately after this Meeting of Presbytery.

Hodge — Mr. D. W. Hodge has not made any report to your Committee since

April 17, 1907.

the last meeting of Presbytery. At that time he was engaged in business at Spencer, N.C.

Our Candidates have received aid during the past year as follows: J. M. Walker $100. C. H. Phipps $100., R. E. Dunny $100., J. J. Murray $100 E. H. Harwood $100., W. S. Patterson $100., W. R. Pritchett $75., A. J. Walker $20. making a total of $695. — Ministerial Education

We call the attention of Presbytery to the fact that our Churches have contributed to this Cause during the past year only $555.62 We have appropriated to our Candidates $140. more than we contributed. Surely this strong Presbytery should not allow the weaker Presbyterios to contribute to the support of our Candidates.

The Apportionment for this Cause is $759., and we shall need every dollar of this next year to aid our Candidates.

Only 15 Churches paid their full apportionment to this Cause the past year, viz: Asheboro, Durham 1st, Danbury, Elkin 1st, Eno, Graham, High Point, Hillsboro, Lexington, Mt. Airy, New Hope, Red House, Winston Westminster and Price Hall.

The following 16 Churches have contributed to this Cause, but have not paid their full apportionment, viz: Alamance, Bethel, Bethlehem, Buffalo, Burlington, Cross Roads, Fairfield, Greensboro 1st, Friers Hawfields, Jamestown, Little River, Mock

The Committee on Systematic Beneficence submitted a tabulated report which was received and adopted — See Appendix to Printed Minutes.

Sabbath & F. Religion

The Executive Committee on the Sabbath and Family Religion made the following Report which was adopted:

If Your Committee should follow the beaten paths of former years it would be best to note some indications of turning away from the Conscientious strictness of other days. This probably testifies a flagging of the sense of the importance of these two institutions, which are God's primary institutions, intended to be perpetuated as to subserve the high material and spiritual interests of mankind.

It is the Church's duty and privilege to proclaim the Sacredness of the Sabbath, and God's Claim

April 17. 1907.

upon men for its observance, and that its preaching be accompanied by the designed and deserved power, the Church's message must be enforced by its own example. Here is where there seems to be some failure — We as a Church stand for the most exalted ideals of belief as to the Sanctity of the Sabbath — but do we practice what we preach?

Sabbath & F. Religion

Now the task of the Presbytery is to reiterate its conviction, and also its exhortation, for the awakening of the Christian Conscience to these weighty matters of vital interest to mankind and to the Church. The place to begin is in the Family. This suggests the inter-dependence of these two institutions — the Sabbath and the Family. "The greatest battlefield of the Sabbath is in the Home". In order to keep up the high Presbyterian Standards of Sabbath observance, the battle Cry of every Presbyterian household should be the memorable words of Joshua — "As for me and my house, we will serve the Lord".

Therefore, Your Committee requests the Presbytery to repeat its testimony to these divine in

stitutions, Keeping them in their true place of the very first importance, and hereby urge her Ministers to preach on those subjects at least once a Year.

H. L. Bradshaw, Chm.

Order — It was ordered that the Committee on Colored Evangelization pay to the Rev. J. S. Marrow the expense incurred in visiting and holding a meeting for Rev. B. B. Palmer last Year.

Order Old Spring Garden Ch — It was ordered that the Trustees of Presbytery be re-instructed to investigate the title to the old Spring Garden Church property, and to report thereupon.

Thanks — The following resolution of Thanks was adopted by a rising vote: —

Resolved: That Presbytery express its sincere thanks to the good people of Madison, of all denominations, for their gracious hospitality; and we pray that God's richest blessings may rest upon them, and upon this Church and her Pastor.

And that this resolution be read from the Pulpit next Sunday, and be published in the Madison News-Papers.

Ch. & C Ed. — The Rev. D. McLean, Chairman of the Executive Committee on Church and Christian Education, made a verbal report, stating that no money had come into the Hands of the Committee, and that 23 Churches had contributed nothing to this Cause. The report was received.

Patterson order — The Stated Clerk was instructed to issue to Candidate W. S. Patterson a Certificate of transfer to the care of another Presbytery, if called for, between now and the next meeting of Presbytery.

(The Certificate was called for and issued to Greenbrier Presbytery, Va. S. Clerk)

Rule — Standing Rule — It was ordered that Presbytery, hereafter, pay the necessary expenses attending the Calling of pro-re-nata Meetings of Presbytery.

Leave of Absence — The Committee on Leave of Absence made the following report which was approved: —

Your Committee have excused from attendance on this Meeting Mr G. H. Beall, after the morning Session of the 2d day, and Dr Geo. McKie, after the evening Session of the 2d day; and Rev R. W. George

Foreign Missions

It being the order of the day to hear the report on Foreign Missions, and to hold a Joint Meeting in the interest of the Cause, the Rev. E. R. Leyburn, Chairman of the Executive Committee, presided and read the report of the Committee.

Pending the adoption of the report, the Presbytery and Congregation were

Address

addressed by the Rev. D. C. Lilly D.D.

After the address of Dr Lilly the Sacrament of the Lord's Supper was administered, by the Rev Melton Clark and Dr Lilly.

The report was then adopted and is as follows:—

Foreign Missions:

The past Year has been one of marked progress in the Foreign Mission work of our Church, as reported by our Executive Committee at Nashville, Tenn.

September 11. 1907.

The total number of persons added to our Foreign Mission Churches by baptism was 2,256. Africa, as has been the case for several years past, furnished more of these than any other Mission Station. In one Missionary tour of two months, there, Mr Martin and Mr DeYampert examined 1500. applicants for baptism, 800 of whom were received and baptized. In Korea, 415 adults were baptized, making an average of 46 persons to each ordained Minister on that field. In China 299 were baptized, which was more than the whole number of Missionaries of our Church in that Country received in the first thirty years of this work there. The reports to that Conf from the other fields are encouraging. Foreign Missions

The financial report is also excellent. The total receipts of the Treasury for the Year were $276.263. a gain over the receipts of last year of $16.645. The contributions per Capita from the whole Church were about $1.09. The amount received from legacies during the year was only $4790. as against $36.489. from this source last Year. A comparison of the two years shows the gratifying fact that there was a gain in the receipts from living donors of $48.344. This is the gratifying report from the Church at large, but we regret "

"

"

to State that Orange Presbytery has not kept
pace with this Advancement. There was some
increase in the Contributions of the Churches
of our Presbytery over last Year, both in the
Foreign Missions total amount Contributed, and in the per
Capita Contributions, but nothing like
the increase that is reported from the
Church at large. The total Contributions of
the Churches of our Presbytery for this Cause
were $6.190. as against $5.792. last Year,
a gain of $398, and a gain of per Capita
of about 3 cents. But while the Church at
" large averaged $1.09 per member, the Mem-
bers of Orange Presbytery averaged $.93
only per Member. Twenty-Six of our 67
Churches are reported as having given
nothing last year to this great Cause.
It is true that most of them are small
and weak Churches, and some of them
are without a Pastor. But surely these
" are not sufficient reasons for their
making no Contribution to such a
Cause. Our last General Assembly, at its
meeting in Birmingham, adopted a Reso-
lution definitely assuming the Respon-
sibility for the evangelization of the 75,000,000.
of heathen who are apportioned to our
Church as its share of the heathen world,
" and calling upon the Church to fur-
nish the men and the money for this
evangelization in this generation.

It is estimated that to accomplish this
work, we will need 800 Missionaries, and
5000 native Evangelists! This would mean
for our denomination the increase of
our present Missionary force about
four-fold, and of our native force
about ten-fold. It will require
not less than $1000.000. per annum
to support the above named Work-
ers and their work, and the Assem-
bly urgently calls upon the Church
" to make the earnest effort to bring
its offerings up to this mark at
once. This would mean an average
per Capita Contribution of $4. per
Member a Year for Foreign Mis-
sions. This is certainly not an
unreasonable amount to ask,
when we consider the resources
" at our Command, and yet only
one Church in our Presbytery
came up to that average last
Year, and the average from the
Whole Presbytery was only 93. cts
per Member. Certainly there is
much need of Missionary work
in our Presbytery, if we are to do
our share in carrying out the
" Assembly's Program for giving the
Gospel to the heathen for whom we
are responsible, in this generation.

Mebane N. C.

The General Assembly urges that each Presbytery shall assume its just apportionment of this One Million dollars for Foreign Missions, and do all in its power to raise it. The amount to be raised by this Presbytery, at the rate of $4. pr. Member, is $2588. We recommend that the Presbytery urge its Churches to make every effort to reach that amount next year.

Foreign Missions

Several of the Churches of our Presbytery have recently had a visit from the Rev. Chas. Pratt, one of the representatives of the Forward Movement. Several of our Churches are now enlisted in this Forward Movement, supporting this new Missionary, or contributing a definite stipulated amount each year toward the support of some particular Missionary or Mission Station. We would most heartily commend this Forward Movement to all the Churches of our Presbytery, not already enlisted in it, and would urge them, however weak they may be, to assume some definite share in the Foreign Mission work of our Church.

" We would also call the especial attention of the Churches of Orange Presbytery to the Laymen's Missionary

September 11. 1907.

Movement, the organization of which we believe is one of the most important and far-reaching steps ever taken by our Church. This is an organization among the Laymen of our Church, having as its definite aim and purpose the giving of the Gospel, within this generation, to the 25 000. 000. of heathen who have been apportioned to our Southern Presbyterian Church, as its share of the heathen world. The platform of the Organization, briefly stated, is this: viz—

Foreign Missions

1. The purpose to pray for the Evangelization of the world in this generation.
2. The purpose to give toward the Evangelization of the world in this generation.
3. The purpose to study about the Evangelization of the world in this generation.
4. The purpose to work for the Evangelization of the world in this generation.

We most heartily commend this Movement to the Churches of our Presbytery, and urge all of them where practicable, to enlist the interest and co-operation of their Laymen in it. Our Church has in the past been leaving far too great a share of the burden of our Foreign Mission work to the good women. We praise

Mebane. N.C.

God for the way they have borne that burden, and for the noble and inspiring example they have set the men, and we rejoice that the men are at last waking up to their duty and privilege of sharing in this great work.

Foreign Missions

The following Missionary Platform was adopted by the Assembly, and each individual Church is urged by the Assembly to consider it carefully, and if it approves it, to formally adopt it. viz—

"Every true Church of Christ is, by virtue of its organization as a Church of Christ, a Missionary Society, each member of which is under Solemn Covenant to the Head of the Church to help in the fulfillment of our Commission to give the Gospel to every Creature.

" It is the duty of those who have the proper gifts and qualifications, and who are not providentially hindered, personally to obey the Command of the Head of the Church to "Go" on this Mission. It is the duty of those who may be lacking in the necessary qualifications for the work, or who are providentially hindered from going, to have a Share, by their gifts and

" Prayers, in supporting the work.

" For this purpose, every person who does not personally go as a Missionary is bound to give, Scripturally, Systematically,

September 11. 1907.

proportionately and cheerfully."

We would earnestly urge the Pastors and Sessions of the Churches of our Presbytery to take up this matter, and present this Platform to their Congregations, for consideration and adoption at as early a date as possible. Foreign Mission

In conclusion, We would call your attention to the following Resolution, adopted by the General Assembly as a part of the Report of its Standing Committee of Foreign Missions—

"The great Forward Movement in our " Foreign Mission work, contemplated in the action proposed to be taken by this Assembly, is one on which your Committee believes it will be useless for us to enter unless we can do so assured of the blessing, the guidance and the help of Almighty God. We therefore, " recommend that in proposing this action for our Church — The Assembly Solemnly and reverently acknowledge our absolute dependence upon Him, and call on all our Christian people to pray daily to the Lord of the Harvest that He will thrust forth Laborers — " into His Harvest."

Auditing Com^tee

We have examined the Account of S. M. Rankin, Treasurer, and find Vouchers to cover all expenditures. We find the Account in all respects Correct. W. F. Carter, Chm.

The Executive Committee on Ministerial Relief made the following report which was adopted—

Ministerial Relief

Your Committee is happy to report that the amount necessary to secure the "Jamesean Subscription" to the Endowment Fund is in sight, thus making the Endowment Fund $250.000. when the remainder of the Jamesean Subscription is paid in.

The Committee would call the attention of Presbytery to the action of the General Assembly, directing the Churches to endeavor to increase the Endowment Fund to $500.000. and

September 12. 1907.

directing the Churches to take up a collection for Endowment. on the 3rd Sabbath in November, or as near that date as possible. The Committee would also remind the Members of Presbytery that the Assembly calls for $30.000. in support of the Annual Fund, and because of many more Applications for help from this Fund. Even the pittance heretofore given must be scaled unless the Churches give more liberally than heretofore.

Ministerial Relief

Many of our Churches have not sent in yet any Contribution to the Support of the Annual Fund this year. Your Committee would remind each Minister and Elder of this fact, and ask each to see if his Church is still delinquent, and if so, see that a contribution is sent to the Treasurer for Ministerial Relief.

M. C. Arrowood Chm

The Executive Committee on the Bible Cause made the following report which was adopted:

Bible Cause

Your Committee reports an increase of $68. in the contributions of our Churches to this Cause, for the Year ending April 1—, as an increase against $84. last year. Of the 67 Churches of our Presbytery, 32 Contributed last year, being one more than the previous Year. The following Seven Churches

Mebane N.C.

Paid their apportionments in full: Wilkesboro, Roxboro, Red House, Winston, High Point, Jamestown and New Hope. The following Six more than paid their apportionment: Cross Roads, Midway, Westminster, Lexington, Leaksville and Greensboro. Thirty-five of our Churches Contributed nothing to this important Cause.

Bible Cause

Since our Presbytery is apportioned only $385. for this Cause by the General Assembly, and we raised last year only $242. all told, falling short of the mark by $143, therefore We recommend—

That our Churches be urged to come up with their apportionments for this Cause, and to this end, that on the 3rd Sabbath in October, or on some other convenient date, all our people be given an opportunity to Contribute to this worthy and much neglected Cause.

Home Missions

The report of the Executive Committee on Home Missions was taken up as unfinished, and the Chairman, Rev S. M. Rankin, offered a Supplemental Report, both of which were

adopted and are as follows: —

Home Missions

This has been a good year, so far, with our work. We have had thirteen pastors and teachers in our Mission fields since the last meeting of Presbytery, all of whom have done faithful work. We have had successful meetings in most of our Mission Churches, and a large number has been added to our membership. The exact figures cannot be had at this time. One Church, Smyrna, in Rockingham County has been organized with 36 Charter Members, and four more have been received on Profession of faith. This makes a total of 68 Churches in our Presbytery.

" "

In spite of our constant efforts to supply them, three groups have remained vacant; but your Superintendent has visited all these fields and conducted Services and tried to encourage the people. The most difficult problem before us at this time is to find Suitable Supplies for our vacancies. Following the recommendation adopted at the last meeting of Presbytery, your Committee employed six teachers at $12. per month to teach day Schools during the Summer — four for Alleghany County and two for Ashe. All were well received and taught successful Schools, and did much good by vis-

Mebane N.C.

iting the people and organizing and teaching Sunday Schools. Your Committee considers this a wise plan to adopt.

Home Missions

A nice six-room house, on a two acre lot, in Yanceyville has been bought for a Manse for the Caswell field.

The Madison Church has decided to build a Manse, and is raising the money for that purpose now.

" It will be necessary for us to build a Manse at Jefferson as soon as we can secure a Supply for Ashe County. We have a lot sufficient, right by the Church in Jefferson for a Manse. It may be of interest to know that twenty of the pastorates of our Presbytery now have Manse property.

At present the Rev. M. C. Arrowood has charge of the Orange County group: Rev. R. W. Culbertson of the Cross Roads group: Rev. W. M. Sikes of the Rockingham group: Mr. A. T. Walker of the Alleghany County work: Rev. R. W. George of the Stokes County group: Mr. John D. Smith has been looking after Sandy Ridge and Snow Hill: Mr. C. H. Phipps, one of our Candidates, has supplied Ashe County for the Summer: and Rev. E. L. Siler is supplying Thomasville with afternoon Services for the present. We are needing Supplies for the Caswell County group, Mt. Airy, Ashe

Colored Evangelization

The following report of the Executive Committee on Colored Evangelization was received and adopted—

Your Committee on Colored Evangelization would call attention to the encouraging report of the Assembly's Executive Committee which shows the progress of the Work in the increased Contributions to the Receipts by the Treasurer, having doubled in three years, and in the enlargement of the work at Stillman Institute. The Assembly asks this year for a Special fund of $15000. for the further enlargement of Stillman Institute, and for $50.000. for the regular work of the Committee. This should Call on Orange Presbytery to increase its Contributions to four times what we gave last year. Let us earnestly endeavor to do this—

September 12. 1907.

Colored Evangelization

The Assembly calls on all its Ministers to preach to the Colored people, if possible, at least once a month: And that "Our ministers residing near each other, organize and conduct at convenient places, within their bounds, institutes of Theology or Schools of Bible training," and invite thereto the Colored Ministers within their bounds and teach to them the great truths of the Gospel."

The Presbytery heartily approves these recommendations, and commends such work to all its Ministers.

D. Clay Lilly, Chm.

S. G. Walker & his request

Walker to co-operate with

S.S.W. the inter-denominational Sunday School Association of the State, and to labor among the Colored people of the State, organizing Sunday School Institutes, Associations, Teacher's training Schools &c with a special view of teaching and training the Colored Children in the study of the Ten Commandments. (4) To overture the Synod to assist in the support of one man to do this work, co-operating with the inter-denominational Sunday School Movement.

Orphan's Home

Your Committee would report that a full report was made, as to the Churches contributing and amounts given at the Spring Meeting of Presbytery, and on these points we have no further information, and refer to that report for the facts.

We learn from the Superintendent that because of increased cost of living this has been rather a hard year for the Home, and this makes it the more important that all contributions be prompt and full: also that non-contributing Churches and Sabbath Schools take Subscriptions for this Cause, and we call the attention of all parties to this state of things. The Rev. A. S. Caldwell, the Field Agent of the Home is present, and we recommend that he be given the opportunity to address the Presbytery.

Geo. L. Leyburn, Chm.

The following paper, offered by the Rev. Melton Clark, touching the building of a Presbyterial Home at Barium Springs, was adopted-

A Presbyterial Home at B.S.

Resolved, That Orange Presbytery take steps to raise one dollar per Member, within three years, for the purpose of erecting the "Orange Presbyterial Home" at Barium Springs: And that this $1600. be raised by the Sabbath Schools, with any helps from other quarters that may be secured, the Last Sabbath in June being set for that offering.

September 12. 1907.

The following report on the Minutes of the General Assembly was adopted: Your Committee would call the attention of Presbytery (1) to page 25 of the Minutes to the "destitution in the supply of Bibles over the land", and urge that this matter be taken under consideration: (2) On page 25 - "deploring the laxity in Sabbath observance", We recommend the adoption of the Rule suggested by the Assembly on page 21.

Publication S.S. Work

The Committee on Publication and Sunday School Missions made the following report which was adopted—

Your Committee find by looking up the Sunday School reports, that last year in our Presbytery, we had more Sunday Schools, more pupils enrolled, and the total membership of our Schools were nearer equal the total membership of our Churches than ever before. Some of our Schools have adopted modern Methods and have greatly increased their attendance and usefulness. We would again urge all officers and teachers to profit by the experience of others, and not run on year after year in the same old ruts, killing their Schools and driving the Children that rightly belong to us to other Churches and Schools. We can all become more efficient and accomplish more good by informing ourselves and

applying our information.

Inasmuch as the next State Sunday School Convention meets in the Centre of our Presbytery, at Burlington, N. C., the first week of April 1908, we would insist on all our pastors and Sunday School workers attending in a body. Nothing would do more at this time to awaken new interest and life in our Sunday School life and work. The opportunity is too good to miss. We would ask our Pastors, on returning home, to look up the reports and compare the membership of their Sunday School with that of their Church, and see if it is what it should be. Also Compare your School with the more aggressive Schools, and see if you can remain satisfied to run in the old way. S. M. Rankin, Chm.

Sabbath and F. Religion

The following report of the Executive Committee on the Sabbath and Family Religion was received and adopted —

We note with sincere gratitude to God some signs of improvement in the Public regard for the Sabbath Day. There is a firm endeavor on the part of State governments to enforce their Sunday laws among the officials of the larger Rail Roads, and there is a tendency to abandon the Sunday Excursions, that huge temptation to Sabbath desecration and vice. These signs encourage hope, and therefore

September 12, 1907.

should serve to enliven industry, and stir to more energetic effort all Sabbath upholders to restore this sacred institution to the prominent place that God has designed it to occupy in the minds and lives of men.

Sabbath and F. Religion

In the matter of Family Religion, prospects seem not so encouraging. While we believe that it is generally more operative than we have adequate means to determine; yet the facts indicate that fidelity of Christians in this regard is greatly lacking. Listen to the reasons that have been assigned for this state of affairs, by those who have carefully investigated the Situation: The strenuous life that men lead, by reason of which they have little time for life in the home, and no time for devotion to the exercise of family religion: The loose of religious inconsistency, which robs the parent of power to command and to teach in Spiritual things: The stress laid upon Sabbath School work, leads the parent to feel that the Sabbath School must have care of the religious training of his Children. It rests with Presbytery to caution men against this negligence, awakening the minds of the people to the fact that the family is an elder

Sabbath and F. Religion

institution than the Sabbath School, and by reason of the Parent's position of authority and leadership. God requires that they shall Command their Children after them. He says to Parents, as he said to Israel — "Ye shall let your Children Know" —

1. The Presbytery would urge the necessity of renewed effort in the advocacy of the claims of the Sabbath day upon the Church and the World. God's Sabbath law is still binding, and its observance meets the working man's need of rest, and is sure to be attended with untold blessing.

" 2. The Presbytery requests all Pastors, or Sessions where there is no Pastor, to read and expound to their Congregations the Second Recommendation in the last Assembly's report on Sabbath and Family Religion, viz — "That all people who are heads of families be earnestly and affectionately exhorted to erect and maintain family altars, where God's richest blessing shall be invoked and vouchsafed to them, and to their Children: And that our Pastors and Sessions make a thorough canvass of their Congregations to ascertain the number of families that have family Altars, and the number that have not, and report the same to their respective Presbyteries: And we warn

Parents against the danger and tendency of delegating the religious training of their Children to Sunday Schools, Young People's Societies, or any other agencies, all of which should be appreciated and improved, as invaluable aids to parents, but not as substitutes for parental training. The Committee on Apportionments and Assessments made the following report which was adopted: — Apportionments &c

year. The Alumnae are now raising the necessary funds to erect another building, to be known as the "Vardell Building." It is thought about $15000. will complete this building, and we ask that the Members of our Presbytery especially assist in raising this sum, as Fayetteville Presbytery has already put borne $75000 in the plant and given us a half interest in it

The present indebtedness of the institution is about $20000., and $8000. of this is secured by good subscriptions. We are especially anxious to raise the remaining $12000. before the next Commencement. Dr. Vardell has been appointed to canvass the Churches for this purpose, and we trust the Pastors will give him all possible assistance

We now have a Faculty of Thirty, and 350 pupils. The institution is doing better work than ever before in its most remarkable and successful history.

" It is a good place for you to send your girls, if you want them to receive a thorough and a Christian education.

Foreign Missions Report

Your Committe makes its complete Statistical Report at the Fall Meeting of Presbytery. We would therefore simply call your attention at this time to the Statement sent out by our Executive Committee at Nashville concerning the work of the past year, and also to the Report of the Woman's Missionary Union of Orange Presbytery.

The Committee at Nashville reports that over Three Thousand Members have been added to the Church from our Mission fields during the past year. The work is encouraging in all the fields, generally so in Africa, Korea and China

" The receipts for the year were $323.878. a gain of $47.615 over the previous year. In spite of this encouraging increase, the year closes with a Debt of Several thousand dollars on our Treasury.

Debt

The Committee states that it cannot send out any new Missionaries, except those whose Salary and traveling expenses are fully provided for, until all of this debt is paid. The most urgent need therefore, at present is for funds with which to pay this debt, and enable our Committee to send out the Mis-

sionaries already under appointment, whose services are so badly needed on the field at once. F. M. Report

We submit as a part of this Report, the report of the Woman's Missionary Union of Orange Presbytery. This Union has just held its Annual Meeting in Durham, and its Secretary makes the following Report to Orange Presbytery.

We would also add as a part of our report the words of Commendation by our Executive Committee of Foreign Missions, regarding the Woman's Work –

"Vigorous efforts have been made towards a more complete and efficient organization of our Woman's Work. The Committee believes that we have the ideal form of organization for this work in the Woman's Presbyterial Union. Fifty-three of these Unions have now been organized. Thirty-five of these have sent out during the Year Missionary Visitors for the purpose of encouraging and stimulating the weaker Societies embraced in the Union, and of organizing Mission Study Classes and Young Missionary Societies, in Churches where these do not already exist. This work has been done purely as a labor of love, and without remuneration. Only the traveling expenses of the Visitors have been paid from our Treasury, and in many cases no bills for traveling expenses have been tendered.

Overture from J.W. Lafferty

An Overture from the Rev. J.W. Lafferty of Concord Presbytery, in regard to the Sabbath in connection with the Prohibition Campaign now being waged in the State, was received, and the following answer was made—

Answer

Presbytery respectfully replies that while it fully appreciates the gravity of the subject presented by the Rev. J.W. Lafferty, yet it deems it unwise to take any special action connected with the particulars contained in the Overture.

Temperance and Prohibition—

The following Paper on Temperance and Prohibition, offered by the Rev D.W. Abbane D.D., was adopted.

Whereas there is an issue in the State of North Carolina, involving the effort to drive out of the State the great Curse of the manufacture and Sale of intoxicating Spirits, therefore be it Resolved—

1. That we are grateful to the great Head of the Church for the Rapid progress which the Cause of Temperance and Prohibition is

making in the State and elsewhere, and do express the earnest hope that the traffic in intoxicating liquors and debasing drugs will soon be driven from our State. Temperance and Prohibition

2. That we hereby urge our people to strive by all legitimate efforts to banish from our State this immoral and demoralizing traffic, by precept " and example, for the extermination of this great evil.

3. And that this deliverance be read in all our Churches. "

The Special Committee appointed to formulate the Reasons why the Presbytery declines to Consent to the Proposed Change in the Book of Church Order tending Commissioners, made the following report which was considered Seriatim and adopted— The Book of Church Order

In declining to Consent to the adoption of the Proposed Amendment on Commissioners, the Presbytery of Orange desires to place on Record the Reasons governing its action, viz— Reasons for declining Amendment.

1. Inasmuch as the General Assembly is the Court of last Resort, the Report of a Commissioned Body subject to the Review of the

Leaksville, N. C.

Assembly itself sitting as an appellate Court.

v. The provision that "no one who is a member of the Court from which the case comes, or who has expressed or formed a positive opinion concerning such case, may be a member of the Commission" — is a blow aimed at the fundamental principles governing the Constitutional prerogatives of the Court appointing the Commission, since it excluded from the Commission those who would be entitled to sit in judgment on the case were it tried by the Court itself instead of by a Commission appointed by the Court.

Reasons for declining Amendment to Bank of Ch. Order.

" Your Committee recommend that this Report be appended to the Answer of Presbytery — And that the Presbytery hereby Overture the Assembly to refer this whole subject of Commissions to a Special Committee, to sit during the Sessions of the Assembly at Greensboro, in order that the Assembly may re-submit the matter to the Presbyteries this year. Ministerial Relief

The Executive Committee on Ministerial Relief submitted the following report which was adopted in

The Cause of Ministerial Relief has made substantial progress in our Presbytery the past Year. For the past Year 37 Churches contributed to this Annuad Fund $516.30, a considerable increase over the previous Year. But we are pained to record that 20 Churches made no contribution whatever to this Cause.

" While we have but one beneficiary of this Fund in our Presbytery, the Roll of beneficiaries in the Assembly numbers 44 Ministers, 140 Widows and 12 Orphans. In these homes are 62 fatherless Children under 12 years of age.

April 16. 1908.

Ministerial Relief

The General Assembly asked the Churches for $30,000., exclusive of the interest on Endowment Funds, for the support of these worthy "Saints who are in need", and $23000. only Contributed. In order to adequately provide for these needy ones, a large increase in the Contributions of the Churches is imperatively demanded.

Five Churches contributed $267.52 to the Endowment Fund the past Year. The amount of Endowment Funds now invested is $234.500. Mr. Duncan has promised to pay the last instalment — $25000. on Jan. 1. 1909., which will give the Church an invested Fund of $259.500. The General Assembly at Birmingham recommended the " Continued effort of the Churches for a larger Endowment, asking that $500 000. be raised as soon as possible. We therefore recommend that Presbytery urge the Continued interest of the Churches in the increase of the Endowment Fund.

Home Missions

—Home Missions—

In submitting this our annual Report we have much to thank God for, and many reasons to be encouraged.

April 16. 1908.

Every Church except three has been supplied at least a part of the time during the Year. Last month we lost two of our Pastors and this leaves two fields vacant. At the time those two men left, we had all our fields supplied except one. Our Superintendent has regularly visited the vacant Churches, and by this means no Church has been without the preached Word any great length of time. Home Missions

Last Summer we employed Misses— " Hannah B. Wilson, Mary A. Clark, Lois Neal, Elsie Waddell and Messrs W. M Erwin and C. C. Beam to teach Mission Summer Schools. This work was so satisfactory and beneficial we have decided to employ twelve Teachers this Summer.

One Church was organized during " the Year, making 68 in the Presbytery. More than 30 of these are dependent on the Home Mission Fund for assistance in maintaining the preached word and the Sacraments of the Church. Besides this, we are supplying many Mission Points which now have— grown and have organized Sunday " Schools, and which will some day with Proper Care become organized Churches.

1. Present Supplies:— Rev. W. C. Arrow " and has charge of the North Orange—

group: Candidate H. L. Cathey is supplying the Caswell field: Rev. R. W. George is in charge of the Stokes work: Candidate Jno D Smith is supplying Sandy Ridge and Snow Hill: Rev. R. R. Orphans' Home — Your Committee would report that 32 Churches have contributed to this Cause during the year the sum of $1559.00. Wilkesboro, Durham 1st, High Point, Graham, Greensboro 1st, Westminster and Reidsville.

Besides the Amounts actually given to this Cause and reported, the good women in many of our Churches clothe one or more of the Orphans at the Home, and a number of Churches also send supplies of various kinds, of all which no report is made.

" " Presbytery repeats its earnest exhortation to all Ministers and Sessions that this Cause, so deserving of our interest and help, and so dear to the hearts of many of God's children, be presented to their people and an opportunity be given them to contribute.

Orphans' Home — Contributions should be made in June by the Churches, and once a month by the Sunday Schools, and these should be promptly forwarded.

Ministerial Education

The Executive Committee on Ministerial Education, Rev. Chas. E. Hodgin, Chairman, submitted its Annual Report which was adopted, and is as follows:

Ministerial Education.

Your Committee is glad to report a slight increase in the number of Candidates in the Church at large. The total number reported by our Assembly's Secretary for the year ending March 31 st. 1908. is 362, as against 349 last year, which represents a gain of 13. Of these 362 Candidates 240 have been aided from the funds

of Ministerial Education, nearly all of them receiving $100. each. This is 21 more Candidates than were aided last year, and more than at any time since 1895.

Ministerial Education.

The General Assembly called upon the Churches for $30000. for Ministerial Education this Year. Of this amount $24930. has been contributed.

Orange Presbytery now has 16 Candidates, as against 12 reported a year ago. Two have been received since the Fall Meeting of Presbytery, viz—Mr. C. A. Swift, a Member of the First Church, Greensboro, and Mr. Carl D. Craig, a Member of the Reidsville Church. Both of these young men are members of the Freshman Class of Davidson College. A detailed report in regard to each Candidate will be made at the Fall Meeting of Presbytery. Ten of our Candidates have received aid the past year to the amt. of $840., while our Presbytery has contributed to this Cause only $565. Our Presbytery, therefore, has drawn from this Fund $275. more than we have contributed thereto. This fact should constitute a strong appeal to us to contribute our full apportionment to this important Cause.

Only 39. of our 68 Churches contributed to this Cause last Year, while

Ministerial Education

The following 29 Churches gave nothing — Asbury, Bessemer Ave, Bethel, Bethesda — Beulah, Burlington, Carson Memorial, Clark Memorial, Danbury, Dan River, Durham 2d, Ebenezer, Elon, Elkin, 1st Elkin, Col.d, Jamestown, Jefferson, Mebane Oaks, Pine Ridge, Pleasant Grove, Rocky Ridge, Sandy Ridge, Snow Hill, Spring wood, Stoneville, Thomasville, Wentworth, and Yanceyville.

" The following 11 Churches have paid in full or overpaid their apportionments — Asheboro, Chapel Hill, Gilead Graham, Greensboro 1st, Westminster, Lexington, N. Wilkesboro, Reidsville, Roxboro, and Red House.

" We would call the attention of the Presbytery to the fact that our Assembly's Secretary of this Cause has some excellent Tracts and Pamphlets on the Subject of — "A Call to the Gospel Ministry." — for free distribution. We would urge, therefore, that our Ministers and Elders send the names and addresses of boys and young men in their Congregations, who might be influenced to give their lives to this work, to Rev H. H. Sweets, Louisville, Ky., so that this excellent literature may be widely disseminated throughout the bounds of our Presbytery.

April 16. 1908.

Education

Your Committee has written to certain Candidates at Davidson College and Union Seminary, as directed by the Presbytery to do so, and the aid of one Candidate was discontinued for the past year.

In conclusion, we would most earnestly urge upon all our Churches to take offerings for Ministerial Education during the Months of April and November, as directed by all our Church Courts.

The Committee on the Narratives, Rev E. L. Siler, Chairman, made the following report which was adopted and ordered to be forwarded to the General Assembly — The Narratives

The Presbytery of Orange Reports —

1. That except in very few cases the services of the Sanctuary are well attended, both by members & others.
2. That while a part of our Churches report a gratifying increase in the observance of Family Worship, the large majority say that this important duty is more or less neglected.
3. With only five exceptions our Churches report that the Lord's Day is reverenced and faithfully observed, and in those few instances of reported desecration, it

is social visiting, Sunday Mails, and Sunday Newspapers, that are Specially noted.

4. Our people generally are faithful to the teachings and traditions of our beloved Church in that in nearly all cases the Children and Youth are faithfully trained, both in the home and in the Sabbath School, in the Scriptures and the Catechisms.

5. One striking fact which we note is that in nearly every case, the Churches which uphold a good observance of the Lord's Day and faithful training of the Children, also uphold the fidelity of God's people in worshipping the Lord with their substance, thus indicating that there is a vital connection between these three things.

6- Almost universally our Churches have paid their Ministers fully and promptly the amounts promised them.

7- About half of our Churches are blessed with evidences of Spiritual life and growth and activity, and many have experienced special outpourings of the Holy Spirit.

8- Worldly Conformity does not prevail, and very few report anything discouraging in this respect.

9- Only 4 of the 55 Churches reporting are doing anything in the way of Evangelistic work outside

of their own bounds.

10. All of our self-supporting Churches, or groups of Churches, except one; and all of our Mission fields, except two — are supplied with the preached Gospel.

The Narrative

The following Overture to the General Assembly, offered by the Rev. J. W. Goodman, was adopted and ordered to be forwarded to the Assembly.

Overture to the Assembly —

The Presbytery of Orange would most respectfully Overture the General Assembly of the Presbyterian Church in the United States, in Session at Greensboro, N. C., to consider and take action on the following matter, if in its wisdom such action seems to be desirable.

Whereas there seems to be little if any improvement in the establishing of the Family Altar in the homes of our People: and —

"

Whereas this matter is of vital importance to the welfare of our beloved Zion: And —

"

Whereas, the Church has provided suggestive and helpful aids to other forms of Christian Endeavor, as E.g. Teachers in our Sunday Schools — Leaders in our various Societies &c — therefore, be it —

"

Resolved: That this Assembly take

Overture

some action looking to the providing of some aid for heads of families in the conduct of religious exercises in the home, either by giving its approval and sanction to some aid already prepared, or by appointing a strong committee to undertake the preparation of such an aid to be submitted to a future Assembly for its judgment.

Family Worship Order

The following resolution in regard to Family Worship was adopted—

Resolved: That at the next Spring Meeting of Presbytery, the Roll of Churches be called, and the question be asked—How many families in each Congregation Conducted Family Worship?

And the Stated Clerk is hereby instructed to append to the Blanks sent out to the Sessions next Spring, a Printed Slip calling attention to this action.

Publication &c

The Executive Committee on Publication and Sabbath Schools, Rev. S. M. Rankin, Chm., submitted a tabulated report of the Sabbath Schools which was approved — See Appendix to Printed Minutes — And also the following report which was adopted —

1. Publication: This branch of the work has greatly increased in volume and efficiency, and is doing much good by donating literature and Sunday School Helps to our Home Mission areas and Mission Sunday Schools. We commend this Cause to the liberality of our Churches, and suggest that our people patronize our own Publishing House in ordering their books &c — Publication &c

2 — Young People's Societies — The Young people are the hope of the Church and should be trained for Church work. We therefore recommend that Societies, according to the Assembly's plan, be organized in every Church. The pastors can do this by talking and some suitable person to become leader, and by giving him the necessary instruction and encouragement. Y. P. S.

3 — Sunday Schools — By comparing the figures of last year with those of the year before, we find that the Schools have gained 443 in Membership. This is good and encouraging, but can be improved on. Those Schools that have not adopted the more modern Methods of work are about to begin to be ready to learn that the new Methods can be used, and that they are beneficial. Your Chairman as the Supt. of Home Missions has visited many Schools during the year, and has tried to S. S.

Leaksville, N.C.

offer some word of encouragement, and suggest some line of improvement.

We recommend—

S. Schools — 1. That every Pastor put forth an earnest effort to Re-organize and grade his School according to the plan suggested by the Assembly's Committee.

Mrs. McIver Sec-ty — 2. That, as an experiment for one Year, Mrs. Chas. D. McIver be elected Presbyterial Secretary of Sunday Schools, to work under the direction of Presbytery's Executive Committee, and be assigned the duty of striving, by visiting and holding Teachers Meetings, and by Correspondence, and otherwise, to increase the interest and efficiency of our Sunday Schools; and that she may be allowed the sum of $200. for Year and Expenses.

The following report of the Executive Committee on Colored Evangelization was adopted:—

Colored Work Morrow — Your Committee would recommend that the General Assembly's Committee of Colored Evangelization be asked to pay the Rev. J. S. Morrow a Salary of Three Hundred Dollars ($300.) for the Church Year of 1908-9, to be paid quarterly.
